1. Introduction and Purpose

- 1.1. IDEA Public Schools prepares students from underserved communities for success in college and citizenship. We are a growing network of 137 high-performing charter schools serving approximately 78,000 students located throughout the Austin, El Paso, Houston, Permian Basin, Rio Grande Valley, San Antonio, Tarrant County in Texas, as well as locations in Louisiana and Florida. IDEA Public Schools is planning to expand to Jacksonville, FL in 2022, Cincinnati, OH in 2022, and Arkansas in 2023. Although IDEA's growth is rapid, it is also well planned and carefully planned. Schools begin with select grade levels and grow as students advance to eventually reach full scale as a Pre-K-12 campus.
- 1.2. The mission of IDEA Public Schools is College for All. IDEA serves primarily low-income students in underserved areas of both rural and urban communities. Over 80% of IDEA students are considered low-income and one of every three students is the first in their family to go to college. Since our first graduating class in 2007, 100% of our seniors have been accepted and matriculated to a college or university every year for fourteen consecutive years. Thanks to a rigorous path to college that begins in Pre-K, IDEA students attend selective universities throughout the country, win national awards and scholarships, and complete college at a rate six times the national average for low-income students.

2. Background

- 2.1 IDEA Public Schools (therein after referred to as IDEA) is accepting proposals from vendors who can outfit IDEA campuses with new signage in accordance with their rebranding initiative. The budget for this project is \$889,628.14

We Act with Integrity

IDEA Team & Family are honest and take responsibility for our decisions and actions every day.

We Build Team & Family

We foster a sense of belonging and inclusivity by treating our IDEA Team & Family – students, staff, families, and our community – with compassion, respect, and humility. Our individual strengths and best efforts allow us to collaborate and support each other on the road to and through to college.

We Achieve Academic Excellence

We believe that preparing for college success is the best way to succeed in life. Every member of the IDEA Team & Family works together to ensure each student on every campus and in every classroom receives a high-quality education.

We Deliver Results

We set ambitious goals, hold ourselves and each other accountable for achieving results, and work hard so we succeed now and in college. Our results show what's possible and represent the collective effort and focus of the entire IDEA Team & Family.

We Ensure Equity

We set high expectations for ourselves and share compassion and empathy for every member of our IDEA Team & Family. We proactively address racism and discrimination and advocate for support and respect for ourselves and others.

We Bring Joy

We create a positive, uplifting, and joyful environment for every member of the IDEA Team & Family, every single day. We have a sense of optimism, and our traditions celebrate learning and growth.

We Sweat the Small Stuff

We embrace that achieving excellence lies in paying attention to and carrying out the details – the 'small stuff' – that go into our work as students. Every step of the way, the IDEA Team & Family prioritizes actions contributing to our mission of College for All.

The email subject line should read: Questions-#11-RFP-GNRL-2022 – IDEA Rebranding Signage Questions submitted by respondents and answers prepared by IDEA, along with Addenda to this RFP, if applicable, will be posted on the [Tyler Munis Self Service](#) website.

6.2 Oral answers provided by IDEA, or its agents shall not be binding. No modification or amendment to this RFP shall be valid unless it is set forth in writing, via a signed addendum or amendment from IDEA.

7. Proposer Responsibility

7.1. IDEA expects Vendors to be thoroughly familiar with all specifications and requirements of this RFP. Vendor's failure or omission to examine any relevant form, article, site, or document will not relieve Vendor from any obligation regarding this RFP. By submitting a Proposal, Vendor is presumed to concur with all terms, conditions, and specifications of this RFP. Any exception must be clearly defined and referenced to the proper paragraph in this RFP. Objections considered by IDEA as excessive or affecting vital terms may reduce or eliminate Vendor's prospects for award.

8.1. Proposals will represent a true and correct statement and shall contain no cause for claim of omission or error. Request for withdrawal of a Proposal is allowed based on proof of mechanical error; however, Vendor may be removed from approved vendor list.

9. False/Misleading Statements

9.1. Proposals which contain false or misleading statements, or which provide references which do not support an attribute or capability of the proposed system or service, may be rejected. If, in the opinion of IDEA, such information was intended to mislead IDEA in its evaluation of the Proposal and the attribute, condition, or capability as a requirement of the RFP, the Proposal shall be rejected.

10. Proposal Signatures

10.1. The Proposal must be signed by an individual with proper authority. The signature should indicate the title or position that the individual holds in the partner (if applicable).

Thus, the result will not be determined by price alone but upon the applicable criteria as listed under Evaluation Criteria referenced in this RFP.

12. Partnership Responsibilities

11.1 IDEA reserves the right to cancel service(s) due to unacceptable price variances. Advance notice/notification is expected (from awarded vendor) when a large market price (increase) occurs for a particular item. This will allow IDEA an opportunity to search and approve a substitute item or services of equal or greater quality.

11.2 All pricing and any award under this RFP shall be good for IDEA and any other entity purchasing through IDEA.

11.2.1 Prices may be decreased at any time after award through written contract amendment. If prices are affected by statute, regulation, administrative or judicial order, vendors may not include additional costs in billing to the end-user. Vendors must first provide IDEA written justification for any increase and IDEA must decide of applicability of the increase to the contract. In the event a vendor offers to provide a decrease in rates to its customers or potential customers for the same services provided for IDEA pursuant to its contract, the vendor must provide the same decrease in rates for IDEA. It is recommended that the vendor provide said rate decreases voluntarily. If IDEA learns of a decrease in rates and the decreased rate from the date of said decrease or the vendor's contract will be subject to cancellation at the discretion of IDEA. Any charges not proposed but required to make this services viable will be considered a hidden cost and will be provided by the vendor at no additional cost to IDEA for the term of the contract.

13. Contract Period

12.1 The agreement(s) resulting from this solicitation will be in effect for an initial term of one (1) year from the date of award or such date established by the agreement. A separate contract will be executed with the awarded vendor for each non-Texas region. The parties, by mutual written agreement, may renew the agreement for up to two (2) additional one (1) year periods. In addition, IDEA reserves the right to extend the contract for an additional sixty (60) days beyond the final expiration date, if necessary, to ensure no lapse in service.

Edgar Certifications and Representations
(Education Department General Administrative Guidelines)

With respect to the use of federal funds for the procurement of goods and services, 2 CFR 200.326 and Appendix II to 2 CFR 200 require the inclusion of the following contract provisions.

1. Remedies for Contract Breach or Violations. Contracts for more than the simplified acquisition threshold currently set at \$250,000 must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms and provide for such sanctions and penalties as appropriate.
2. Termination for Cause and Convenience. All contracts in excess of \$10,000 must address termination for cause and for convenience by THE SCHOOL including the manner by which it will be affected and the basis for settlement.
3. Equal Employment Opportunity. Except as otherwise provided under 41 CFR 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR 1964–1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
4. Davis-Bacon Act. When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by the school and the charter districts must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The school and the charter districts must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The school and the charter districts must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The school and the charter districts must report all suspected or reported violations to the Federal awarding agency.
5. Contract Work Hours and Safety Standards Act. Where applicable, all contracts awarded by the school and the charter districts in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard workweek of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the workweek. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
6. Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under 37 CFR 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under

Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

7. Clean Air Act and the Federal Water Pollution Control Act. Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the contractor to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

9. Debarment and Suspension. A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), “Debarment and Suspension.” The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
10. Byrd Anti-Lobbying. Contractors that apply or bid for an award of \$100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier.
11. Procurement of Recovered Materials. The school, the charter districts and their contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
