PART I – GENERAL INFORMATION AND INSTRUCTIONS

Scope of Services

IDEA Greater Cincinnati, Inc. is seeking Proposals from Respondents qualified and experienced in providing buses that meet [Ohio Administrative Code Rule 4501-5-02 School bus construction standards](#) in quality and safety for public schools. Vehicles requested will be primarily **Type A SPED, Type B SPED, and Type C (seating capacity 71 + passengers)**.

Qualified Respondent(s) will be placed on a list of qualified vendors available for campus/departmental use. Respondents should be able to meet and uphold the following standards and requirements as specified in this RFP.

- a) Vendor shall ensure buses quoted and delivered meet the basic requirements as specified in **Attachment G**.
- b) Camera systems must come with each bus – **Attachment G** lists the basic requirements for buses to be quoted and delivered.
- c) **The factory name and location shall be submitted with the bid.** Any installation of equipment that is not to be performed at the vendor site/location shall be listed with location and vendor performing installation.
- d) The district intends to purchase the types and quantities of buses listed in this RFP. When official order is made, the actual number purchased of any size bus may be adjusted up or down according to the district's needs and funding.
- e) All engines shall have the most current EPA Emissions Standards at the time of bid for the buses.
- f) Periodic inspections by IDEA staff may be made to ensure the buses are in accordance with Federal, State, and IDEA standards and good manufacturing principles. The district will incur the costs of the inspections and may bring in outside inspectors such as Certified Welding Inspectors and Mechanics. There shall be one inspection of each bus prior to full delivery of all buses. IDEA shall inspect these buses at the vendor location. This is to help ensure a faster delivery and fewer problems with buses meeting IDEA specifications.
- g) Vehicles bid shall meet all FMVSS requirements and current Ohio requirements for school buses as published.
- h) The vendor shall supply one spare rim for each bus purchased.
- i) **Floor diagrams must be included in the submittals.**
- j) IDEA Public Schools shall have the right to perform warranty repairs at their location and be reimbursed at full vendor's rate for approved equal parts and labor. **Proposer shall state their reimbursement labor rate per hour in their response.**
- k) General warranties are to include but will not be limited to:

- a. Warranty shall be 3-Year/50,000 miles (starting from delivery date) of power train to include all internal engine parts, fuel system, computer software, hardware, programming, emissions controls/hardware and engine-driven accessories (excluding Air-Conditioning compressors), transmission, drive-line components, front & rear axle components (except consumable brake parts).
 - b. Starter and alternator shall have a 1-year warranty.
 - c. **Vehicle warranty information must be included in Request for Proposal submission.**
- l) The vendor must submit a contingency plan if vehicles cannot be delivered by the requested date of the RFP. An uncontrollable, unforeseen, out-of-normal operations event, such as an Act of God, would constitute a contingency plan.
- m) Respondents must also complete the **Vendor Questionnaire in Attachment H** of this RFP.

First Quote Request

All vehicles must be received by July 1, 2024 (please provide pricing in "Attachment I")

IDEA is requesting the following buses for **Ohio**:
