

## **Parental Consultation Regarding Physical Exams**

The School shall notify parents or students who are at least eighteen (18) years of age or emancipated minors (“eligible students”) at least annually of the projected or approximate dates of any non-emergency, invasive physical exam that is required as a condition of attendance, administered by the school and scheduled in advance and not necessary to protect the immediate health and safety of the student, or of other students. “Invasive physical exam” means any medical examination that involves exposure of private body parts, or any act during such examination that includes incision, insertion, or injection into the body, but does not include a hearing, vision, or scoliosis screening. This section does not apply to any physical exam or screening that is permitted or required by state law. Parents or eligible students shall have the right to opt out of participation in any physical exams covered by this section.
