

Migrant Students

In order to obtain funding under Title I, Part C, federal law mandates that the School adopt comprehensive educational programs for its migrant students during the school year and, as applicable, during the summer or intersession periods, to address the unique educational needs of migrant children.

The School will ensure that its migrant students are provided with the opportunity to meet the state's academic achievement standards.

The School will help its migrant students overcome educational disruption, cultural and language barriers, social isolation, health-related problems, and other factors that inhibit their ability to learn and to succeed in school.
