PART I – GENERAL INFORMATION AND INSTRUCTIONS

1) Introduction and Purpose

IDEA Public Schools (“IDEA”) is a Texas nonprofit corporation and a tax-exempt organization pursuant to the Section 501(c)(3) of the Internal Revenue Code. Pursuant to Chapter 12, Subchapter D of the Texas Education Code and its Contract for Charter with the Texas State Board of Education, as renewed by the Commissioner of Education, IDEA is an open-enrollment charter holder, governmental entity and public school system. IDEA prepares Texas students from underserved communities for success in college and citizenship. IDEA is a growing network of 123 high-performing charter schools serving approximately 74,217 students located throughout Texas in the Austin, El Paso, Houston, Permian Basin, Rio Grande Valley, San Antonio, and Tarrant County regions. Although IDEA’s growth is rapid, it is also carefully planned. Schools begin with select grade levels and eventually reach full scale as a Pre-K-12 campus as grade levels are added to accommodate the students’ advancement.

IDEA’s mission is College for All. IDEA serves primarily low-income students in underserved areas of both rural and urban communities. Over 80% of IDEA students are considered low-income and one of every three students is the first in their family to go to college. Since the first graduating class in 2007, 100% of seniors have been accepted and matriculated to a college or university every year for fourteen consecutive years. Thanks to a rigorous path to college that begins in Pre-K, IDEA students attend selective universities throughout the country, win national awards and scholarships, and complete college at a rate six times the national average for low-income students.

Note: While IDEA’s affiliates serve students in other states, this Request for Proposals and any subsequent contract is only for goods or services provided to IDEA’s Texas based charter school and campuses.

2) Objectives

Utilizing the Request for Proposals (RFP) method of procurement, IDEA is requesting Proposals from Respondents for armed security personnel services for a total of **63 IDEA Public Schools Campuses in Texas (see campus list in Part II Scope of Work & Performance Requirements)**.

Contractors are required to service (one of the following options):

1. All 63 locations listed (preferred option)
2. All locations within multiple regions (e.g., San Antonio East, San Antonio West, Austin, and Houston), or
3. All locations within a specific region

Offerors **must** designate which locations they are able to service in their bid response.

All interested parties may access this RFP package online at the following address:

[Bid Opportunities & RFPs - IDEA Public Schools](#) or [Public Purchase](#).

3) Funding Authority

IDEA will utilize new state HB3 funds to finance any purchases of goods and/or services through the contract(s) awarded to the successful Vendor(s)/Contractor(s) through this RFP, including any purchase orders issued under said contract(s).

4) Rationale for RFP

Upon consideration of the requirements for the procurement under this RFP, IDEA determined that the RFP was the appropriate purchasing method for the following reasons:

- (a) The selection of the successful respondent will not be made primarily on the basis of price.
- (b) The purchasing requirements cannot be described by detailed specifications.
- (c) IDEA requires that each respondent provide innovative solutions to address the purchasing requirements set forth in this RFP.
- (d) IDEA anticipates negotiating or desires to negotiate the final award under this RFP to ensure that the goods and/or services sought do, in fact, address the purchasing requirements.

5) Proposal Submissions

- a) Proposal Response Requirements. Proposals should be prepared in such a way as to demonstrate a straightforward, concise delineation of capabilities that satisfy the requirements of this RFP. To qualify for evaluation, a Proposal must have been submitted on time and must materially satisfy all mandatory requirements identified in this RFP. Respondents must follow the format instructions detailed below in preparing and submitting a Proposal. Each Respondent is responsible for ensuring that IDEA has the appropriate company name, authorized representative, and contact information on file for the purpose of receiving notices, changes, addenda or other critical information relating to this RFP.
- b) Eligible Respondents. Respondents who can meet the technical specifications for quality and other terms of this RFP, who are not debarred and/or suspended from conducting business with IDEA by federal and state funded agencies and have the right to transact business in Texas are invited to respond.  - ii) Can comply with the required scope of this RFP.
 - iii) Has a satisfactory record of integrity and ethics.
 - iv) Is otherwise qualified and eligible to receive an award.

 - x) Additional Documentation (optional)
- d) Submission of Proposals. Proposals shall be submitted via the web-based software portal, [Tyler Munis Self Service](#) or [Public Purchase](#). A signed, submitted Proposal submitted via Tyler Munis or Public Purchase constitutes an offer to perform work and/or deliver the products specified in this RFP. Proposals can also be received by mail at the IDEA Public Schools Headquarters, 2115 W. Pike Blvd., Weslaco, Texas 78596. Proposals shall be received no later than **3:00 PM CST on July 27, 2023**, along with the requisite signature pages, required attachments, and certification forms. Proposal envelopes received by mail must be clearly marked with this RFP number and title and addressed as indicated in this RFP. Late Proposals will **not** be accepted. Faxed or emailed Proposals will **not** be accepted. Deviations from any terms, conditions and/or specifications, although discouraged, shall be conspicuously noted in writing by the Respondent and shall be included with the Proposal in **Attachment U**.
- e) Use of Brand Names. The use of brand and manufacturer's names is for the purpose of brevity in establishing type and quality of merchandise and is not restrictive. Manufacturer, trade, and/or brand name must be indicated for each article and, when omitted, IDEA will consider Proposal to be as specified. Illustrations and complete description must be included with the Proposal if proposing other than specified.
- f) Incurred Costs. All costs incurred in the preparation and submission of the Proposal shall be borne solely by the Respondent. Where Respondents may be required to perform a presentation, give demonstrations, provide samples and/or technical literature, or participate in any interview process as related to this RFP, all costs shall be borne by the Respondent.
- g) Proposed Costs. Respondent shall provide information on all costs that IDEA may incur related to providing the requested goods and/or services herein. Respondent will provide a complete fee and cost detail supporting all elements of its Proposal. The cost detail must include a narrative for each fee or cost element. If Respondent does not expect IDEA to incur any costs, the Proposal shall state "No costs to IDEA." Costs should be submitted utilizing or referencing **Attachment S**.
- h) Discounts. Although IDEA may take advantage of any discount offered by Respondent for payment in less than thirty (30) calendar days, IDEA shall not consider discounts offered by Respondent during the evaluation of the Proposal submitted. IDEA will only evaluate Proposals based on the criteria set forth in **Part IV** of this RFP.
- i) Tax Exemption. IDEA is exempt from federal excise tax, state, and local tax. Do not include tax in cost projections. Any taxes included in cost projections will not be included in the tabulation of any awards.
- j) Withdrawal of Submitted Proposal. At any time prior to the closing date and time, a Respondent may withdraw a submitted Proposal by submitting a request to withdraw in writing to [Mia Haris](#), Assistant Director of Procurement at mia.harris@ideapublicschools.org. By submitting a Proposal,

