

## Food Standards Policy

The Board shall create standards for the types of food and beverages sold or provided in the School and the time and place each type of food and beverage is sold or provided, in accordance with state law and based on the following guidelines:

- A. The types of food and beverages sold in the School will
  1. promote student health and reduce childhood obesity,
  2. significantly benefit the daily nutritional needs of students (per U.S. Department of Agriculture guidelines),
  3. align with School Wellness Policy requirements, and
  4. follow requirements provided under state and federal law.
- B. The Board or its designee shall consult with a licensed dietician, a registered dietetic technician or a certified/credentialed school nutrition specialist to assist in drafting a plan:
  1. for complying with and enforcing the nutritional standards governing the types of food and beverages that may be sold on the School premises in compliance with State law; and
  2. specifying the time and place each type of food or beverage may be sold.
- C. The times and locations of food and beverage sales to students on school grounds will be assigned based on nutrient intake needs and eating patterns of students and align with class schedules. With regard to non-breakfast/lunch food and beverage sales:
  1. The School will not operate vending machines offering foods or beverages that do not meet the nutritional standards established by the School during the school lunch period. The Board reserves the right to totally restrict the sale of non-nutritional foods and beverages in vending machines.
  2. Bake sales and other school fundraising activities involving food and beverage items may not be held during a school meal period. The School will limit the frequency of bake sales and other food based fundraisers where non-nutritional foods and beverages will be sold based on the standard established by the Department of Education.
- D. The types of food and beverages provided, but not sold, to students will align with the School Wellness Program and any applicable requirements provided under state law. The Board may provide parents with a list of acceptable snacks that may be provided in the School.
- E. Annually, the food services supervisor shall review and report the School's compliance with these standards to the Board and to the Ohio Department of Education. The Board may establish separate standards regulating the types of food and beverages to be sold to Staff Members and for special or extracurricular events.

This policy applies to the sale or provision of foods from the midnight before the school day until 30 minutes after the end of the regular school day on school premises. School premises, for the purpose of this policy, include any areas of property under the School's jurisdiction that is accessible to students during the regular school day.
