

Emergency Medical Authorization

The School will annually distribute to parents or guardians of all students the “Health & Fitness Parental Consent Form” and the “Emergency Medical Authorization Form.” In the event emergency medical treatment for a student is necessary, the School will adhere to the instructions on the authorization form.

Emergency Medical Authorizations will be kept in a separate, easily accessible file in the care of the Principal or his/her designee during the school year. At the end of the school year, the authorizations will be stored until being replaced the following school year.

Any time a student or a group of students are taken away from the School's facilities as participants in a school event, the staff in charge of the event must take the Emergency Medical Authorizations for those students. This includes, and is not limited to, music trips, athletic trips, field trips, and academic contest participants. This does not include student spectators at events.

Whenever it is necessary for staff members to use emergency procedures in order to care properly for a student, they are to take standard safety precautions, follow the procedures described in the Emergency Medical Procedures policy, and are not to abide by any “Do Not Resuscitate” (DNR) agreement that may exist for a student, unless ordered to do so by a court of law.
