

CHILD NUTRITION Department

SPECIAL DIET REQUEST FORM

Generally, children with food allergies or intolerances do not have a disability as defined under either Section 504 of the Rehabilitation Act or Part B of Individuals with Disabilities Education Act. The Child Nutrition Department is <u>not</u> required to make food substitutions for these children.

While the rising prevalence of childhood obesity is a serious health concern, it is NOT currently classified as a disability. Nonetheless, the IDEA Public Schools Child Nutrition Program provides nutritionally rich and healthy menus for ALL meals: therefore, a special diet request for these options would not be necessary.
