

## **Calamity Day Make-up Policy**

Prior to August 1 of each school year, the Board may adopt a plan that requires students to access and complete classroom lessons posted on the School's website in order to make up hours in that School year on which it is necessary to close the School for any of the following reasons:

1. Disease epidemic;
2. Hazardous weather conditions;
3. Law enforcement emergencies;
4. Inoperability of school buses or other equipment necessary to the school's operation;
5. Damage to the school building; or
6. Other temporary circumstances due to utility failure rendering the school building unfit for school use.

A plan adopted by the Board shall provide for making up any number of hours, up to a maximum of the equivalent of three (3) school days. The plan must provide for the following:

1. Not later than November 1, each classroom teacher shall develop a sufficient number of lessons for each course taught by the teacher that school year to cover the number of make-up hours specified in the plan. The teacher shall designate the order in which the lessons are to be posted on the School's website in the event of a school closure.
2. To the extent possible and necessary, a classroom teacher shall update or replace, based on current instructional progress, one or more of the lesson plans before they are posted on the website.
3. As soon as possible after a school closure, a school employee responsible for website operations shall make the designated lessons available to students on the School's site. A lesson shall be posted for each course that was scheduled to meet during the hours of the closure.
4. Each student enrolled in a course for which a lesson is posted on the site shall be granted a two (2) week period from the date of posting to complete the lesson. The student's classroom teacher shall grade the lesson in the same manner as other lessons. The student may receive an incomplete or failing grade if the lesson is not completed on time.
5. If a student does not have access to a computer at the student's residence and the plan does not include "blizzard bags" (see below), the student shall be permitted to work on the posted lessons at the School after the School reopens. If the lessons were posted prior to the reopening, the student shall be granted a two (2) week period from the date of the

reopening, rather than from the date of posting as otherwise required. The School may provide the student access to a computer before, during, or after the regularly scheduled school day or may provide a substantially similar paper lesson in order to complete the lessons.

### Blizzard Bags

In addition to posting classroom lessons online, the School may include in the plan distribution of “blizzard bags,” which are paper copies of the lessons posted online. If the School opts to use blizzard bags, teachers shall prepare paper copies in conjunction with the lessons to be posted online and update the paper copies whenever the teacher updates the online lesson plans. The plan must specify the method of distribution of blizzard bag lessons, which may include, but not be limited to, requiring distribution by a specific deadline or requiring distribution prior to anticipated school closure as directed by the Principal.