each Respondent guarantees that the Proposal submitted, including the price(s) detailed therein, shall remain firm for a period of not less than one hundred twenty (120) days from this RFP closing date. No Proposal may be withdrawn during the 120-day period of offering.

- k) Proposal Constitutes Offer. A Proposal submitted in response to this RFP is an offer to contract with IDEA, based upon the terms, conditions, and specifications of this RFP and IDEA's standard terms and conditions. A Proposal does not become a contract unless and until it is accepted by IDEA and approved by its Board of Directors ("Board"), as required by law and policy. Submission of a Proposal shall be construed to mean that the Vendor/Contractor agrees to carry out all conditions set forth in this RFP. By submitting a Proposal, Respondent affirms it has read and understands this RFP and terms and conditions set to govern the contract. Any proposed variation from the specifications, terms, and conditions shall be clearly identified in the Proposal (see **Attachment U**). Respondents must describe in detail any proposed variation to the stated specifications, terms, and conditions. Please note that variations are strongly discouraged and may be grounds for rejection at IDEA's sole discretion. Please refer to earlier instructions and **Part I, paragraph 6, RFP Clarification and Questions** below on submitting any questions as to ambiguity, conflict, discrepancy, omission, or other error(s) that may relate to any requested variation in writing. If no changes are indicated, IDEA shall expect to receive the goods and/or services exactly as specified.

- l) RFP and Proposal Constitute Contract. Upon the Board's acceptance of Respondent's Proposal and approval of a contract with Respondent, this RFP and Proposal shall constitute the written, binding contract between the parties (the "Contract" or "Agreement"). IDEA shall not accept any contract or other written agreement from a Respondent submitted as part of its Proposal. IDEA reserves the right to tender its own contract for the goods and/or services solicited through this RFP. If IDEA is willing to consider or needs a contract draft tendered from Respondent, IDEA will request this from Respondent, but contract terms must be consistent with this RFP and IDEA's standard terms and conditions.

- m) Open Records. As a Texas open enrollment charter school, IDEA is subject to the Texas Public Information Act, Tex. Gov't Code §§ 552.001 *et seq* ("TPIA"). Proposals submitted to IDEA in response to this RFP may be subject to release as public information after contracts are executed or the procurement is terminated. If a Respondent believes that its response, or parts of its response, may be exempted from disclosure under Texas law, Respondent is responsible for submitting arguments to the Attorney General identifying which exception(s) to the TPIA are applicable and provide detailed reasons to substantiate the exception(s). Vague or general claims to confidentiality normally are not accepted by the Attorney General. IDEA assumes no obligation or responsibility relating to the disclosure or nondisclosure of information submitted by Respondent.

- n) Conflict of Interest. IDEA and any prospective or actual Vendor/Contractor are required to comply with Texas Local Government Code Chapter 176, Disclosure of Certain Relationships with Local Government Officials. Any Vendor/Contractor that does business or seeks to do business with IDEA must timely complete and submit the Texas Ethics Commission's required Conflict of Interest Questionnaire – Form CIQ referenced in **Attachment H**.

- o) Undue Influence. In order to ensure the integrity of the selection process, Respondent's officers, employees, agents, or other representatives shall not lobby or attempt to influence a vote or recommendation related to the Vendor/Contractor, directly or indirectly, through any contact with IDEA Board members or officials from the date this RFP is released until the award of a fully executed and approved Contract. By submitting a Proposal, Respondent affirms that the Vendor/Contractor has not given, offered to give, nor intends to give at any time hereafter any economic opportunity, future employment, gift, loan, gratuity, special discount, trip, favor, or service to any IDEA representative in connection with the Proposal submitted.
- p) Proposal Errors. Respondents will represent that its Proposal is a true and correct statement and contains no cause for claim of omission or error. Request for withdrawal of Proposal is allowed based on proof of mechanical error; however, the Vendor/Contractor may be removed from consideration or from any approved Vendor/Contract list maintained by IDEA.
- q) False/Misleading Statements. Proposals which contain false or misleading statements, or which provide references which do not support an accurate attribute or capability of Vendor/Contractor, may be rejected. If, in the opinion of IDEA, such information was intended to mislead IDEA in its evaluation of the Proposal and the attribute, condition, or capability as a requirement of this RFP, IDEA shall reject the Proposal.
- r) Proposal Signatures. The Proposal must be signed by an authorized representative with proper signatory authority. By submitting a Proposal, Respondent represents and warrants that the individual submitting the Proposal and the documents made part of the Proposal is authorized to sign such documents on behalf of the Vendor/Contractor and to bind the Vendor/Contractor under any contract that may result from the Proposal submission. The signature should indicate the title or position that the individual holds in the entity.
- s) Rights Reserved by IDEA and Restrictions on the RFP Process.
- i) IDEA reserves the right to cancel or withdraw this solicitation in whole or in part by issuance of a revised or amended RFP or a cancellation of this RFP.
 - ii) IDEA reserves the right to select any Proposal, or combination thereof, it deems the best value and in the best interest of IDEA, regardless of price. See **Part IV** for the evaluation criteria used in this RFP.
 - iii) IDEA reserves the right to award one or more contracts, in parts if not in whole, to a single or to multiple Respondents or to create a pool of approved Vendors/Contractors. See **Part I, paragraph 11, Selection of Vendor(s)**, below. The fact that IDEA may make multiple awards should be taken into consideration by each Respondent and "all-or-none" combinations of goods and/or services will not be considered if not solicited.
 - iv) IDEA reserves the right to reject any and/or all Proposals, to award contracts for individual products or services as may appear advantageous, and to negotiate separately in any manner necessary to serve the best interests of IDEA. IDEA further reserves the right to accept, reject, or negotiate modifications in any terms of a Respondent's Proposal or any parts thereof.
 - v) IDEA reserves the right to waive any formalities or technicalities if deemed in the best interest of IDEA. IDEA also reserves the right as sole judge of quality and equality.

