Jessica Lunsford Background Screening Compliance

Introduction: Florida Law, the Jessica Lunsford Act, requires a vendor who will have employees present on charter school property to undergo a Level II background screening, which consists of an FDLE/FBI search if vendor representatives will be at a school when students are present, have direct contact with students, or have access to or control of school funds. If no personnel will meet any of the three criteria, the law does not apply and no action will be needed. For vendors providing services to charter schools in the Hillsborough District, more information may be found at www.sdhc.k12.fl.us/Procurement/JessicaLunsfordAct.asp.

Each vendor will be required, at its own cost, to comply with the background screening and badging requirements prior to providing services and provide proof of compliance.

Criminal History Review of Contractor Employees

I, the undersigned agent for Vendor, certify that [check one]:

☐ None of the employees of Vendor and any subcontractors are “covered employees” as defined above. If this box is checked, I further certify that Vendor has taken precautions or imposed conditions to ensure that the employees of Vendor and any subcontractor will not become covered employees. Vendor will maintain these precautions or conditions throughout the time the contracted services are provided.

OR

☐ Some or all of the employees of Vendor and any subcontractor are “covered employees.” If this box is checked, I further certify that:

1. Vendor has complied with all the requirements of the Jessica Lunsford act as required by law.
2. If Vendor receives information that a covered employee subsequently has a reported criminal history, Vendor will immediately remove the covered employee from contract duties and notify IDEA in writing within three business days.
3. Upon request, Vendor will provide IDEA, the school district or its agents with the name and any other requested information regarding covered employees so that IDEA may obtain criminal history record information on the covered employees.
4. If IDEA objects to the assignment of a covered employee on the basis of the covered employee’s criminal history record information, Vendor agrees to discontinue using that covered employee to provide services to IDEA.
5. All covered employees hired after January 1, 2008 have completed the required background check process prior to performing any duties related to IDEA or having any direct contact with students.

Contract Provisions for Contracts Involving Federal Funds

With respect to the use of federal funds for the procurement of goods and services, 2 CFR 200.326 and Appendix II to 2 CFR 200 require the inclusion of the following contract provisions.

1. Remedies for Contract Breach or Violations. Contracts for more than the simplified acquisition threshold currently set at \$150,000 must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms and provide for such sanctions and penalties as appropriate.
2. Termination for Cause and Convenience. All contracts in excess of \$10,000 must address termination for cause and for convenience by THE SCHOOL including the manner by which it will be effected and the basis for settlement.
3. Equal Employment Opportunity. Except as otherwise provided under 41 CFR 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR 1964–1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
4. Davis-Bacon Act. When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by the school and the charter districts must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The school and the charter districts must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The school and the charter districts must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The school and the charter districts must report all suspected or reported violations to the Federal awarding agency.
5. Contract Work Hours and Safety Standards Act. Where applicable, all contracts awarded by the school and the charter districts in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or

articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

6. *Rights to Inventions Made Under a Contract or Agreement.* If the Federal award meets the definition of “funding agreement” under 37 CFR 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of 37 CFR 401, “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.

9. *Debarment and Suspension.* A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide Excluded Parties List System in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1986 Comp., p. 189) and 12689 (3 CFR Part 1989 Comp., p. 235), “Debarment and Suspension.” The Excluded Parties List System in SAM contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
10. *Byrd Anti-Lobbying.* Contractors that apply or bid for an award of \$100,000 or more must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 U.S.C. 1352.
