BUY AMERICAN PROVISION (if applicable): IDEA requires for domestic end products and supplies for use in the United States when spending federal funds. IDEA, participating in the National School Lunch Program (NSLP), School Breakfast Program (SBP), Special Milk Program for Children, Summer Food Service Program and/or Child and Adult Care Food Programs, is required by law to use nonprofit School Nutrition Program (SNP) funds, to the maximum extent practicable, to buy domestic commodities and products. A "domestic commodity or product" is defined as an agricultural commodity that is produced in the United States and a food product that is processed in the United States substantially using agricultural commodities produced in the United States. "Substantially" means over 51 percent (51%) of the final processed product must consist of agricultural commodities that were grown domestically. For foods that are unprocessed, agricultural commodities must be domestic and for foods that are processed, they must be processed domestically using agricultural food components that are comprised of over 51% domestically grown items, by weight or volume. Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are considered domestic products under this provision as these products are from the territories of the United States. The product label must designate the United States, or its territories, as the country of origin. IDEA requires Vendor to certify compliance with the Buy American provision, as defined in 7 CFR § 210.21(d).

1. Vendors shall provide certification of the domestic content in the parts, components, and other elements contained in the product, including specific information about the percentage of U.S. content from the supplier (i.e., manufacturer or distributor). In the event Vendor or Vendor's supplier(s) are unable or unwilling to certify compliance with the Buy American provision, or applicability of an exception to the Buy American provision, IDEA may decide not to purchase from Vendor. IDEA may require country of origin on all products and invoices submitted for payment by Vendor, and Vendor agrees to comply with any such requirement. **Any exception to the Buy**

Bidder's Initials: _____

American Provision must be explicitly stated on the deviations of this proposal and include the country of origin, and percent (%) of U.S. content for each item. Exceptions to the Buy American provision are very limited; however, an alternative or exception may be approved by IDEA upon request. To be considered for an alternative or exception, the request must be submitting in writing to a designated official of IDEA in advance of delivery; IDEA may set a deadline for such requests to be submitted by Vendor. The request must include:

- a. Alternative substitute(s) that are domestic and meet the required specifications:
 - ii) Price of the domestic food alternative substitute(s); and
 - iii) Availability of the domestic alternative substitute(s) in relation to the quantity ordered.
- b. Reason for exception: limited/lack of availability or price (include price):
 - iv) Price of the domestic food product; and
 - v) Price of the non-domestic product that meets the required specification of the domestic product.

See 7 CFR § 210.21(d), and USDA-FNS memo SP 38-2017 Compliance with and Enforcement of the Buy American Provision in the National School Lunch Program. The Buy American provision applies to all purchases made with School Nutrition Program (SNP) funds.

All goods and/or services provided by the Vendor under this Agreement must be warranted to be free from defects in material, workmanship, and free from such defects in design for a period of one (1) year upon the later of IDEA's acceptance of the product and/or service or payment of the applicable invoice. If the Vendor's/manufacture's warranty is less than the required period, the Vendor shall warrant the goods and/or services to the full extent as provided by the Vendor/manufacture. IDEA will endeavor to give the contractor written notice of the breach of warranty within thirty (30) days of the discovery of the breach of warranty, but failure to give timely notice shall not impair IDEA's rights under this section. Vendor warrants that any services rendered by the Vendor in relation to warranty of items will be fully and timely performed in a professional and workmanlike manner in accordance with generally accepted industry standards and practices, the terms, conditions, and covenants of the Agreement, and all applicable Federal, State, and local laws, rules, and regulations. Vendor warrants that all goods and/or services furnished under this Agreement shall conform in all respects to the terms of this Agreement, including, without limitation, those detailed in the procurement solicitation issued by IDEA. In addition, Vendor warrants that goods and/or services are suitable for and will perform in accordance with the purchases for which they are intended. Vendor shall assume all liabilities incurred within the scope of the consequential damages and incidental expenses, as set forth in the vendor or manufacturer's warranty, which result from either delivery or use of product, which does not meet the specifications within this Agreement, the procurement solicitation, or Purchase Order
3. IDEA reserves the right to accept or reject any or all proposals received or to cancel or extend in part or its entirety, this RFP, or make multiple or partial awards.

IDEA does not commit to a reimbursement of any costs incurred in the preparation of a response nor commit to pay for any costs incurred prior to the execution of a formal purchase agreement or contract unless such costs are specifically authorized in writing by IDEA.
10. IDEA reserves the right to contact any individual, agency, or employers listed in the RFP, to contact others who may have experience and/or knowledge of the respondent's goods/supplies, relevant performance, qualifications, etc., and to request additional information from any and all respondents.
11. Respondents shall not, under penalty of law, offer any gratuities, favors, or anything of monetary value to any officer or employee of IDEA, or to any consultant, employee, or member of IDEA for the purpose of or having the effect of influencing favorable disposition toward their own proposal or any other bid submitted hereunder.

**Model SB9 Contractor Certification
Independent Contractor**

Introduction: Texas Education Code Chapter 22 requires an independent contractor who provides services to a school district to submit to a criminal history review if the independent contractor will have continuing duties related to the contracted services and direct student contact. Each independent contractor must certify to the District that the contractor has complied.

The district may not obtain criminal histories for individual independent contractors: The law requires each contractor to obtain the criminal histories of its covered employees. For more information or to set up an account, a contractor should contact the Texas Department of Public Safety's Crime Records Services at (512) 424-2474.

A covered independent contractor with a disqualifying criminal history is prohibited from serving at a school district. The following offenses are disqualifying: (1) a conviction or other criminal history information designated by the District; or (2) one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school: (a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas code of Criminal Procedure, (c) an equivalent offense under federal law or the laws of another state.

I certify to IDEA Public Schools Independent School District ("District") that I have obtained all required criminal history record information regarding myself through the Texas Department of Public Safety's Fingerprint-base Applicant Clearinghouse of Texas (FACT). I further certify to the District that I do not have disqualifying criminal history. I agree to notify the District in writing within 3 business days if I am arrested or adjudicated for a disqualifying reason during the contract term.

I agree to provide the District, upon request, my full name and any other requested information so that the District may obtain my criminal history record information. I understand that the District may terminate my services at any time if the District determines, at its sole discretion, that my criminal history is not acceptable.

Noncompliance or misrepresentations regarding this certification may be grounds of contract termination.

4. *Davis-Bacon Act.* When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by the school and the charter districts must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The school and the charter districts must place a copy of the current prevailing wage determination issued by the Department of Labor in each

The school and the charter districts must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The school and the charter districts must report all suspected or reported violations to the Federal awarding agency.

5. *Contract Work Hours and Safety Standards Act.* Where applicable, all contracts awarded by the school and the charter districts in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
6. *Rights to Inventions Made Under a Contract or Agreement.* If the Federal award meets the definition of “funding agreement” under 37 CFR 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

7. *Clean Air Act and the Federal Water Pollution Control Act.* Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the contractor to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
8. *Energy Efficiency Standards and Policies.* Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).
9. *Debarment and Suspension.* A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), “Debarment and Suspension.” The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