IDEA will not answer questions verbally and any informal oral answers provided by IDEA or its agents shall not be binding. No modification or amendment to this RFP shall be valid unless it is set forth in writing, via a signed addendum or amendment from IDEA.

All Respondents shall comply with the requirements specified in any addenda or errata issued by IDEA.

9) Respondent Responsibility

IDEA expects Respondents to be thoroughly familiar with all specifications and requirements of this RFP. Respondent's failure or omission to examine any relevant form, article, site, or document will not relieve Vendor/Contractor from any obligation regarding this RFP. By submitting a Proposal, Respondent is presumed to concur with all terms, conditions, and specifications of this RFP unless otherwise specifically stated in **Attachment U – Deviations and Exceptions**.

Respondents who have not obtained this RFP directly from IDEA, or who may have downloaded the document from the IDEA website or vendor portal in Tyler Munis, shall be responsible for immediately notifying IDEA of their interest in order to receive all written addenda or errata on a timely basis. A Respondent who does not notify IDEA and submits a Proposal without receipt of all addenda or errata issued may be deemed to have submitted a Proposal not responsive to this RFP.

10) Contract Award

Written notice of award mailed or otherwise furnished to the successful Vendor(s)/Contractor(s) results in a binding contract without further action required by either party. IDEA further reserves the right to tender its own contract for products or services. IDEA may not accept, and may reject, any contract or other written agreement submitted by a Respondent as part of its Proposal or offered by the

successful Vendor(s)/Contractor(s). If IDEA is willing to consider or needs a contract draft tendered from Respondent, IDEA will request this from Respondent, but contract terms must be consistent with this RFP and IDEA's standard terms and conditions.

11) Selection of Vendor(s)

IDEA may award this RFP to multiple Vendors/Contractors or to the Vendor/Contractor IDEA determines, in its sole discretion, provides the best value to IDEA, based upon the evaluation of Proposals. Thus, the result will not be determined by price alone but upon the applicable criteria as listed under **Part IV – Evaluation Criteria** in this RFP.

12) Contract Term

The Agreement(s) resulting from this RFP will be in effect as of a date established by mutual consent of IDEA and selected Vendor(s)/Contractor(s). This is a one (1) year contract with three (3) one (1) year renewal options. The first year of the contract will begin on or near September 1, 2023 through June 28, 2024. This contract may be renewed under the same terms and conditions for three (3) 1 year successive-year periods, upon the agreement of both parties. Each such renewal must be evidenced in writing and approved by the authorized agents of each party. Such renewal shall be for the same compensation set forth in the Request for Proposals and prices may be adjusted to reflect the Consumer Price Index sixty (60) days prior to expiration date. IDEA Public Schools reserves the right to terminate this Agreement at any time with or without cause upon delivering a 30-day written notice to the Offeror. If the Vendor/Contractor does not believe that it can renew the contract, the Vendor/Contractor shall provide IDEA with written notice at least ninety (90) days prior to the Agreement's expiration date.

13) Criminal Background Checks

Texas Education Code § 22.0834 requires entities that contract to provide services to IDEA Public Schools to either (i) obtain named based criminal history and/or fingerprinting record information regarding "covered employees" or (ii) provide sufficient information for IDEA Public Schools to arrange for the completion of name based criminal history and/or fingerprinting record information regarding "covered employees."

Definitions:

"Covered Employees": Any employee of a vendor who (1) has or will have continuing duties related to the contracted services¹ and (2) has or will have direct contact with students.² ***If both of these are met, a national criminal history record review is mandatory for any covered employee. Please note: (IDEA Public Schools will be the final arbitrator on what constitutes direct contact with students)***

Contractor must coordinate and cooperate with the School to ensure that an appropriate criminal history record information review as required by Texas Education Code § 22.0834 is conducted for Contractor and any of Contractor's personnel who will have continuing duties related to this Agreement and will have direct contact with students.

