

Physical Education Waiver

Any student who, during high school, has participated in either two full seasons of interscholastic athletics, marching band, show choir, or cheerleading, or has participated in the junior reserve officer training corps (“JROTC”) for at least two (2) full school years, shall not be required to complete any physical education course as a condition to graduate. In lieu of a physical education course, the student shall be required to complete one-half (1/2) unit, consisting of at least sixty (60) hours of instruction, in another course of study. Credit received for participation in the junior reserve officer training corps may be used to satisfy the requirement to complete one-half (1/2) unit in another course of study.

Nothing in this policy denies participation in any physical education course to students who want to participate.
