

# STUDENT TECHNOLOGY CARE

## GET READY TO LEARN

- ✓ Bring your device, charger and headphones to school every day.
- ✓ Monitor your battery life and keep your device charged.
- ✓ Sign out and shut down your device at the end of the day.
- ✓ Ask for help when you don't know what to do.

## CARE FOR ALL DEVICES

- ✓ Do not place food or drinks on or around your device.
- ✓ Keep your device in a cool, dry place.
- ✓ Do not put stickers or tape on your device.
- ✓ Always use both hands to carry your device.

## BE SAFE ONLINE

- ✓ Only use apps and websites approved by your teacher.
- ✓ Never share your username or password.
- ✓ Never click on links you don't recognize.
- ✓ Be a good digital citizen.

## ASK FOR SUPPORT

- ✓ Submit a ticket to request technical support or repair.