Vendor/Contractor will be required to provide a list of personnel who will be assigned to do the work. When requested, this information must be furnished within 48 hours and shall apply to any new personnel due to employee turnover. Vendor/Contractor shall cooperate with IDEA to ensure that all employees and subcontractors assigned to work under a contract have successfully passed a criminal background check prior to assignment. Any person or persons not acceptable to IDEA shall be

prohibited from working on the Agreement. IDEA reserves the right to refuse entry onto its school grounds to any individual whose background check does not meet the requirements established by IDEA pursuant to Texas law. Vendor/Contractor shall provide certification that all of its personnel are eligible and that required background checks have been conducted as required by law. **Attachment O.**

14) Insurance Requirements

- a) No Insurance Requirements as to IDEA. As a governmental unit as defined by Texas Civil Practice and Remedies Code § 101.001, IDEA has immunity from liability and suit except to the extent such immunity is waived by the Texas Tort Claims Act, Chapter 101, Texas Civil Practice and Remedies Code.
- b) The insurance coverage specified in this RFP are the minimum requirements, and these requirements do not lessen or limit the liability of the Vendor/Contractor. The Vendor/Contractor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this RFP and Agreement.
- c) The successful Vendor/Contractor will at a minimum carry and maintain Workers' Compensation, General Liability, and Property Damage Liability Insurance. The policy shall include liability arising out of premises, operations, independent contractors, personal injury, advertising injury, and liability assumed under an insured contract, and must provide coverage for all claims that may arise from performance of the Agreement or completed operations, whether by Vendor/Contractor or anyone directly or indirectly employed by Vendor/Contractor. Such policy shall name IDEA as an Additional Named Insured and include a Waiver of Subrogation Clause.
 - ii) Workers' Compensation: Vendor/Contractor shall obtain and maintain Workers' Compensation Insurance in an amount consistent with statutory benefits outlined in the Texas Workers' Compensation Act.
 - iii) Automobile Insurance: Contractor shall maintain comprehensive automobile liability insurance to protect against claims for bodily injury and/or property damage arising out of Contractor's use of any owned, hired, and or non/owned vehicle, with minimum limits of liability of **\$1,000,000.00** combined single limit, per accident. Such policy shall name the School as an Additional Insured and include a Waiver of Subrogation Clause
 - iv) Professional Liability: See "**Attachment D**" for Additional Required Coverages.

- e) Each insurance policy to be furnished by the successful Vendor/Contractor shall include “IDEA Public Schools” as Additional Insured. Please note a certificate of insurance showing named insured is not adequate to establish this status or fulfill this requirement.
- f) Additionally, each insurance policy shall, by endorsement to the policy, include a statement that a notice shall be given to IDEA by certified mail thirty (30) days prior to cancellation or upon any material changes to coverage.
- g) Vendor/Contractor may not commence services or work relating to the Agreement prior to placement of coverage. Vendor/Contractor shall keep the required insurance coverage in full force and effect at all times during the term of the Agreement, or any extension thereof, during any warranty period, of the Agreement.

- Report time: 7:00AM-4:30PM
- Security personnel must check in and out with the Assistant Principal of Operations or any other assigned administrator.
- Campus security personnel duties will be uniform across the district. These duties will be communicated to the security personnel before assignment to a specific campus to ensure alignment with campus emergency response teams.
- The main responsibility of campus security personnel is site security. This includes patrolling the campus and conducting access control checks throughout the school day. Security personnel will supervise and control access to the campus as instructed. Patrol the entire facilities to provide a visible presence to discourage vandalism or unauthorized entry. Provide security inspections, scheduled rounds as designated, detection and investigation of buildings and grounds of the campus facilities. Campus security personnel will spend the majority of the time outside the buildings, monitoring different areas to ensure the campus is secure. There may be times when interventions may be needed inside the building (e.g., irate individuals escalating to a concerning level), campus security personnel will respond to these situations as requested by the Assistant Principal of Operations or other assigned administrator. Areas to be regularly assessed are:
 - Campus perimeter – Ensuring all visitors enter through the main front entrance. Intercept unauthorized individuals on campus as needed. Assess potential threats as needed (e.g., individual jumping a fence, suspicious vehicles entering the school or driving around, suspicious activity right outside the school grounds). Intervene to neutralize an armed intruder or other violent threat as needed.
 - Exterior doors – Ensuring all doors are closed, latched, and locked. (Door sweeps)
 - Parking lot– Ensuring no suspicious activity is happening in the parking lot. Assess threats as needed (e.g., suspicious cars in parking lot, suspicious activity involving unidentified individuals, escalating conflict among individuals).
 - Gates – Ensuring gates are always closed.
 - Interior – Ensure that there are no unauthorized visitors and showing presence to deter misbehavior. Assess threats as needed (e.g., suspicious individuals trying to get into the front

office or any other part of the building(s), unidentified individuals getting into the building through an unsecured entry point, escalated violent behavior by an individual inside the building). Intervene to neutralize an armed intruder or other violent threat as needed.

