

Procurement of Inhaler/Epinephrine Autoinjector for Emergency Use

The School chooses not to procure or attempt to procure Inhalers and/or Epinephrine Autoinjectors (“Epi-Pens”) to be available on the premises of the School for use in emergency situations.

Should the Board decide to procure Inhalers or Epi-Pens in the future, the School will consult with a licensed health professional authorized to prescribe drugs to obtain a Prescriber-Issued Protocol and adopt a policy addressing the procurement of Inhalers and/or Epi-Pens, prior to any such procurement.
