GRANT ACCOUNTING POLICY**

- (f) the use of funds be adequately documented.<sup>4</sup>

**Sec. 6.2. Reasonable, Necessary, and Not Excessive Costs.**

Sec. 6.2.1. In determining if an expenditure or cost is reasonable, necessary, and not excessive IDEA officers and employees shall adhere to the prudent person rule which dictates that a costs is reasonable if, in its nature and amount, it does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the cost.<sup>5</sup> A cost is necessary if it is reasonable and a prudent person would agree that it is tied to a direct benefit to the students of IDEA. An expenditure or cost is not excessive if it is both reasonable and necessary and a prudent person would agree that it could not be accomplished in a more efficient manner. For further instruction, see Sec. 6.2.2 below.

Sec. 6.2.2. In determining if a cost is reasonable, IDEA officers and employees shall consider the following factors.<sup>6</sup>

- (a) Whether the cost is of a type generally recognized as ordinary and necessary for the operation of IDEA or the proper and efficient performance of the Federal award.<sup>7</sup> Importantly, IDEA officers and staff shall adhere to the accepted practices of Texas public schools relating to the use of grant funds.
- (b) The restraints or requirements imposed by such factors as: sound business practices; arm's-length bargaining; Federal, state, local and other laws and regulations; and terms and conditions of the Federal award.<sup>8</sup>
- (c) Market prices for comparable goods or services for the geographic area.<sup>9</sup>

**Sec. 6.3. Prudent Person Rule.**

IDEA officers and employees shall limit their use of grant funds to costs that are ordinary and necessary for the conduct of IDEA's public school and related mission and if said costs, their nature

and amount, do not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time that the decision was made to incur the cost.

**Sec. 6.4. Abuse and Waste Prohibited.**

Sec. 6.4.1. IDEA officers and employees shall not abuse or waste grant funds.

Sec. 6.4.2. For purposes of this policy, abuse is defined as behavior that is deficient or improper when compared with behavior that a prudent person would consider reasonable and necessary business practice given the facts and circumstances. Abuse includes misuse of authority or position for personal financial interests or those of an immediate or close family member or business associate.<sup>12</sup>

Sec. 6.4.3. For purposes of this policy, waste is defined as the act of using or expending resources carelessly, extravagantly, or to no purpose. In this context, waste relates primarily to mismanagement, inappropriate actions, and inadequate oversight.<sup>13</sup>

**Sec. 6.5. Direct and Indirect Costs.**

Sec. 6.5.1. All allowable direct and indirect costs allocated to the grant, minus any applicable credits, constitute the total costs.

Sec. 6.5.2. Direct costs are those costs that can be identified specifically with a particular final cost objective, such as a Federal award, or other internally or externally funded activity, or that can be directly assigned to such activities relatively easily with a high degree of accuracy.<sup>14</sup> Direct Costs include:

- (a) Costs for personnel who supervise the activities of program staff, or any direct costs for personnel who perform fiscal and reporting activities related to the grant;
- (b) Costs for contracted services associated with the administration of the program;
- (c) Costs for supplies and materials requested for administrative use;
- (d) Other operating costs requested for administrative purposes; and
- (e) Equipment requested for administrative purposes.

Sec. 6.5.3. Indirect costs are costs incurred for a common or joint purpose benefitting more than one grant program or project and not readily assignable to the grant program or project specifically benefitted, without effort disproportionate to the results achieved.<sup>15</sup> Indirect costs include:

- (a) Costs of operating and maintaining facilities;
- (b) General administration and general expenses, such as budgeting, accounting, human resources, legal, and purchasing;
- (c) Centralized services, such as information systems; and

(d) Personnel and accounting administration.

Sec. 6.5.4. Reimbursement of indirect costs under federal awards is determined by an organization's indirect cost rate, which recipients negotiate with their cognizant agency. For public school districts, regional education service centers and open-enrollment charter schools, the Texas Education Agency ("TEA") is the cognizant agency.

Sec. 6.5.5. The indirect costs for TEA subrecipients<sup>16</sup> are computed using a TEA-approved restricted indirect cost rate. The indirect cost rates change annually and are effective for the pertinent fiscal year. The computation of indirect costs is subject to audit.

Sec. 6.5.6. As set forth in the pertinent grant requirements, federally and state funded grant programs may claim indirect costs provided that an indirect cost rate has been established and approved.

**Sec. 6.6. Unallowable Costs.**

Sec. 6.6.1. An unallowable cost is any cost that cannot be charged to the grant regardless of whether the cost is treated as direct or indirect.

