

264.2 Anti-Hazing Policy

The School prohibits all acts of hazing. Hazing, like other violent and disruptive behaviors, is conduct that disrupts both a student's ability to learn and the School's ability to educate its students in a safe and civil environment. No person shall recklessly participate in the hazing of another. Permission, consent or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy.

Hazing or hazing activity means doing any act or coercing another, including the victim, to do any act of initiation into any student or other organization, or any act to continue or reinstate membership in or affiliation with any student or other organization, that causes or creates a substantial risk of causing mental or physical harm to any person, including coercing another to consume alcohol or a drug of abuse. For purposes of this policy, mental harm means mental stress, anxiety, physical injury, sickness, injury to feelings, humiliation, mental anguish, and/or depression, connected to and arising from the hazing activity.

Hazing activities of any type are inconsistent with the educational process and are prohibited at all times, regardless of whether the activity occurs on or off of property owned, used or controlled by the School, so long as the hazing activity is in any way connected to the activities or incidents that have occurred on property owned, used or controlled by the school. This policy will be actively enforced at all times.

Hazing is a violation of School policy separate and distinct from harassment or other prohibited conduct. No Student, including leaders of student organizations, may plan, encourage or engage in any hazing activity. Students having engaged in hazing activity and who fail to abide by this policy are subject to disciplinary action including suspension, expulsion, removal or permanent exclusion as set forth elsewhere in this policy manual, and may be liable for civil and criminal penalties pursuant to State law.

Staff are to be particularly alert to possible conditions, circumstances or events, which might include hazing. If hazing or planned hazing is discovered, involved students are informed by the discovering Staff member of the prohibition contained in this policy and are prohibited from participating or permitting hazing, and must end all hazing activities immediately. All hazing incidences are reported immediately to the Principal or his/her designee. Additionally, no administrator, employee, faculty member, teacher, consultant, or volunteer of the School who is acting in an official capacity shall fail to immediately report the knowledge of hazing to a law enforcement agency in the county where the hazing victim resides or where the hazing is occurring or has occurred.

No Staff shall encourage, permit, condone or tolerate any hazing activities, and Staff who fail to abide by this policy may be subject to disciplinary action and may be liable for civil and criminal penalties pursuant to State law.