- Security personnel must notify the appropriate law enforcement agency immediately in the event of an emergency or of any unlawful activity and interface immediately with any law enforcement agency responding.
- Security personnel shall be equipped with portable communication devices permitting 24-hour communication with vendor(s) and/or with appropriate law enforcement agencies and other designated contacts (this can be defined in partnership with IDEA Public Schools).
- Report any actions taken regarding any ordinance and/or rule enforcement, or emergency, in writing to the designated Assistant Principal of Operations. Record all property damage discovered on the grounds and properly document it in their daily report.
- Security personnel will be restricted from sitting in their vehicles unless assessing necessary equipment (peace officers) or work-related information via their laptop. Short breaks for hydration and nutrition are acceptable. This will be planned in partnership with the Assistant Principal of Operations and/or communicated to them before they happen to ensure the impact to campus surveillance is minimized (by having someone cover during this time).
 - If peace officers have an official vehicle, these will have assigned parking that is clearly visible the moment visitors drive past the main gate.
- Engage during both morning drop off and afternoon pick up. The primary role is to ensure the safety of students and staff by monitoring traffic flow and serving as a visible and approachable presence to deter potential criminal activity or other safety concerns.
- During drop-off or pick-up, campus security personnel can support with:
 - Providing guidance and assistance to parents and students to ensure a positive and welcoming school environment.
 - Communicating with school administrators and staff to identify and address any potential safety concerns or issues that may arise during drop off/pick up.
- Campus security personnel will play a vital role in engaging in safety drills as necessary and ensuring the safety and security of schools. By working collaboratively with the campus emergency response team, they can help create a culture of safety and preparedness that promotes a positive learning and working environment for students and staff. Campus police officer will:
 - Coordinate with school administrators to assist with the planning and preparation of safety drills.
 - Monitor and assess the effectiveness of safety drills and provide feedback to campus emergency response team to improve future drills.
- Security personnel will always demonstrate professional behavior on campus and act as a role model in all interactions with students, staff, and families.
- Security personnel will not be assigned a campus “duty.” They will remain mobile and not stationed in a static assignment. (i.e., cafeteria duty, hallway duty. etc.)
- Security personnel are not school disciplinarians. They should not be involved in investigating school rule violations (student code of conduct – i.e., student who refuses to listen to a teacher in class). Violations of school rules are the responsibility of the campus administration.
- Security personnel will not be used as a scare tactic – they serve as a role model who maintains a safe learning environment, provides mentorship and guidance to students, and helps prevent and respond

to school safety incidents that may occur on school grounds. (Students should feel that campus security personnel are approachable).

➤ **Additional Considerations**

- In the event of an unusual occurrence or incident, a detailed incident report will be submitted to the Assistant Principal of Operations, Regional Director of Operations, and a representative from the Safety and Security Department upon completion of the shift.
- IDEA Public Schools may evaluate performance duties and modify as needed to meet the needs of our campuses. These adjustments will come from the Safety and Security Department and will be shared directly with the Contractor at least one week prior to the implementation of the required changes.
- Campus security personnel will report to the Assistant Principal of Operations on campus (or other assigned campus administrator when the Assistant Principal of Operations is not available). This will be the main point of contact on campus. Campus security personnel will check in and out with the assistant principal of operations upon arrival and departure.
- Campus security personnel will be given a radio to communicate with the campus emergency response team as needed. Radios will be checked out upon arrival and returned prior to departure. Campus security personnel will also be asked to download Raptor Alert on their device. This is the silent panic alert technology that allows any individual on campus to activate a campus-wide emergency response action as necessary. This system also allows everyone on campus to receive an immediate alert whenever a response is activated. This system directly communicates with the local 911 call center and provides the exact geolocation for effective tracking and deployment of first responders as necessary.
- All communication for the overall security personnel program scope will be between the Contractor and the Safety and Security Department.
- All communication between a campus and the Contractor regarding concerns or unique requests will be streamlined through the Regional Director of Operations and a representative from the Safety and Security Department. There is one Regional Director of Operations per region – this individual and a representative from the Safety and Security Department will be the main point of contact for all campuses in the region. Campus administrators will not have to communicate directly with the Contractor and vice versa.
- A schedule of assigned coverage by campus must be provided to the Safety and Security Department and Regional Director of Operations on a weekly basis by the Friday before the scheduled week. Advanced notification for changes in assignments is required at least 24 hours in advance to both the Regional Director of Operations and the representative from the Safety and Security Department. Changes in assignments due to illness or any other critical situation should be notified at least 1 hour prior to the start of the shift to the same individuals.
- During campus emergencies, campus security personnel will work with the campus emergency response team to coordinate and execute the response in alignment with existing emergency response protocols providing support as needed. In the event of a critical emergency such as an active shooter on campus, campus security personnel will immediately engage and activate additional support from local first responders as necessary.
- Campuses may request additional support after regular school hours or on weekends for special events, sports events, or any other school-related activity. These requests will be communicated to the Regional Director of Operations and a representative from the Safety and Security Department at

least a week in advance. Requests will then be submitted to the Contractor who will then determine if coverage for these individual requests outside of the main scope of the security personnel program is available. If coverage for these after hours and/or weekend requests is available, campuses will be notified by the Friday before the week the coverage will be needed. Coverage for requests outside of the regular school hours of 7:00AM-4:30PM will be invoiced separately every month and itemized by campus.

This right shall exist even if payment has already been made by IDEA to the Vendor/Contractor. Goods or services which, in the sole opinion of IDEA, fail to conform to the required specification(s) or standard(s) may be considered non-conforming. In such event that goods and/or services are considered non-conforming, IDEA may return such goods and/or services at Vendor's/Contractor's risk and expense for replacement or correction, in which case Vendor/Contractor shall use best efforts to replace any non-conforming goods and/or services. IDEA may also accept the non-conforming goods and/or services subject to an equitable price reduction if mutually agreed to among the parties.

Interpretation of Evidence: No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in a contract. Acceptance or acquiescence in a course of performance rendered under a contract shall not be relevant to determine the meaning of the contract even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in the Contract, the definition contained in the Code is to control.

Law of State to Govern: This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Texas (without regard to the conflicts or choice of law principles). The Parties irrevocably consent to the jurisdiction of the State of Texas and agree that any court of competent jurisdiction sitting in Hidalgo County, Texas, shall be an appropriate and convenient place of venue to

resolve any dispute with respect to this Agreement. In connection with IDEA's defense of any suit against and/or IDEA's prosecution of any claim, counterclaim or action to enforce any of its rights and/or claims under this Agreement, which IDEA prevails as to all or any portion of its defense(s), claims, counterclaims, and actions, IDEA shall be entitled to recover its actual attorneys' fees and expenses incurred in defending such suit and/or in prosecuting such claim or action.

