

IDEA Curbside Meal Service

Healthy Kids Here

We are excited to welcome our students back for our 2020-2021 academic year. The Child Nutrition Program (CNP) for IDEA Public Schools will be ready to deliver on our promise of providing nutritious meals to our students at any campus. Yes! So long as your child(ren) are enrolled at any IDEA campus, parents can visit any IDEA campus and participate in our Curbside meal pick up service.

Next are a few notes on our service to ensure our meals are served in an efficient & safe manner. We can't wait to serve your child!

Picking up Multiple Meals at one Time, for Multiple Days

- Every day we are bundling breakfast and lunch together
- We will also combine multiple days into bundles. This means that...
 - On Mondays, you can pick up meals for Monday and Tuesday
 - On Wednesdays, you can pick up meals for Wednesday, Thursday and Friday
- If you miss a Monday or Wednesday, don't worry – we are still be providing meal pick up service Tuesday, Thursday and Friday
- All meals are served cold (for food safety) and we are including heating instructions so your child can enjoy them hot & ready later

Curbside Meal Pick Up Times

- Monday and Wednesday: 7:30 am-11:30 am, and 4-6 pm
- Tuesday, Thursday, Friday: 7:30 am- 11:30 am

How Do You Pick Up?

- You can pick up at whichever IDEA school is closest to you!
- No need to roll down your window, just hold your child's IDEA student ID (preferred) or place by the front windshield
- Although we prefer an IDEA student ID badge, and an IDEA enrollment letter is also acceptable
- Don't forget, your child(ren) must sign into class, even virtually, to be counted "in attendance" for the school day

How Do We Stay Safe?

- IDEA Child Nutrition follows strict sanitation and safety protocols from how we receive, store and prepare our products, to how we clean our kitchens. We do temperature checks daily, and always wear masks, gloves and hair restraints. Our safety is your safety!
- When you pick up, we will scan your student ID through your closed window, and deliver your meals on a designated table, following social distancing. We will talk to you, too – at a safe distance! 😊
