

IDEA Public Schools

Rio Vista College Prep

2022-2023 Campus Improvement Plan

Accountability Rating: A

Distinction Designations:

Academic Achievement in English Language Arts/Reading
Academic Achievement in Mathematics
Academic Achievement in Social Studies
Top 25 Percent: Comparative Academic Growth
Top 25 Percent: Comparative Closing the Gaps
Postsecondary Readiness

Board Approval Date: October 21, 2022
Public Presentation Date: September 15, 2022

Mission Statement

IDEA Public Schools prepare students from underserved communities for success in college and citizenship.

Vision

To ensure students reach their potential, IDEA Public Schools will become the region's largest creator of college graduates.

Core Values

Our drive to translate our mission and vision into reality are based upon the following core values:

- We achieve **Academic Excellence**
- We deliver **Results**
- We ensure **Equity**
- We build **Team & Family**
- We act with **Integrity**
- We bring **Joy**
- We **Sweat the Small Stuff**

Comprehensive Needs Assessment

Revised/Approved: September 15, 2022

Demographics

Demographics Summary

IDEA Rio Vista College Prep is an open enrollment public charter serving grades 6th - 10th grade. We proudly serve a diverse array of scholars. Our special programs include CTE, Emerging Bilingual, Special Education, and Athletics).

See PDF in Addendum for more information.

Demographics Strengths

See PDF in Addendum for more information.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Enrollment numbers are decreasing in transitional years such as 5th grade and 8th grade. We have seen the highest persistence leavers during summer months (June-August). **Root Cause:** Scholars in the Socorro community are attracted to early college and dual credit options. For the community, the idea of graduating with an associates degree has more value than attaining AP credit.

Problem Statement 2 (Prioritized): EB scholars enrollment rates have increased significantly. As such, campus must adapt and incorporate more urgent interventions for our beginner and intermediate EB scholars. **Root Cause:** A significant increase of EB scholars has enrolled this year. Many of them, are first year in America students who need more urgent support with language acquisition.

Student Learning

Student Learning Summary

We are proud to be an A rated campus (94), having earned domain ratings of 86, 92, and 99, for student achievement, school progress, and closing the gaps respectively. Our scholars have increased their achievement scores for meets and masters over 30% points in the last school year. IDEA Rio Vista also earned all eligible disclaimers.

See PDF in Addendum for more information.

Student Learning Strengths

See PDF in Addendum for more information.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): Scholars in Special education performed significantly lower than scholars in other accountable subgroups. **Root Cause:** Interventions were primarily fluency based and did not emphasize standard and skill based supports.

Problem Statement 2 (Prioritized): RTI is not being implemented effectively. No clear communication between SEL department and instructional team. **Root Cause:** Ownership at the campus levels was associated with the counseling department.

School Processes & Programs

School Processes & Programs Summary

Our campus uses the School Leadership Levers and Relay School of Education coaching structures to develop leadership. Development goals and individual learning plans for leaders are also clearly communicated to them during weekly coaching session. We host monthly coaching academies to emphasize leadership levers of focus.

See PDF in Addendum for more information.

School Processes & Programs Strengths

Curriculum & Instruction:

- At least one-third of IDEA students graduate with the "AP Scholar" designation, evidence of earning a qualifying score on at least three AP exams, demonstrating successful completion of college-level coursework prior to graduation.
- IDEA provides students access to accelerated instruction through the 1:1 technology device, including adaptive software for mathematics and literacy and access to hundreds of thousands of books in the district's digital library.
- IDEA curricular resources include high-quality instructional materials that earn the highest ratings on national evaluation measures.
- IDEA curriculum is regularly evaluated using a quality evaluation tool, ensuring alignment to the Texas Essential Knowledge and Skills and AP course standards, as well as the STAAR/EOC and AP exams.
- IDEA implements a variety of training opportunities for teachers and leadership staff with the goal of developing teachers' pedagogical content knowledge and leaders' coaching skills.
- For 15 years in a row, 100% of IDEA students have been accepted into college, demonstrating that IDEA academic programming is adequately preparing students for post-secondary education.
- In 2022, four IDEA schools were ranked in the top 10 Most Challenging Schools in the Nation and 13 were ranked in the top 1% of schools nationwide, by the Jay Mathews Challenge Index High School Rankings.

