Using DreamBox Learning® Math at Home Over the Extended Break

Home Usage Expectations

The only person that should be playing on your child’s account is your child. This is the only way DreamBox can assess their understanding of math concepts.

Plan at least (3-4) 45 minute sessions for each session.

Use the Activity Feed in your Family Insight Dashboard to monitor your child’s progress. If they are stuck on a lesson, you can view it by hitting the ‘Play Lesson’ button and help guide them with facilitated discussion. Try to avoid helping them directly in their student environment.

Healthy Habits for Success in DreamBox

1. Try every problem: Persist even when it is hard.
2. Finish every lesson: Persevere instead of choosing another lesson.
3. Utilize in-lesson support: The feedback, hints, and help are created to assist you.
4. Use headphones with volume on: Listen to the directions, assistance, and feedback.
5. Work Independently: Don’t let others do your work for you.

What is DreamBox Learning Math?

DreamBox Learning is a K-8 digital math program that independent studies have found to raise student achievement and better prepare children for future success. Powered by the brilliance of each child, DreamBox combines a fun and engaging learning environment with a rigorous, standards-based, math curriculum. DreamBox promotes active learning and independent critical thinking by responding to each student’s strategies and decisions in the moment. Because DreamBox adapts lessons and recommendations based on the needs of each learner, children always have just the right level of support when and where it’s needed.

Your Family Insight Dashboard

Your Family Insight Dashboard will provide you with insights on your child’s learning as well as highlight important learning milestones. This will help keep you informed on your child’s skills and foster a partnership to positively influence your child’s learning outcomes both inside and outside of the classroom.

200 Lesson by EOY
300 Lesson by EOY
Tips for home usage

1. Allow for (3-4) 45 minute sessions throughout the week.
2. Encourage completion of every lesson that is started. Mistakes are OK. Your child should not shy away from incorrect answers, as they help find the right lesson to build learning progress.
3. We know it’s difficult, but please resist the urge to help with answers so that your child doesn’t move ahead before he or she is truly ready.

Student Access

Your child can access DreamBox Learning Math 24 hours a day, 7 days a week from a desktop, laptop, or iPad by logging in through the school’s District portal (an Internet connection is required). To access DreamBox from an iPad, go to www.dreambox.com/ipad, or search for DreamBox Math in the App Store. Once you have downloaded the app you can log into your child’s profile through the District portal.

To set up your free Family Insights Dashboard, follow these steps:
1. Go to your child’s District portal.
   https://clever.com/in/ideapublicschools
   • Username: Student ID #
   • Password: date of birth (MMDDYYYY)
2. Have your child login to his or her profile just as it would be done at school, click DreamBox App.
3. Click Setup Parent Access at the bottom of the page.
4. Follow the instructions to create a login (email) and password.
5. Read the Terms of Use and Privacy Policy.
6. Click Submit.

To log into your Family Insights Dashboard (after it is set up):
2. Enter your email and password.
3. To see student progress, click the Family Dashboard button.
