## PART I - GENERAL INFORMATION

### 1.1 BACKGROUND

IDEA Public Schools prepares students from underserved communities for success in college and citizenship. We are a growing network of 125 high-performing charter schools serving approximately 76,000 students located throughout the Austin, El Paso, Houston, Permian Basin, Rio Grande Valley, San Antonio, Tarrant County in Texas. Schools begin with select grade levels and grow as students advance to eventually reach full scale as a Pre-K-12 campus. The mission of IDEA Public Schools is College for All. IDEA serves primarily low-income students in underserved areas of both rural and urban communities. Over 86% of IDEA students are considered low income and one of every three students is the first in their family to go to college. Since our first graduating class in 2007, 100% of our seniors have been accepted and matriculated to a college or university every year for fifteen consecutive years. Thanks to a rigorous path to college that begins in Pre-K, IDEA students attend selective universities throughout the country, win national awards and scholarships, and complete college at a rate six times the national average for low-income students.

IDEA will endeavor to give the contractor written notice of the breach of warranty within thirty (30) days of the discovery of the breach of warranty, but failure to give timely notice shall not impair IDEA's rights under this section. Vendor warrants that any services rendered by the Vendor in relation to warranty of items will be fully and timely performed in a professional and workmanlike manner in accordance with generally accepted industry standards and practices, the terms, conditions, and covenants of the Agreement, and all applicable Federal, State, and local laws, rules, and regulations. Vendor warrants that all goods and/or services furnished under this Agreement shall conform in all respects to the terms of this Agreement, including, without limitation, those detailed in the procurement solicitation issued by IDEA. In addition, Vendor warrants that goods and/or services are suitable for and will perform in accordance with the purchases for which they are intended. - 18) IDEA reserves the right to contact any individual, agency, or employers listed in the RFP, to contact others who may have experience and/or knowledge of the respondent's goods/supplies, relevant performance, qualifications, etc., and to request additional information from any and all respondents.

**Instruction to bidder:** With respect to the use of federal funds for the procurement of goods and services, pursuant to § 200.326 of Title 2 to the Code of Federal Regulations (“2 CFR”) and Appendix II to 2 CFR 200, the following contract provisions are hereby made a part of this IFB and the resulting contract between IDEA Public Schools (“School”) and Bidder. A duly authorized representative must sign this form in blue ink. Failure to complete this form pursuant to this and other instruction shall disqualify the bid.

- A. **Remedies for Contract Breach or Violations.** Contracts for more than the simplified acquisition threshold currently set at \$250,000 must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms and provide for such sanctions and penalties as appropriate.
- B. **Termination for Cause and Convenience.** All contracts in excess of \$10,000 must address termination for cause and for convenience by the School, including the manner by which it will be affected and the basis for settlement.
- C. **Equal Employment Opportunity.** Except as otherwise provided under 41 CFR 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR 1964–1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
- D. **Davis-Bacon Act.** When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by School must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. School must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. School must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the

Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The School must report all suspected or reported violations to the Federal awarding agency.

- E. Contract Work Hours and Safety Standards Act. Where applicable, all contracts awarded by School in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

If the Federal award meets the definition of “funding agreement” under 37 CFR 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
- H. Energy Efficiency Standards and Policies. Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

- I. Debarment and Suspension. A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
- J. Byrd Anti-Lobbying. Contractors that apply or bid for an award of \$100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. 5. Any other offense that IDEA believes might compromise the safety of students, staff, or property.

Any contractor seeking to enter into a service agreement with IDEA must comply with the requirements of Texas Education Code § 22.0834 by working with the Texas Department of Public Safety to conduct fingerprint checks on employees prior to beginning services. **Exhibit 4 – Debarment or Suspension Certificate**

IDEA is prohibited from contracting with or making sub-awards under covered transaction to parties that are suspended or debarred or whose owners/members/principals and certain employees are suspended or debarred. Contractor must certify that it and its owners/members/principals are not suspended or debarred under federal law and rule.

By submitting signing contract and this certificate, Contractor certifies that no suspension or debarment is in place, which would otherwise preclude Contractor or its Owner/Members/Principals or employees from receiving a federally funded contract under applicable federal regulations and federal OMB Circulars.

## **Exhibit 5 – Contract Provisions; Contracts Involving Federal Funds**

With respect to the use of federal funds for the procurement of goods and services, 2 CFR 200.326 and Appendix II to 2 CFR 200 require the inclusion of the following contract provisions.

1. *Remedies for Contract Breach or Violations*. Contracts for more than the simplified acquisition threshold currently set at \$150,000 must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
2. *Termination for Cause and Convenience*. All contracts in excess of \$10,000 must address termination for cause and for convenience by the school including the manner by which it will be effected and the basis for settlement.
3. *Equal Employment Opportunity*. Except as otherwise provided under 41 CFR 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR 1964–1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
4. *Davis-Bacon Act*. When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by the school and the charter districts must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146– 3148) as supplemented by Department of Labor regulations (29 CFR 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The school and the charter districts must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The school and the charter districts must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The school and the charter districts must report all suspected or reported violations to the Federal awarding agency.
5. *Contract Work Hours and Safety Standards Act*. Where applicable, all contracts awarded by the school and the charter districts in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR 5). Under 40 U.S.C. 3702 of the Act, each contractor must

be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. *Rights to Inventions Made Under a Contract or Agreement*. If the Federal award meets the definition of "funding agreement" under 37 CFR 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.
7. *Clean Air Act and the Federal Water Pollution Control Act*. Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the contractor to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
8. *Energy Efficiency Standards and Policies*. Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).
9. *Debarment and Suspension*. A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), "Debarment and Suspension." The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
10. *Byrd Anti-Lobbying*. Contractors that apply or bid for an award of \$100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier.

11. Procurement of Recovered Materials. The school, the charter districts and their contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