Special Programs

- IDEA exceeded the expected growth target for EL student performance on TELPAS in 2021 with 48% of ELs meeting that target.
- IDEA provide targeted research based instruction to students who have a 2.0 year gap in Reading and/or Math with the goal of closing that gap by 2.0 years during the school year with our initiative called Critical Student Intervention (CSI). During the 21-22 school year, 2,562 out of 6,632 students meet that goal for Reading and 703 out of 1,268 students met the goal for Math.
- IDEA is in Year 3 of our TEA awarded Autism Grant. Through this grant we were able to increase support for 195 students with autism in Rio Grande Valley and Austin who met the criteria outlined by TEA for this grant.
- IDEA submitted and was awarded a Dyslexia Grant by the TEA so that we will be able to provide increased professional development to teachers and leaders on working with students with dyslexia and increase the support resources for our students with dyslexia.

SEL/ Mental Health and Family Engagement

- IDEA has increased the number of licensed counselors and Social Workers by 50% over the past 2 years
- IDEA pre-pandemic ADA averaged 97.4%, district is committed to get back to that average
- IDEA retains an average of 84% of students year over year

- IDEA parents rate IDEA as 4.8/5 on the statement "My school is preparing my child for college"
- IDEA parents rate IDEA as 4.8/5 on the statement "My school hold my child to high academic standards"
- IDEA students rate IDEA as 4.6/5 on the statement "My teachers challenge me to do my best"

IDEA's individualized coaching and development of its employees is a contributing factor in getting new employees to proficiency quickly and providing an internal pool for promotions.

Ongoing feedback, effective accountability mechanisms, and consistent follow through also provide a supportive environment where employees have clear expectations for performance.

IDEA is currently undertaking an initiative to redefine its employee value proposition (EVP) to better identify, promote, and implement recruitment and retention strategies that can provide the talent needed to be successful

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): While there is strong TEKS alignments, the campus has gaps implementing the ELPS. **Root Cause:** No clear vision for ELPS and EB support across campus.

Problem Statement 2 (Prioritized): Gap communicating goals and performance expectations to all stakeholders. **Root Cause:** Campus has no effectively invested parents in students individual performance and progress goals.

Perceptions

Perceptions Summary

See PDF in Addendum for more information.

Perceptions Strengths

See PDF in Addendum for more information.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Inconsistent and reactive disciplinary practices led to administrative and parent withdrawals. This could have been prevented with more consistent discipline management system. **Root Cause:** The campus does not have a clear and consistent discipline management system.

Problem Statement 2 (Prioritized): Unclear vision to reduce the threat of bullying. High volume of family and student reported bullying concerns led to persistence concerns. **Root Cause:** The campus does not have a clear and consistent vision to educate all stakeholders on bullying. Campus does not have a clear protocol to address bullying when reported.

Priority Problem Statements

Problem Statement 1: Enrollment numbers are decreasing in transitional years such as 5th grade and 8th grade. We have seen the highest persistence leavers during summer months (June-August).

Root Cause 1: Scholars in the Socorro community are attracted to early college and dual credit options. For the community, the idea of graduating with an associates degree has more value than attaining AP credit.

Problem Statement 1 Areas: Demographics

Problem Statement 2: EB scholars enrollment rates have increased significantly. As such, campus must adapt and incorporate more urgent interventions for our beginner and intermediate EB scholars.

Root Cause 2: A significant increased of EB scholars has enrolled this year. Many of them, are first year in America students who need more urgent support with language acquisition.

Problem Statement 2 Areas: Demographics

Problem Statement 3: RTI is not being implemented effectively. No clear communication between SEL department and instructional team.

Root Cause 3: Ownership at the campus levels was associated with the counseling department.

Problem Statement 3 Areas: Student Learning

Problem Statement 4: While there is strong TEKS alignments, the campus has gaps implementing the ELPS.

Root Cause 4: No clear vision for ELPS and EB support across campus.

Problem Statement 4 Areas: School Processes & Programs

Problem Statement 5: Gap communicating goals and performance expectations to all stakeholders.