Sec. 6.6.2. IDEA shall refund to the grantor agency any amounts received from a grant or other program that the grantor agency determines to be unallowable, either as direct or indirect costs, because the underlying activity or use of funds:

- (a) violated a statute, regulation or the terms and conditions of the grant or program, including any related use of funds to match the grant or program funding;
- (b) is not supported by adequate and contemporaneous original records; or
- (c) appears unreasonable and does not reflect the actions a prudent person would take in the circumstances.<sup>17</sup>

**Sec. 6.7. Matching.<sup>18</sup>**

For all Federal awards, any shared costs or matching funds and all contributions, including cash and third-party in-kind contributions, must be accepted as part of IDEA's cost sharing or matching when such contributions meet all of the following criteria:

- (a) Are verifiable from IDEA's records;
- (b) Are not included as contributions for any other Federal award;
- (c) Are necessary and reasonable for accomplishment of project or program objectives;
- (d) Are allowable under Subpart E—Cost Principles of 2 CFR 200;

- (e) Are not paid by the Federal Government under another Federal award, except where the Federal statute authorizing a program specifically provides that Federal funds made available for such a program can be applied to matching or cost sharing requirements of other Federal programs;
- (f) Are funded in the approved budget when required by the Federal awarding agency; and
- (g) Conform to other provisions of 2 CFR 200, as applicable.

*Sec. 6.7.1. Documentation.*

The Delegates or designee shall ensure that all funds and in-kind services used as a match are accurately documented and that only funds or services directly benefiting the specific grant project will be counted as a match.

*Sec. 6.7.2. Overall Match.*

The Delegates or designee shall ensure that contributions are matched overall as opposed to category-for-category.

*Sec. 6.7.3. Source of matching contributions.*

Matching contributions may be made from any non-Federal source, including non-Federal grants. Matching or cost-sharing requirements may be satisfied by any necessary and reasonable costs paid by IDEA and verifiable in the accounting records; or the value of third-party in-kind contributions.

**Sec. 6.8. Standards for Documentation of Personnel Expenses.**

Sec. 6.8.1. Grant funds may be used, if allowed by the grant agreement, to pay all or part of the salaries and allowable fringe benefits of personnel who are directly working on the grant project.<sup>19</sup>

Sec. 6.8.2. The Delegates or designee shall ensure that state-funded and federally funded grants bear their fair share of cost. To support charges to payroll for personnel who spend time on a grant, the Delegates or designee shall prepare or cause to be prepared records that accurately reflect the work performed and that conform to all of the following requirements.<sup>20</sup>

- (a) Are supported by a system of internal control which provides reasonable assurance that the charges are accurate, allowable, and properly allocated.<sup>21</sup>
- (b) Are incorporated into IDEA's official records;<sup>22</sup>

- (c) Reasonably reflect the total activity for which an employee is compensated by IDEA, not exceeding 100% of compensated activities.<sup>23</sup>
- (d) Encompass both federally-assisted and all other activities compensated by IDEA on an integrated basis.<sup>24</sup>
- (e) Comply with IDEA's established accounting policies and practices.<sup>25</sup>
- (f) Support the distribution of the employee's salary or wages among specific activities or cost objectives if the employee works on: more than one Federal award; a Federal award and non-Federal award; an indirect cost activity and a direct cost activity; two or more indirect activities which are allocated using different allocation bases; or an unallowable activity and a direct or indirect cost activity.

Sec. 6.8.3. For record keeping purposes, the Delegates or designee shall not use budget estimates (i.e., estimates determined before the services are performed) alone as these do not qualify as support for charges to Federal awards. Nonetheless, as appropriate and necessary, the Delegates or designee may use budget estimates for interim accounting purposes, provided that:

- (a) The system for establishing the estimates produces reasonable approximations of the activity actually performed;
- (b) Significant changes in the corresponding work activity are identified and entered into the records in a timely manner;<sup>26</sup>
- (c) IDEA's system of internal controls includes processes to review after-the-fact interim charges made to a Federal award based on budget estimates; and
- (d) All necessary adjustments are made such that the final amount charged to the Federal award is accurate, allowable, and properly allocated.<sup>27</sup>

**Sec. 6.9. Supplement Not Supplant.**

In accordance with applicable federal law for the pertinent federal grant program, the Delegates or designee shall ensure that IDEA uses federal grant funds to supplement and, not supplant, federal, state, and local funds, as applicable to the federal grant program.<sup>28</sup>

Sec. 7.2. The Delegates or designee shall ensure that all goods are received and all services are rendered between the beginning and ending dates as specified in the grant award.

Sec. 7.3. When used in connection with IDEA's utilization of funds under a Federal award, obligations means orders placed for property and services, contracts and subawards made, and similar transactions during a given period that require payment by IDEA during the same or a future period.<sup>29</sup>

Sec. 7.4. From a federally-funded grant, IDEA makes obligations for various kinds of property and services as observed in the following table.<sup>30</sup>

**Sec. 8. APPROVAL OF FEDERAL EXPENDITURES.**

**Sec. 8.1. Requisitions.**

The Delegates or designee shall approve requisitions through a work flow process and shall physically sign off on all direct invoices.

