

## **Sexual and Other Forms of Harassment**

Students have the right to learn in an environment untainted by sexual or other forms of harassment or discrimination. Offensive conduct that has the purpose or effect of unreasonably interfering with the learning atmosphere or creating an intimidating, hostile, discriminatory, or offensive learning environment, or which disrupts the educational process or impedes the legitimate pedagogical concerns of the School, is strictly prohibited.

Sexual harassment includes all unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature. Other prohibited conduct includes that which has the purpose or effect of creating an intimidating, hostile, discriminatory, or offensive learning environment on the basis of gender, religion, race, color, ethnicity, disability, and/or other legally protected category.

The harassment by a student of a staff member or fellow student is strictly forbidden. Any student who is found to have harassed a staff member or student will be subject to discipline.

The harassment of a student or a staff member should be reported immediately by the student or staff member to any teacher or to the Principal or his/her designee. Any person who receives such a report shall immediately advise the Principal or his/her designee or a Board member, who will investigate and take appropriate action in accordance with Board directives.

Should any School employee, or School official who has authority to institute corrective measures on behalf of the School, receive notice of sexual harassment or allegations of sexual harassment, they shall immediately report it to the Title IX Coordinator for further action in accordance with Board directives.