Root Cause 5: Campus has no effectively invested parents in students individual performance and progress goals.

Problem Statement 5 Areas: School Processes & Programs

Problem Statement 6: Inconsistent and reactive disciplinary practices led to administrative and parent withdrawals. This could have been prevented with more consistent discipline management system.

Root Cause 6: The campus does not have a clear and consistent discipline management system.

Problem Statement 6 Areas: Perceptions

Problem Statement 7: Unclear vision to reduce the threat of bullying. High volume of family and student reported bullying concerns led to persistence concerns.

Root Cause 7: The campus does not have a clear and consistent vision to educate all stakeholders on bullying. Campus does not have a clear protocol to address bullying when reported.

Problem Statement 7 Areas: Perceptions

Problem Statement 8: Scholars in Special education performed significantly lower than scholars in other accountable subgroups.

Root Cause 8: Interventions were primarily fluency based and did not emphasize standard and skill based supports.

Problem Statement 8 Areas: Student Learning

Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

Improvement Planning Data

- HB3 Reading and math goals for PreK-3
- HB3 CCMR goals
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

Accountability Data

- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain

Student Data: Assessments

- STAAR current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- STAAR released test questions
- STAAR Emergent Bilingual (EB) progress measure data
- Texas English Language Proficiency Assessment System (TELPAS) and TELPAS Alternate results
- Texas Primary Reading Inventory (TPRI), Tejas LEE, or other alternate early reading assessment results
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- Observation Survey results

Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Special programs data, including number of students, academic achievement, discipline, attendance, and rates of progress for each student group
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Male / Female performance, progress, and participation data
- Special education/non-special education population including discipline, progress and participation data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.
- Section 504 data

Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Attendance data
- Discipline records
- School safety data
- Enrollment trends

Employee Data

- Professional learning communities (PLC) data

- Teacher/Student Ratio
- Campus leadership data

Parent/Community Data

- Parent surveys and/or other feedback
- Parent engagement rate
- Community surveys and/or other feedback

Support Systems and Other Data

- Organizational structure data
- Processes and procedures for teaching and learning, including program implementation
- Communications data
- Budgets/entitlements and expenditures data

Goals

Goal 1: Increase staff retention

Performance Objective 1: By June 2022, we will increase staff retention by 5% for instructional staff in grades six through ten.

Evaluation Data Sources: Great Places to Work Survey

Strategy 1 Details	Reviews			
	Formative			Summative
	Oct	Jan	Mar	June
Strategy 1: Recognizing teachers' success through shout out during weekly faculty meetings, teacher weekly newsletter, and/or social media. Recognizing teachers who exhibit IDEA core values every month. Strategy's Expected Result/Impact: Increase teacher retention Staff Responsible for Monitoring: This would be monitored by all campus managers Title I: 2.4, 2.6 - TEA Priorities: Recruit, support, retain teachers and principals Problem Statements: Student Learning 1, 2 Funding Sources: - Federal Grant - \$69,500				
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Performance Objective 1 Problem Statements:

Student Learning
Problem Statement 1: Scholars in Special education performed significantly lower than scholars in other accountable subgroups. Root Cause: Interventions were primarily fluency based and did not emphasize standard and skill based supports.
Problem Statement 2: RTI is not being implemented effectively. No clear communication between SEL department and instructional team. Root Cause: Ownership at the campus levels was associated with the counseling department.

Goal 2: All IDEA students matriculate to college

Performance Objective 1: By June 2022, 96% of scholars on grade levels six through ten are on track to graduate.

HB3 Goal

Summative Evaluation: Met Objective

Strategy 1 Details	Reviews			
Strategy 1: Academic Support Program for scholars failing more than one subject area. Strategy's Expected Result/Impact: Decrease in failure rates. Staff Responsible for Monitoring: College Counselor Title I: 2.6 Funding Sources: - Federal Grant - \$65,520	Formative			Summative
	Oct	Jan	Mar	June
				
<div><div> No Progress</div><div> Accomplished</div><div> Continue/Modify</div><div> Discontinue</div></div>				

Goal 2: All IDEA students matriculate to college

Performance Objective 2: By June 2022, 90% of Special Education scholars on grade levels six through ten are on track to graduate.

