PART I – GENERAL INFORMATION AND INSTRUCTIONS

1. Introduction and Purpose

IDEA Public Schools prepares students from underserved communities for success in college and citizenship. We are a growing network of 137 high-performing charter schools serving approximately 74,000 students in Austin, El Paso, Houston, Permian Basin, Rio Grande Valley, San Antonio, Tarrant County in Texas, as well as locations in Louisiana and Florida. IDEA Public Schools is planning to expand to Jacksonville, FL in 2022, Cincinnati, OH in 2022, and Arkansas in 2023.

The mission of IDEA Public Schools is College for All. IDEA serves primarily low-income students in underserved areas of both rural and urban communities. Over 80% of IDEA students are considered low-income and one of every three students is the first in their family to go to college. Since our first graduating class in 2007, 100% of our seniors have been accepted and matriculated to a college or university every year for fifteen consecutive years. Thanks to a rigorous path to college that begins in Pre-K, IDEA students attend selective universities throughout the country, win national awards and scholarships, and complete college at a rate six times the national average for low-income students.

IDEA Public Schools Core Values

We Act with Integrity

We put the best interests of the IDEA Team & Family—and most importantly our students—at the forefront of all our decisions and actions, taking personal responsibility to model the honest and ethical behavior we want our students and each other to demonstrate every day.

We Build Team & Family

We foster a sense of belonging and inclusivity by treating every member of the IDEA Team & Family—our students, staff, families, and community—with compassion, respect, and humility. We maximize our individual best efforts through collaboration and support of each other in the focused pursuit of our collective mission.

We Achieve Academic Excellence

We believe ensuring college success for 100% of our students is the best way to help them succeed in life and in seeing obstacles they face as opportunities for learning and growth. Every member of the IDEA Team & Family works together to ensure each student on every campus and in every classroom receives a high-quality education.

We Deliver Results

We set ambitious goals, hold ourselves and each other accountable for achieving results, and believe that our students will succeed to and through college. Our results show what's possible when the adults in the system get it right and represent the collective effort and focus of the entire IDEA Team & Family.

We Ensure Equity

We set high expectations and share compassion and empathy for every member of the IDEA Team & Family. We differentiate our support and resources, proactively address racism and discrimination, and advocate alongside our students and staff to empower them with the opportunities to succeed and ensure the respect they deserve.

We Bring Joy

We create a positive, uplifting, and joyful environment for every member of the IDEA Team & Family, every single day. We operate with a sense of optimism, and our traditions celebrate learning, growth,

and the accomplishments of our students, staff, and community.

We Sweat the Small Stuff

We embrace that achieving excellence lies in paying attention to and carrying out the details - the ‘small stuff’ - that go into effective execution and positive implementation. Every step of the way, the IDEA Team & Family prioritizes actions contributing to our mission of College for All.

Attachment K – Criminal History Certification

The Texas Education Code requires entities that contract with public schools to obtain criminal history records on covered employees. Covered employees with disqualifying criminal histories are prohibited from serving at a public school. Contractors must certify to the school that they have complied and must obtain similar certifications from their subcontractors.

IDEA may not obtain criminal histories for contractors. The law requires each contractor to obtain the criminal histories of its covered employees. For more information or to set up an account, a contractor should contact the Texas Department of Public Safety's Crime Records Service at (512) 424-2474.

Definitions:

“Covered Employees”: Any employee of a contractor or subcontractor who (1) has or will have continuing duties related to the contracted services and (2) has or will have direct contact with students. IDEA retains the discretion to determine what constitutes direct contact with students.

“Disqualifying Criminal History”: Any conviction or other criminal information designated by IDEA, including one or more of the following offenses:

1. A felony or misdemeanor offense that would prevent a person from obtaining certification as an educator under Texas Education Code § 21.060, including:
 - a. Crimes involving moral turpitude.
 - b. Crimes involving any form of sexual or physical abuse or neglect of a student or minor or other illegal conduct with a student or minor.
 - c. Crimes involving felony possession or conspiracy to possess, or any misdemeanor or felony transfer, sale, distribution, or conspiracy to transfer, sell, or distribute any controlled substance defined in Chapter 481, Texas Health and Safety Code.
 - d. Crimes involving school property or funds.
 - e. Crimes involving any attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit that would entitle any person to hold or obtain a position as an educator.
 - f. Crimes occurring wholly or in part on school property or at a school-sponsored activity; and
 - g. Felonies involving driving while intoxicated.
2. A felony offense under Title 5, Penal Code.
3. An offense on conviction of which a defendant is required to register as a sex offender.
4. An offense under the laws of another state or federal law that is equivalent to an offense under items (2) and (3) above where, at the time the offense occurred, the victim of the offense was under 18 years of age or was enrolled in a public school.
5. Any other offense that IDEA believes might compromise the safety of students, staff, or property.

Any contractor interested in participating in IDEA's bid and vendor services process must comply with the requirements of Texas Education Code § 22.0834 by working with the Texas Department of Public Safety to conduct fingerprint checks on employees prior to being awarded a contract. Contractors who fail to follow the fingerprint process will not be allowed to compete for IDEA contracts.

Please complete the information below:

I, the undersigned agent for Vendor, certify that [check one]:

None of the employees of Vendor and any subcontractors are “covered employees” as defined above. If this box is checked, I further certify that Vendor has taken precautions or imposed conditions to ensure that the employees of Vendor and any subcontractor will not become covered employees. Vendor will maintain these precautions or conditions throughout the time the contracted services are provided.

Or

Some or all of the employees of Vendor and any subcontractor are “covered employees.” If this box is checked, I further certify that:

1. Vendor has obtained all required criminal history and/or fingerprinting record information regarding its covered employees through the Texas Department of Public Safety as required by law.
2. If Vendor receives information that a covered employee subsequently has a reported criminal history, Vendor will immediately remove the covered employee from contract duties and notify IDEA in writing within three business days.
3. Upon request, Vendor will provide IDEA with the name and any other requested information regarding covered employees so that IDEA may obtain criminal history record information on the covered employees.
4. If IDEA objects to the assignment of a covered employee on the basis of the covered employee’s criminal history record information, Vendor agrees to discontinue using that covered employee to provide services to IDEA.
5. All covered employees hired after January 1, 2008, have completed the required background check process prior to performing any duties related to IDEA or having any direct contact with students.
