

Virtual Learning Program Attendance Policy

A. Attendance

Students participating in IDEA's Virtual Academy will attend school synchronously / live from 8:00am CST to 2:50pm CST daily. Teachers will take attendance for each class, and students are expected to attend the class virtually for the full class time. Students must be on camera throughout each class session in order to be counted present. Students who are not on camera will be marked absent.

Teachers will also use several methods to check attendance and verify student engagement; these may include monitoring to see that students have their cameras on and are visible in the class, having students interact with the teacher and other students verbally through the virtual environment, and asking students to respond to questions through a chat box, etc.

The official attendance time for all Virtual Academy classes is 9:50 a.m. CST.

B. Absences Requirements

If a student has need to be absent from a Virtual Academy class, parents must notify by emailing their Teacher and the Virtual Academy SIS Coordinator as soon as possible before the absence. Upon the student's return to school, the parent must provide a written note to the Virtual Academy SIS Coordinator that explains the absence. The note must be signed by a parent. If an absence note is not provided, the absences will be coded as unexcused.

Parents should also be aware of the following:

- Absence notes *must not* be provided to your child's teacher(s). Instead, absence notes must be provided to the Virtual Academy SIS Coordinator.
- All absences are considered "unexcused" until the Virtual Academy SIS Coordinator receives a written explanation of the absence.
- Students who have 10 or more unexcused absences in a 6-month period will be transitioned back to In-Person Learning.

Absences that are considered "excused" with parent note and/or documentation "Excused" or "Unexcused absences are determined based on provided written note

- Medical or dental appointments
- Personal illness (with a doctor's note)
- Death in immediate family
- Observing religious holy days
- Other excused absences identified in IDEA policy and the Student and Family Handbook and Student Code of Conduct.

*Please Note: Family vacations scheduled during regular school days are not acceptable absences and will be counted as unexcused regardless of the number of days.