Modifications: The contract may only be modified, altered, or changed by a written agreement signed by both IDEA and Vendor/Contractor and their duly authorized agents.

No Arbitration: Disputes involving this Agreement, including the breach or alleged breach thereof, may not be submitted to binding arbitration, but must, instead, be submitted to non-binding mediation or heard in a court of competent jurisdiction in the State of Texas sitting in Hidalgo County, Texas.

Non-Appropriation/Funding Out: This Agreement is conditioned upon continued funding and appropriation and allotment of funds by the Texas State Legislature and/or the Texas Education Agency pursuant to IDEA's open-enrollment charter. This Agreement is further conditioned on continued allocation of funds by IDEA's Board. If the Legislature and/or the Texas Education Agency fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds at the end of IDEA's fiscal year, then IDEA will issue written notice to Vendor/Contractor and IDEA may terminate this Agreement without further duty or obligation hereunder.

No Waiver of Immunity: NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, VENDOR/CONTRACTOR ACKNOWLEDGES, STIPULATES, AND AGREES THAT NOTHING IN THIS AGREEMENT SHALL BE CONSTRUED AS A WAIVER OF ANY DEFENSE AVAILABLE TO IDEA, INCLUDING BUT NOT LIMITED TO ANY SOVEREIGN, STATUTORY, AND/OR GOVERNMENTAL IMMUNITY AVAILABLE TO IDEA UNDER APPLICABLE LAW.

Payment Terms: Unless a prompt payment discount with a payment term of at least ten (10) days is offered and accepted by IDEA, payment terms shall be thirty (30) days net from date of acceptance or receipt of a properly prepared and submitted invoice, whichever is later. In accordance with the Board's accounts payable policy, to receive payment for goods provided and/or services rendered, the Vendor/Contractor must submit a separate invoice, in duplicate, for each purchase order that includes the following:

- a) Fully identifies the Vendor/Contractor, including the Vendor's/Contractor's authorized representative, and said identifying information conforms to that on the purchase order issued by IDEA to the Vendor/Contractor and/or the Agreement.
- b) Includes an invoice number and date.
- c) Is addressed to IDEA Public Schools, including the proper mailing address for accounts payable and the address to which goods and/or services were delivered.
- d) References the purchase order number issued.
- e) Delineates in sufficient detail the goods and/or services provided to IDEA, including the quantity and unit price of the goods and/or services, and the date that the goods were delivered or the services were rendered.

Payment will not be remitted until all goods provided and/or services rendered are inspected and confirmed received by IDEA.

Prices: IDEA accepts Vendor's/Contractor's price(s) as recorded on Vendor's/Contractor's Proposal and reserves the right to cancel the Agreement if the prices are to be increased without a properly negotiated and executed amendment to the Agreement.

Product Recall: Vendor/Contractor shall notify IDEA immediately if a product recall is instituted on any good and/or service Vendor/Contractor has delivered or if Vendor/Contractor discovers or becomes aware of any defect in quality or other deficiency in the delivered goods and/or services. This requirement shall survive payment and acceptance of the goods and/or services.

Purchase Order Required: Orders/requests may be submitted by telephone, fax, email, or mail. No valid orders/requests will be submitted without an IDEA approved purchase order.

Record Keeping: It is the responsibility of Vendor/Contractor to maintain such records as are required by law, IDEA, or as are prescribed by the professional and generally accepted standards of the Texas Education Agency. The books and records related to the contract shall be maintained by Vendor/Contractor, and IDEA shall have the right to inspect and review such records at reasonable times upon request by IDEA.

Rights to Inventions Made Under a Contract or Agreement: The Vendor/Contractor acknowledges and agrees that any intellectual property, processes, procedures or product developed in furtherance of a contract between the Vendor/Contractor and IDEA belongs to IDEA as work-for-hire and all rights are reserved by IDEA and/or the federal government in accordance with applicable federal law.

Severability: In the event that any provision of this Agreement is found to be invalid, illegal, or unenforceable in any jurisdiction, then in lieu of such invalid, illegal, or unenforceable provision there shall be added automatically as a part of this Agreement a valid, legal, and enforceable substitute provision that most nearly reflects the original intent of the Parties, and all provisions hereof shall remain in full force and effect and shall be liberally construed in order to carry out the intentions of the Parties hereto as nearly as may be possible. Such invalidity, illegality, or unenforceability shall not affect any other provisions contained in this Agreement.

Tax Exempt: IDEA is tax-exempt. Vendor/Contractor shall not include taxes on any Proposal, contract, PO, or invoice. IDEA will provide a tax exemption certificate to Vendor/Contractor upon request.

Termination: IDEA reserves the right to terminate all or any part of the undelivered portion of any order resulting from the Agreement with thirty (30) days written notice upon default by the Vendor/Contractor, for delay or nonperformance by the Vendor/Contractor, or if it is deemed in the best interest of IDEA, for convenience.

Texas Public Information Act: Vendor/Contractor acknowledges that IDEA is a public school subject to requests for information under the Texas Public Information Act (“TPIA”), Chapter 552, Texas Government Code. Under the TPIA, there are exceptions to requests for disclosure which include, but are not limited to, information confidential by law and certain commercial information and trade secrets. The Texas Attorney General’s office makes the final determination whether or not requested information is to be disclosed on a case-by-case basis after reviewing the materials and assertions against disclosure. If proprietary information is requested, the TPIA requires IDEA to provide written notice to the party whose proprietary information may be subject to the request, and that party may also submit information to the Texas Attorney General to establish that disclosure of the information would cause substantial competitive harm.

