Control of Communicable Diseases

The School recognizes that control of the spread of communicable disease is essential to the well-being of the school community and to the efficient operation of the School.

For purposes of this policy, "communicable diseases" shall include Amebiasis Campylobacteriosis, Chickenpox, Cholera, COVID-19, Conjunctivitis, Cryptosporidiosis, Cyclosporiasis, Diarrhea (infectious or of unknown cause), Diphtheria, Ebola Virus, Escherichia coli (E. coli) O157:H7 or hemolytic uremic syndrome (HUS), Giardiasis, Hepatitis A, Measles, Meningitis (aseptic, and viral meningoencephalitis, but not including arthropod-borne disease), Meningococcal disease, Mumps, Pediculosis, Pertussis (whooping cough), Plague, Rubella, Salmonellosis, Scabies, Shigellosis, Smallpox, Streptococcal infection, Tuberculosis (TB), Typhoid fever, Typhus, Viral hemorrhagic fever (VHF), Yellow fever, and Yersiniosis. This list is not exhaustive and may be modified in accordance with State and Federal law.

In order to protect the health and safety of the students, school personnel, and the community at large, the School shall follow all state and federal laws and Board of Health regulations that pertain to communicable disease.

On the recommendation of a physician or a nurse, a teacher may exclude from the classroom and the Principal or his/her designee may exclude from the building or isolate in the School any student who appears to be ill or has been exposed to a communicable disease.

The School shall:

- 1. instruct teaching staff members in the detection of disease and measures for its prevention and control:
- 2. remove from School property to the care of a responsible adult any student identified and excluded in accordance with this policy;
- prepare standards for or follow the health department of Center for Disease Control guidelines for the readmission of a student who has recovered from communicable disease; and
- 4. file reports as required by law and the State Department of Health.

Specific procedures outlined in the Appendices should be adhered to where applicable.