High Priority

Evaluation Data Sources: STAAR/EOC/TSI
On track to graduation metrics

Summative Evaluation: Significant progress made toward meeting Objective

Strategy 1 Details		Reviews			
Strategy 1: Academic Interventions for scholars needing additional support.		Formative			Summative
		Oct	Jan	Mar	June
					
 No Progress		 Accomplished		 Continue/Modify	
				 Discontinue	

Goal 3: IDEA achieves an A rating

Performance Objective 1: By June 2022, the percent of students reading at or above grade level for grades six through ten will increase by at least three percentage points as measured by STAAR and monitored by district wide universal screener.

High Priority

HB3 Goal

Evaluation Data Sources: Benchmark and summative assessments

Summative Evaluation: Met Objective

Strategy 1 Details	Reviews			
Strategy 1: Hold after-school intervention for scholars who failed the STAAR assessment in reading. Staff Responsible for Monitoring: Instructional Team Title I: 2.4, 2.6 - TEA Priorities: Build a foundation of reading and math, Improve low-performing schools Problem Statements: Demographics 1, 2 Funding Sources: - Federal Grant - \$36,648.80, - Federal Grant - \$31,204.80	Formative			Summative
	Oct	Jan	Mar	June
				
<div>  No Progress  Accomplished  Continue/Modify  Discontinue </div>				

Performance Objective 1 Problem Statements:

Demographics
Problem Statement 1: Enrollment numbers are decreasing in transitional years such as 5th grade and 8th grade. We have seen the highest persistence leavers during summer months (June-August). Root Cause: Scholars in the Socorro community are attracted to early college and dual credit options. For the community, the idea of graduating with an associates degree has more value than attaining AP credit.
Problem Statement 2: EB scholars enrollment rates have increased significantly. As such, campus must adapt and incorporate more urgent interventions for our beginner and intermediate EB scholars. Root Cause: A significant increased of EB scholars has enrolled this year. Many of them, are first year in America students who need more urgent support with language acquisition.

Goal 3: IDEA achieves an A rating

Performance Objective 2: By June 2022, the percent of students math performance at or above grade level for grades six through ten will increase by at least three percentage points as measured by STAAR and monitored by district wide universal screener.

HB3 Goal

Evaluation Data Sources: Benchmark and summative assessments

Strategy 1 Details		Reviews			
Strategy 1: Hold tutoring after school for scholars who did not meet grade level on the previous year STAAR assessment. Strategy's Expected Result/Impact: Increase academic performance of scholars Staff Responsible for Monitoring: Instructional Lead Team Title I: 2.4, 2.6 - TEA Priorities: Build a foundation of reading and math, Improve low-performing schools		Formative			Summative
		Oct	Jan	Mar	June
					
		 No Progress	 Accomplished	 Continue/Modify	 Discontinue

Goal 3: IDEA achieves an A rating

Performance Objective 3: By June 2022, the percent of students meeting CCMR indicators in grade ten will increase by at least three percentage points as measured by TSI and ACT and monitored by district wide universal screener.

HB3 Goal

Evaluation Data Sources: Benchmark and summative assessments

Strategy 1 Details	Reviews			
Strategy 1: Hold tutoring after school for scholars who did not meet growth on the TSI assessment. Strategy's Expected Result/Impact: Increase academic outcomes for scholars Staff Responsible for Monitoring: Instructional Lead Team Title I: 2.4, 2.6 - TEA Priorities: Build a foundation of reading and math, Improve low-performing schools	Formative			Summative
	Oct	Jan	Mar	June

Reflections

Areas of Strength	Areas of Need
1 What and How Key Points - What and How key points allowed teacher to zero in on what information students needed to know in order to understand how to answer the questions	1 Address TEKS and What and How Key Points integrated in WW curriculum and completing TEK based weeks with a focus on a particular set of TEKs within a genre
2 Targeted intervention - Outside of tutoring needs	2 While interventions were data based and instruction was scaffolded, there was a lack of oversight when it came to tutoring which led to a lack of rigor during tutoring hours

3 Student work Analysis

3 Particularly for EOC, writing components, student work analysis was completed and feedback provided but at times, there was a delay in the return of feedback which resulted students potentially carrying misconceptions into the next day

