

Notice to Parents Regarding Medication Policy

Dear Parent/Guardian:

To protect your child's safety, the school licensed practical nurse and/or health aide (as designated by the principal) will adhere to the following medication policy. It is required that BOTH parent AND physician's signatures are on file before any prescription.

Although this may cause some inconvenience, we believe this policy is best for the continued protection of your child's safety and therefore must be followed. If we do not have your written permission and the written permission of your physician, the medication will not be given. Permission forms can be obtained by contacting your school licensed practical nurse or health aide or the school office.

For your child to receive any medication at school, please follow below medication policy:

- All Action/Care Plans will need to be submitted with a Medication Consent form.
- Administration consent form must be completed and signed by physician, parent, or legal guardian. **NO VERBAL CONSENT OR PHONE CONSENT WILL BE ACCEPTED.**
- New permission forms must be re-submitted each school year and are necessary for any changes in medication orders.
- Over the counter medications (OTC) forms are required to be filled out and signed by parent/guardian annually. No OTC medication(s) will be administered without written consent.
- I agree to notify the school if I change physicians or if the prescription is changed or discontinued.
- Prescription medication must be in the original container with the pharmacy (U.S.A. only) label. The container must have a proper label with the name of the patient, the name of the medicine, and the dosage.
- Only students with written authorization from their physician and parents are allowed to self-carry medications. This authorization shall be provided to the clinic prior to the student's ability to self-carry emergency medications.
- Medication will be kept in a secure place in the health clinic during school hours. No medication shall be held in classrooms or backpacks at any time. Any medications brought in by students or found in a student's possession will be taken to the health clinic and remain in the clinic until a parent signs the consent form or picks up medication.
- The medication and the signed permission forms must be brought to the school by the parent or guardian and delivered to the campus clinic health aide. Students are not to be sent to campus with medications.
- Wherever possible, please include a photo of your child with the permission form.
- It is the parent or guardian's responsibility to deliver the medication to the school health clinic and have the medication picked up at the end of the year. Medication not picked up by the end of the year will be discarded.
- When the medication is almost completed, please send the refill to school promptly.
- If your child is taken off medication, will no longer receive it at school, or if the prescription otherwise changes, please provide a dated, written note with updated prescription information of such changes as soon as possible. If medication is not picked up from the school office within ten (10) days, it will be properly disposed of.
- Medication that is expired or has a listed discard date will not be administered to students past indicated date.
- The first dose of any new medication shall not be administered at school due to the possibility of an allergic reaction.

Please contact the principal or his/her designee if you have any questions.
Thank you for your cooperation.

Aviso a los padres sobre la política de medicamentos

Estimado Padre / Tutor:

Para proteger la seguridad de su hijo, la enfermera practicante con licencia de la escuela y/o el asistente de salud (según lo designe el director) se adherirá a la siguiente política de medicamentos. Se requiere que AMBOS padres y las firmas del médico estén archivadas antes de cualquier receta.

Aunque esto puede causar algunos inconvenientes, creemos que esta política es la mejor para la protección continua de la seguridad de su hijo y, por lo tanto, debe seguirse. Si no tenemos su permiso por escrito y el permiso por escrito de su médico, no se administrará el medicamento. Los formularios de permiso se pueden obtener comunicándose con la enfermera práctica autorizada o el asistente de salud de su escuela o con la oficina de la escuela.

Para que su hijo reciba cualquier medicamento en la escuela, siga la siguiente política de medicamentos:

Todos los planes de acción/cuidado deberán presentarse con un formulario de consentimiento de medicamentos.

- El formulario de consentimiento de administración debe ser completado y firmado por un médico, padre o tutor legal. **NO SE ACEPTARÁ CONSENTIMIENTO VERBAL NI TELEFÓNICO.**
- Los nuevos formularios de permiso deben volver a presentarse cada año escolar y son necesarios para cualquier cambio en las órdenes de medicamentos.
- Los formularios de medicamentos de venta libre (OTC) deben ser llenados y firmados por el padre/tutor anualmente. No se administrarán medicamentos de venta libre sin el consentimiento por escrito.
- Acepto notificar a la escuela si cambio de médico o si la receta se cambia o se interrumpe.
- Los medicamentos recetados deben estar en el envase original con la etiqueta de la farmacia (solo en EE. UU.). El envase debe tener una etiqueta adecuada con el nombre del paciente, el nombre del medicamento y la dosis.
- Solo los estudiantes con autorización por escrito de su médico y sus padres pueden llevar sus propios medicamentos. Esta autorización se proporcionará a la clínica antes de que el estudiante pueda llevar consigo los medicamentos de emergencia.
- Los medicamentos se mantendrán en un lugar seguro en la clínica de salud durante el horario escolar. No se guardarán medicamentos en las aulas o mochilas en ningún momento. Cualquier medicamento traído por los estudiantes o que se encuentre en posesión de un estudiante será llevado a la clínica de salud y permanecerá en la clínica hasta que un padre firme el formulario de consentimiento o recoja el medicamento.
- El medicamento y los formularios de permiso firmados deben ser llevados a la escuela por el padre o tutor y entregados al asistente de salud de la clínica del campus. Los estudiantes no deben ser enviados al campus con medicamentos.
- Siempre que sea posible, incluya una foto de su hijo con el formulario de autorización.
- Es responsabilidad del padre o tutor entregar el medicamento a la clínica de salud de la escuela y recoger el medicamento al final del año. Los medicamentos que no sean recogidos al final del año serán desechados.
- Cuando el medicamento esté casi terminado, envíe la recarga a la escuela de inmediato.
- Si a su hijo se le retira el medicamento, ya no lo recibirá en la escuela, o si la receta cambia de otro modo, proporcione una nota escrita con fecha con información actualizada de la receta de dichos cambios tan pronto como sea posible. Si el medicamento no se recoge en la oficina de la escuela dentro de los diez (10) días, se desechará correctamente.
- Los medicamentos que estén vencidos o que tengan una fecha de descarte indicada no se administrarán a los estudiantes después de la fecha indicada.
- La primera dosis de cualquier medicamento nuevo no se administrará en la escuela debido a la posibilidad de una reacción alérgica.

Comuníquese con el director o su designado si tiene alguna pregunta.
Gracias por su cooperación.