Unsatisfactory Performance by Vendor Staff: If any person employed by Vendor/Contractor fails or refuses to carry out the services detailed in this Agreement or is, in the opinion of IDEA’s designated representative(s), incompetent, unfaithful, intemperate, or disorderly, or uses threatening or abusive language to an IDEA student, parent, or representative, or if otherwise unsatisfactory, he or she shall be removed from the work under this Agreement immediately and shall not again provide services to IDEA except upon consent of IDEA’s representative(s).

PART VI – SUPPLEMENTAL TERMS AND CONDITIONS

Buy America Act: If the source of funds identified in **Part I, paragraph 3, Funding Authority** for this RFP and resulting Agreement is federal funds, IDEA has a preference to procure goods, products, or materials produced in the United States (2 CFR § 200.322).

- f) The term "Confidential Information" does not include the following:
 - i. Information available to the public through no wrongful act of the receiving party.
 - ii. Information that has been published.
 - iii. Information required in response to subpoena, court order, court ruling, or by law.

Vendor/Contractor agrees that it will not, at any time during or after termination of this Agreement, use or disclose any Confidential Information or trade secrets of IDEA to any person or entity for any purpose whatsoever without the prior written consent of IDEA, unless and except as otherwise required by applicable federal or state law or court order.

- a) Vendor/Contractor agrees to maintain the confidentiality of "personal identifying information" and "sensitive personal information," as those terms are defined in Texas Business & Commerce Code § 522.002 by implementing reasonable data security procedures, controls, and safeguards to ensure that such information is protected. Vendor/Contractor agrees that "personal identifying information" and "sensitive personal information" will be collected only as necessary and in conjunction with this Agreement, and will be restricted in its distribution and accessibility such that only authorized representatives of Vendor/Contractor who have agreed to maintain the confidentiality of the data may access it. Such information will be properly secured by the use of safeguards such as secure file storage, firewall protection, complex password protection, secure operating systems, anti-virus software, locked physical files and backups, data encryption, and other technology tools. When necessary, "personal identifying information" and "sensitive personal information" will be disposed of through secure means, such as shredding paper files and erasing electronic files.
- b) Vendor/Contractor will not bear responsibility for safeguarding information that is (i) publicly available; (ii) that is not "personal identifying information" or "sensitive personal information"; (iii) that is obtained by Vendor/Contractor from third parties without restrictions on disclosure and is not obviously "personal identifying information" or "sensitive personal information"; or (iv) is required to be disclosed by order of a court or other governmental entity.
- c) Vendor/Contractor stipulates that this Agreement does not convey ownership of "personal identifying information" or "sensitive personal information" provided by IDEA under this Agreement.
- d) If Vendor/Contractor becomes aware of a disclosure or security breach concerning any "personal identifying information" or "sensitive personal information" covered by this

Agreement, Vendor/Contractor shall immediately notify IDEA and take immediate steps to limit and mitigate the damage of such security breach to the greatest extent possible. If there is a “breach of system security” where “sensitive personal information” is breached, both as defined in sections 521.002 and 521.053 of the Texas Business & Commerce Code, Vendor/Contractor shall proceed with notification requirements as required therein. The Parties agree that any breach of the privacy and/or confidentiality obligations set forth in this Section may, at IDEA’s sole discretion, result in IDEA’s immediately terminating this Agreement without financial penalty.

Privacy of Employee or Student Data: When educational records and Student Data will be utilized under the Agreement, or Employee data may be involved, the following provisions apply and Vendor/Contractor will enter into a Data Sharing Agreement provided by IDEA:

- a) General Guidelines. The Parties acknowledge and agree that certain federal and state laws protect the privacy interests of students and parents with regard to educational records maintained by IDEA, including, without limitation, the Family Educational Rights and Privacy Act (“FERPA”), 20 USC § 1232g. IDEA has determined that Vendor/Contractor has a legitimate educational interest in the educational records, as that term is defined under FERPA, of IDEA’s students who receive the services, and that Vendor/Contractor is the agent of IDEA solely for the purpose of providing services under this Agreement. Vendor/Contractor and its personnel shall maintain the confidentiality of Student Data, as defined below, and comply with the requirements of FERPA and all other applicable law with respect to the privacy of Student Data. Vendor’s/Contractor’s obligations under this Section shall survive the termination or expiration of this Agreement.

- c) Collection and Use of Student Data: Vendor/Contractor will only collect Student Data necessary to fulfill its duties as outlined in this Agreement. Vendor/Contractor will use Student Data only for the purpose of fulfilling its duties and providing services under this Agreement, and for improving services under this Agreement. Vendor/Contractor is prohibited from mining Student Data for any purposes other than those agreed to by the parties. - e) Data De-Identification: Vendor/Contractor may use de-identified Student or Employee Data for product development, research, or other purposes. De-identified Student or Employee Data will have all direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Vendor/Contractor agrees not to attempt to re-identify de-identified Student or Employee Data and not to transfer de-identified Student or Employee Data to any party unless that party agrees not to attempt re-identification.
- f) Marketing and Advertising: Vendor/Contractor will not use any Student Data to advertise or market to students or their parents.

- i) Access and Transfer or Destruction: Any Student or Employee Data held by Vendor/Contractor will be made available to IDEA upon request by IDEA. Vendor/Contractor will ensure that all Student or Employee Data in its possession and in the possession of any subcontractors or agents to which Vendor/Contractor may have transferred Student or Employee Data are destroyed or transferred to IDEA when the Student or Employee Data is no longer needed for its specified purpose, at the request of IDEA.
- j) Rights and License In and To Student or Employee Data: The Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of IDEA, and that Vendor/Contractor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in this Agreement. This Agreement does not give Vendor/Contractor any rights, implied or otherwise, to Student or Employee Data, content, or intellectual property, except as otherwise expressly stated in this Agreement. This includes the right to sell or trade Student or Employee Data.