**Sec. 8.2. Purchase Card Expenses.**

The Delegates or designee shall review and approve all purchase card expenses on a monthly basis.

**Sec. 8.3. Contracts.**

The Delegates or designee shall approve all contracts.

**Sec. 8.4. Invoices.**

**Sec. 9. METHODS OF PROCUREMENT.**

If the content in this section conflicts with the corresponding requirements set forth in the Purchasing Policy, the requirements adopted in the Purchasing Policy shall prevail. This section should be updated to align with the corresponding requirements in the Purchasing Policy.

**Sec. 9.1. Micro-Purchase Procedure – 2 CFR § 200.320(a).**

The Delegates or designee may procure supplies (as defined in Sec. 3.18 of the Purchasing Policy) and other services (as defined in Sec. 3.8 of the Purchasing Policy) that have a cost or value of less than the Micro-Purchase Threshold established in Sec. 3.5 of the Purchasing Policy through the most expedient manner available yielding best value and demonstrating proper stewardship of federal funds. However, to the extent practicable, IDEA must distribute micro-purchases equitably among vendors. Additionally, if a purchase is made without soliciting competitive quotes, IDEA employees must document that the price was reasonable.

**Sec. 9.2. Small Purchase Procedure – 2 CFR § 200.320(b).**

The Delegates or designee shall solicit three or more quotes to procure supplies (as defined in Sec. 4.17 of the Purchasing Policy), personal property (as defined in Sec. 4.9 of the Purchasing Policy), or other services (as defined in Sec. 4.8 of the Purchasing Policy) that have a cost or value of no less than the Micro-Purchase Threshold established in Sec. 4.5 of the Purchasing Policy and no more than the Simplified Acquisition Threshold established in Sec. 4.16 of the Purchasing Policy.

**Sec. 9.3. Sealed Bids – 2 CFR § 200.320(c).**

- (a) A complete, adequate, and realistic specification or purchase description is available;
- (b) Two or more responsible bidders are willing and able to compete effectively for the business; and
- (c) The procurement lends itself to a firm fixed price contract and the selection of the successful bidder can be made principally on the basis of price.

If sealed bids are used, the following requirements apply:

- (a) Bids must be solicited from an adequate number of authorized vendors, providing them sufficient response time prior to the date set for opening the bids;
- (b) The invitation for bids, which will include any specifications and pertinent attachments, must define the items or services in order for the bidder to properly respond;
- (c) All bids will be opened at the time and place prescribed in the invitation for bids;
- (d) A firm fixed price contract award will be made in writing to the lowest responsive and responsible bidder; and
- (e) Any or all bids may be rejected if there is a sound documented reason.

Upon approval by the Board, the Delegates or designee shall award a firm fixed price contract to the lowest responsible bidder with the bid that conforms with all the material terms and conditions of the invitation for bids.

**Sec. 9.4. Competitive Proposals – 2 CFR § 200.320(d).**

- (b) Any response to publicized requests for proposals must be considered to the maximum extent practical;
- (c) Proposals must be solicited from an adequate number of qualified sources;
- (d) IDEA must have a written method for conducting technical evaluations of the proposals received and for selecting recipients.

**IDEA PUBLIC SCHOOLS BOARD POLICY  
GRANT ACCOUNTING POLICY**

- (e) Contracts must be awarded to the responsible firm whose proposal is most advantageous to the program, with price and other factors considered; and
- (f) IDEA may use competitive proposal procedures for qualifications-based procurement of architectural/engineering (A/E) professional services whereby competitors' qualifications are evaluated and the most qualified competitor is selected, subject to negotiation of fair and reasonable compensation. The method, where price is not used as a selection factor, can only be used in procurement of A/E professional services. It cannot be used to purchase other types of services through A/E firms are a potential source to perform the proposed effort.

IDEA shall award either a fixed-price or cost-reimbursement type contract.

**Sec. 9.5. Noncompetitive Proposals – 2 CFR § 200.320(f).**

- (d) After solicitation of a number of sources, competition is determined inadequate.

**Sec. 10. REPORTING REQUIREMENTS.**

**Sec. 11. BUSINESS OFFICE CHECK-INS.**

The Delegates or designee shall conduct meetings with any officer or employee granted budgetary authority over a federal, state or philanthropic grant on a reoccurring basis to make sure all aspects of the grant, such as expenses, procurement and payroll, are being reviewed on a weekly, bi-weekly or monthly basis.
