FIND A COVID-19 VACCINE FOR YOUR CHILD

• Find a COVID-19 Vaccine for Your Child
• Check your local pharmacy’s website to see if vaccination walk-ins or appointments are available.
• Check with your child’s healthcare provider about whether they offer COVID-19 vaccination.
• Contact your state or local health department for more information.

YOU WILL NOT BE CHARGED FOR A COVID-19 VACCINE.
COVID-19 vaccination providers cannot:
• Charge you for the vaccine.
• Charge you any administration fees, copays, coinsurance, or the balance of the bill after appropriate reimbursement.
• Deny vaccination to anyone who does not have health insurance coverage, is under-insured, or is out of network.
• Charge an office visit or other fee to the recipient if the only service provided is a COVID-19 vaccination.
• Require additional services for a person to receive a COVID-19 vaccine; however, additional healthcare services can be provided at the same time and billed as appropriate.

(Appointments or Walk-ins)

IDEA PUBLIC SCHOOLS TARRANT COUNTY
VACCINE RESOURCES FOR STUDENTS 12+

The Pfizer-BioNTech COVID-19 Vaccine has been approved by the U.S. FDA for children ages 12+. The CDC recommends that everyone 12 years of age and older get a COVID-19 vaccination. Get a COVID-19 vaccine as soon as you can. Widespread vaccination is a critical tool to help stop the pandemic. While children may have been less affected by COVID than adults, they can still get sick and spread the virus to others. Getting your child vaccinated can bring you one step closer to enjoying the activities you miss.

Below are vaccine providers in the Tarrant County Area for families seeking opportunities for children ages 12+.
