- a) Regarding the ordering period, it is estimated that there will be a high ordering period between June – August in preparation for the school year compared to other times of the school year?

**Answer:** Yes

- b) Would ordering need to be available year-round?

**Answer:** Yes

- c) Can IDEA provide volume and pricing for previous years?

**Answer:** On average, families purchase 3 shirts per child. Shirt pricing varied between \$10.95 for *Youth* sizes to \$17.95 for *Adult* sizes (S-XL).

- d) Does IDEA want to handle the exchanges of uniforms at the campus level, or will they require the vendor to address that?

**Answer:** Per the solicitation, the vendor(s) shall serve as the primary provider of customer service to IDEA families. Vendors should be prepared to accept exchanges based on size or fit, as well as returns for damaged items. Returns should be accommodated up to 30 days after the first day of school. In addition, the vendor(s) will be responsible for resolving any issues related to quality control, customer service, and/or collection of funds.
