

## **Disciplining a 504 Student**

### Section 504 Manifestation Determination Reviews

A Student on a 504 Plan is to be afforded due process relating to any proposed change in educational placement where the Student is subject either to expulsion or suspension for a period of more than ten (10) consecutive school days or a series of suspensions that are each ten (10) or fewer school days in duration, but exceed ten (10) school days in the aggregate and create a pattern of exclusions. In all such cases, except in the case where such suspension or expulsion pertains to the use or possession of illegal drugs or alcohol as detailed below, the School shall follow the procedures outlined in Discipline/Suspension/Expulsion of Disabled Students.

### Disciplinary Procedures for Students Possessing or Using Alcohol or Illegal Drugs

The School may take disciplinary action pertaining to the use or possession of illegal drugs or alcohol against any Student on a 504 Plan who currently is engaging in the illegal use of drugs or in the use of alcohol to the same extent that such disciplinary action is taken against Students without disabilities, in accordance with Expulsion and Suspension Policies. In such a case, the disability due process procedures found in Discipline/Suspension/Expulsion of Disabled Students are inapplicable.

### Emergency Removal from Placement

Emergency removal of a 504 student from his/her current placement may take place through parental agreement to an interim placement or through injunctive relief from a court, when the current placement presents a substantial likelihood of resulting in injury to the student or others.
