

## Bus Rider Behavior Contract

At IDEA Public Schools our mission is to prepare students for college and citizenship. We believe that a rigorous college preparatory education, combined with a strong foundation rooted in professionalism, respect and accountability gives our students the best chance to succeed to and through college. We expect our students to adhere to this culture of high expectations in the classroom, and in all settings that comprise the IDEA community, including our buses.

IDEA is committed to excellent customer service in providing transportation services to students throughout the Rio Grande Valley, Central Texas, Permian Basin, Louisiana, and Florida regions. Students are encouraged to take full advantage of this free service. Transportation, however, is a PRIVILEGE. Families that exercise this privilege are expected to observe IDEA's culture of high expectations and abide by the behavioral norms outlined in the student code of conduct, and specifically in this contract (please see the reverse side of this document for a detailed description of disciplinary consequences based on the most common offenses).

We, \_\_\_\_\_(student's name) and \_\_\_\_\_(name of parent or guardian), are committed to the road to and through college. We understand that a culture of high expectations in and out of the classroom is essential to achieving this goal. For this reason, we are committed to abiding by the expectations outlined in this bus ridership contract. I understand that failure to adhere to these expectations may result in temporary or permanent suspension of bus riding privileges.