Attachment N – Contract Provisions for Contracts Involving Federal Funds

With respect to the use of federal funds for the procurement of goods and services, 2 CFR 200.326 and Appendix II to 2 CFR 200 require the inclusion of the following contract provisions.

1. Remedies for Contract Breach or Violations. Contracts for more than the simplified acquisition threshold currently set at \$250,000 must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms and provide for such sanctions and penalties as appropriate.
2. Termination for Cause and Convenience. All contracts in excess of \$10,000 must address termination for cause and for convenience by IDEA including the manner by which it will be affected and the basis for settlement.
3. Equal Employment Opportunity. Except as otherwise provided under 41 CFR 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR 1964–1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
4. Davis-Bacon Act. When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by IDEA must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. IDEA must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. IDEA must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. IDEA must report all suspected or reported violations to the Federal awarding agency.
5. Contract Work Hours and Safety Standards Act. Where applicable, all contracts awarded by IDEA in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required

to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. *Rights to Inventions Made Under a Contract or Agreement*. If the Federal award meets the definition of “funding agreement” under 37 CFR 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.
7. *Clean Air Act and the Federal Water Pollution Control Act*. Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the contractor to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401–7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251–1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
8. *Energy Efficiency Standards and Policies*. Mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).
9. *Debarment and Suspension*. A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), “Debarment and Suspension.” The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
10. *Byrd Anti-Lobbying*. Contractors that apply or bid for an award of \$100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier.

11. Procurement of Recovered Materials. IDEA and its contractors must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired by the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

Vendor/Contractor agrees to comply with all federal, state, and local laws, rules, regulations, and ordinances, as applicable. It is further acknowledged that the vendor certifies compliance with all provisions, laws, acts, regulations, etc. as specifically noted above.

CRIMINAL HISTORY REVIEW OF VENDOR/CONTRACTOR EMPLOYEES CERTIFICATION

Please complete the information below:

I, the undersigned agent for the legal entity named below certify that [check one]:

None of the employees of Vendor/Contractor and any subcontractors are “covered employees” as defined above. If this box is checked, I further certify that Vendor/Contractor has taken precautions or imposed conditions to ensure that the employees of Vendor/Contractor and any subcontractor will not become covered employees. Vendor/Contractor will maintain these precautions or conditions throughout the time the contracted services are provided.

Or

Some or all of the employees of Vendor/Contractor and any subcontractor are “covered employees.” If this box is checked, I further certify that:

1. If Vendor/Contractor receives information that a covered employee subsequently has a reported criminal history, Contractor will immediately remove the covered employee from contract duties and notify the School in writing within three business days.
2. Upon request, Vendor/Contractor will provide the School with the name and any other requested information regarding covered employees so that the School may obtain criminal history record information on the covered employees.
3. If the School objects to the assignment of a covered employee on the basis of the covered employee’s criminal history record information, Vendor/Contractor agrees to discontinue using that covered employee to provide services to the School.
4. All covered employees hired after January 1, 2008 have completed the required background check process prior to performing any duties related to the School or having any direct contact with students.

WHEREAS, Vendor/Contractor provides contract services to IDEA; and

WHEREAS, pursuant to Texas Government Code (“TGC”) § 411.0845, the Texas Department of Public Safety (“DPS”) maintains the Criminal History Clearinghouse (“DPS Clearinghouse”) to provide fingerprint criminal history record information, including national criminal history record information made available through the U.S. Federal Bureau of Investigation (“FBI”), to approved persons and entities; and

WHEREAS, due to recent changes in DPS protocols, Vendor/Contractor no longer has access to the national criminal history record information maintained as part of the DPS Clearinghouse; and

WHEREAS, IDEA is able to access the national criminal history record information portion of the DPS Clearinghouse through the DPS Local Education Entity (“LEE”) Fast Pass option;

NOW THEREFORE, the Parties agree as follows:

IDEA will provide access to its LEE Fast Pass to Provider in the event that Vendor/Contractor and/or any of Vendor’s/Contractor’s or subcontractor’s employees is a “covered employee” under TEC § 22.0834, provided that Vendor/Contractor provides IDEA with sufficient documentation needed for IDEA to facilitate a national criminal history record information search through the DPS Clearinghouse.
2. IDEA will obtain national criminal history information review reports through the DPS Clearinghouse for Vendor/Contractor and/or any of Vendor’s/Contractor’s or subcontractor’s employees that is a covered employee, and will notify Vendor/Contractor if Vendor/Contractor and/or any of Vendor’s/Contractor’s or subcontractor’s employees have a disqualifying criminal history; provided, however, that IDEA will not provide DPS Clearinghouse results to Vendor/Contractor.
3. Vendor/Contractor shall reimburse to IDEA a fee of \$ 45 for each of Vendor’s/Contractor’s employees who are processed through IDEA’s LEE Fast Pass.
4. The Parties agree to work expeditiously to complete fingerprinting for Vendor/Contractor and/or Vendor’s/Contractor’s or subcontractor’s employees, and this MOU shall expire when all applicable fingerprint results have been received and reviewed by IDEA. 13. **Enforcement:** It is acknowledged and agreed that Contractor's services to the School are unique, which gives Contractor a peculiar value to the School and for the loss of which the School cannot be reasonably or adequately compensated in damages. Accordingly, Contractor acknowledges and agrees that a breach by Contractor of the provisions hereof will cause the School irreparable injury and damage. Contractor therefore expressly agrees that the School shall be entitled to injunctive and/or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement, but only if the School is not in breach of this Agreement.
