**Model SB9 Contractor Certification  
Independent Contractor**

**Introduction:** Texas Education Code Chapter 22 requires an independent contractor who provides services to a school district to submit to a criminal history review if the independent contractor will have continuing duties related to the contracted services and direct student contact. Each independent contractor must certify to the District that the contractor has complied.

The district may not obtain criminal histories for individual independent contractors: The law requires each contractor to obtain the criminal histories of its covered employees. For more information or to set up an account, a contractor should contact the Texas Department of Public Safety's Crime Records Services at (512) 424-2474.

A covered independent contractor with a disqualifying criminal history is prohibited from serving at a school district. The following offenses are disqualifying: (1) a conviction or other criminal history information designated by the District; or (2) one of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school: (a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas code of Criminal Procedure, (c) an equivalent offense under federal law or the laws of another state.

---

I certify to IDEA Public Schools Independent School District ("District") that I have obtained all required criminal history record information regarding myself through the Texas Department of Public Safety's Fingerprint-base Applicant Clearinghouse of Texas (FACT). I further certify to the District that I do not have disqualifying criminal history. I agree to notify the District in writing within 3 business days if I am arrested or adjudicated for a disqualifying reason during the contract term.

I agree to provide the District, upon request, my full name and any other requested information so that the District may obtain my criminal history record information. I understand that the District may terminate my services at any time if the District determines, at its sole discretion, that my criminal history is not acceptable.

Noncompliance or misrepresentations regarding this certification may be grounds of contract termination.

2. *Termination for Cause and Convenience.* All contracts in excess of \$10,000 must address termination for cause and for convenience by THE SCHOOL including the manner by which it will be affected and the basis for settlement.
3. *Equal Employment Opportunity.* Except as otherwise provided under 41 CFR 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR 1964–1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
4. *Davis-Bacon Act.* When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by the school and the charter districts must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The school and the charter districts must place a copy of the current prevailing wage determination issued by the Department of Labor in each

The school and the charter districts must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The school and the charter districts must report all suspected or reported violations to the Federal awarding agency.

5. *Contract Work Hours and Safety Standards Act.* Where applicable, all contracts awarded by the school and the charter districts in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
6. *Rights to Inventions Made Under a Contract or Agreement.* If the Federal award meets the definition of “funding agreement” under 37 CFR 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

7. *Clean Air Act and the Federal Water Pollution Control Act.* Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the contractor to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

9. *Debarment and Suspension.* A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), “Debarment and Suspension.” The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