IDEA Rio Vista

Comprehensive Needs Assessment

COLLEGE PREP

TELPAS Composite Rating (Listening, Speaking, Reading, Writing)

	Listening	Speaking	Reading	Writing	% of ELL Students who grew one or more levels
% Beginning	8%	19%	9%	12%	41%
% Intermediate	29%	29%	33%	17%	
% Advanced	35%	50%	53%	53%	
% Advanced High	29%	1%	5%	5%	

Reflection

Areas of Strength	Areas of Need
1 Deliberate practice scholars' listening and speaking before assessments.	1 We did not have a cross-curricular approach for literacy. Reading and writing were isolated to the ELAR classroom.
2 Targetted vocabulary through membeam during the intervention block.	2 Teachers did not receive tools to implement SIOP strategies and differentiate material for LEP scholars.
3 DISE intervention for Spanish speakers showed positive impact for the speaking component.	3 We did not monitor progress on TELPAS levels through out the school year. Once we received mock data, we did not utilize it to monitor progress or support scholars in their areas of need.

Annual Performance Objectives (APO)

PRIORITY #1: Students Graduate College-Ready

- 1A. % of graduates who matriculate to a College or University: 100%
- 1B. % of graduates matriculate to a Tier I/II College or University: 15% | 25%
- 1C. % of Seniors accepted to a College or University: 100%
- 1D. % of Seniors named AP scholars | Earn IB diploma: 30% | 25%
- 1E. Earned State Rating: A
- 1F. % Basic | % Mastery | % Advanced on LEAP: 82% | 44% | 11%
- 1G. % Approaches | % Meets | % Masters on STAAR/EOC: 90% | 60% | 30%
- 1H. % Level 3 | % Level 4 | % Level 5 on FSA/FSAA: 70% | 40% | 20%
- 1I. % of Pre-K-2nd Students End The Year On/Above Grade Level in Reading - Year 1 Campuses | Year 2 Campuses: 80% | 90%
- 1J. % of students in CSI achieve 2 years growth in Reading | Math (measured by Ren STAR) 50% | 60%
- 1K. Average ACT score: 21
- 1L. % of students graduating college in 4 | 6 years: 25% | 55%

Reflections	
Areas of Strength	Areas of Need
1 Cohesive Math team with strong, knowledgeable content lead.	1 Monitor the quality of the testing environment during assessments to ensure quality data.
2 Math team members have strong content knowledge and leveraged best practices including multiple STAAR/EOC aligned resources to maximize scholar access to opportunities to show mastery.	2 Implement system to monitor/verify quality of testing environment during assessments, then use authentic data to drive interventions (after school, Saturdays, & Inter-sessions)
3 Math Team share vision of student success and leveraged parent involvement.	3 Identify CFS for Lead Team for managing intervention sessions.

Reflections

Areas of Strength	Areas of Need
1 What and How Key Points - What and How key points allowed teacher to zero in on what information students needed to know in order to understand how to answer the questions	1 Address TEKS and What and How Key Points integrated in WW curriculum and completing TEK based weeks with a focus on a particular set of TEKs within a genre

2 Targeted intervention - Outside of tutoring needs. We did not successfully differentiate scholars needs by objective.	2 While interventions were data based and instruction was scaffolded, there was a lack of oversight when it came to tutoring which led to a lack of rigor during tutoring hours
3 Student work Analysis	3 Particularly for EOC, writing components, student work analysis was completed and feedback provided but at times, there was a delay in the return of feedback which resulted students potentially carrying misconceptions into the next day

Reflections	
Areas of Strength	Areas of Need
1 Cohesive Biology team with strong, knowledgeable content lead.	1 Lack of content internalization of the content by 9th Chemistry teacher
2 Biology team members have strong content knowledge and leveraged best practices including multiple STAAR/EOC aligned resources to maximize scholar access to opportunities to show mastery.	2 Ineffective stakeholder investment of biology re-testers.
3 Math Team shared vision of student success and leveraged parent involvement.	3 Assessment benchmarks were given too close to EOC date, minimizing time for effective time for effective intervention.
