

Dangerous Weapons

Any visitor found possessing a weapon or other device designed to inflict serious bodily harm on School premises or on property being used by the School for School purposes may be charged with a felony. This restriction applies to visitors licensed to possess firearms unless serving as an authorized security officer or unless the Governing Authority has provided them with written authorization to convey or possess deadly weapons or dangerous ordnance in(to) the school safety zone. This policy does not apply to law enforcement personnel or state or federal officers, agents, or employees who are authorized to carry a deadly weapon or dangerous ordnance and are acting within the official duties of such position.

The Principal or his/her designee shall ensure that any visitor possessing a weapon or other device designed to inflict serious bodily harm is reported immediately to the appropriate law enforcement agency.

A weapon may be brought on School property for educational purposes under controlled circumstances when authorized by the Principal or his/her designee.
