# Mission Statement

IDEA Public Schools prepare students from underserved communities for success in college and citizenship.

## Vision

To ensure students reach their potential, IDEA Public Schools will become the region's largest creator of college graduates.

IDEA Edinburg Academy empowers our students to achieve college readiness by establishing a culture of high achievement in all that they do. Students will be equipped with the knowledge and skillset to meet school-wide culture expectations through culture camp. Scholars will also become personally invested in exceeding these expectations by establishing their roots into our school community by cultivating a positive learning environment.

## Core Values

Our drive to translate our mission and vision into reality are based upon the following core values:

- We achieve **Academic Excellence**
- We deliver **Results**
- We ensure **Equity**
- We build **Team & Family**
- We act with **Integrity**
- We bring **Joy**
- We **Sweat the Small Stuff**

# Comprehensive Needs Assessment

## Demographics

### Demographics Summary

IDEA Edinburg Academy was established in 2013 and is located North of Edinburg at 2753 Roegiers Rd, 78541. The enrollment for the 2022-2023 school year was 769. The school serves a Hispanic majority community, with our ethnic breakdown consisting of approximately 95% Hispanic, 3% White, 1% Asian, and 1% African American. Approximately 86% of our student population was considered economically disadvantaged; therefore, our students qualified for a free and reduced lunch, making us eligible for the Title I, Part A school grant. This data has remained for the last 4-5 years, with an increase in students categorized as economically disadvantaged.

### 2022-2023

#### *Overall Enrollment*

The instructional program at Edinburg Academy consists of the Great Minds Curriculum, which focuses on Eureka Math and Wit & Wisdom; both curricula allow students to gravitate towards a hands, holistic approach to learning. Along with the Great Minds curriculum, Edinburg Academy offers Reading Mastery Transformations, an integrated approach to spelling, letter names, letter sounds, and handwriting. Through our RISE curriculum, we service students through our Attainment program, which emphasizes Language, Reading, and Math.

### Demographics Strengths

- There are 54.8 teachers and co-teachers at Edinburg Academy, 97% of staff identify as Hispanic, and 3% identify as Asian.
- Teacher Experience: 67% of teachers have 1-5 years of education, 27% have 6-10 years of experience, 6% have 11+ years of experience.
- There is a scope & sequence of professional developments that is tailored and progressive with student rigor and focus of mastery that is integrated with research based teaching strategies.
- There is intentional alignment between College Prep and Academy that is focused on increasing parent engagement by ensuring mailers are in home language.
- TELPAS Goal met with a 57%

### Problem Statements Identifying Demographics Needs

**Problem Statement 1 (Prioritized):** Parental involvement is low specifically in the area of how do parents support their students academically. Grades K-5 students need immediate interventions by focusing on language, behavior, fine/gross motor, cognition and other developmental areas to ensure students are receiving a free appropriate education and to maximize their learning potential. **Root Cause:** However, parental knowledge, outreach, engagement and an understanding of age-appropriate development of children contributes to lack of awareness.

**Problem Statement 2:** IDEA Academy Edinburg was not able to meet the 97.0% district goal for Average Daily Attendance (ADA) this school year. **Root Cause:** There was a lack of clear, outlined processes that explained pertinent roles of all stakeholders such as teachers and administrators. The current process was transactional and was not clear.

# Student Learning

## Student Learning Summary

STAAR Performance	Reading	Mathematics	Science	Totals	Percentage	
Total Tests	362	362	117	841		
Approaches GL or Above	279	250	84	613	73%	
Meets GL or Above	168	131	41	340	40%	
Masters GL	84	55	18	157	19%	

## Student Learning Strengths

We have identified an area of need in literacy, reading overall, writing, and the lack of special education as a sub pop meeting grade-level expectations. Each teacher tracks their student's performance throughout the year using data teams aligned to the state and national standards and data discussions occur monthly to communicate progress and action plans with the administration. All teachers have individual data binders that they track student progress and set goals with action steps for improvement. Staff will continue to use the data gathered to monitor and guide instruction. Faculty and staff will use the district curriculum and resources along with differentiation and best practices to ensure success for students.

## Problem Statements Identifying Student Learning Needs

**Problem Statement 1 (Prioritized):** Grades K-5 curriculum alignment of contents and grade level with TEKS incorporation. **Root Cause:** Lack of purposeful vertical alignment meetings.

**Problem Statement 2:** Decrease in meets and masters from STAAR to Mock. **Root Cause:** The lack of focus on meets and masters as previous year instruction.

# School Processes & Programs

## School Processes & Programs Summary

IDEA Academy Edinburg offers rigorous core instruction in Grades PK-5 that is challenged through engaging and thorough education provided through a vertically aligned program focused on the Texas Essential Knowledge and Skills for all subject areas. The school uses data analysis, including norm-referenced and criterion-referenced assessments, to diagnose student knowledge, skills, and mastery. IDEA Academy Edinburg continuously monitors progress in acquiring grade-level content and skills throughout the year. This is essential to providing individualized learning for all students. Individualized learning ensures students are mastering content and skills within their zone of proximal development. For students in PreK-2, literacy instruction is delivered using a systematic phonics program that includes homogenous grouping based on student placement test results. In kindergarten through 5th grade, students engage in individualized instruction and practice through adaptive software in mathematics and literacy. All students at IDEA Public Schools are issued a personal technology device to access education from anywhere and anytime.

## School Processes & Programs Strengths

### Curriculum & Instruction:

- IDEA provides students access to accelerated instruction through the 1:1 technology device, including adaptive mathematics and literacy software and hundreds of thousands of books in the district's digital library.
- IDEA curricular resources include high-quality instructional materials that earn the highest ratings on national evaluation measures.
- IDEA curriculum is regularly evaluated using a quality evaluation tool, ensuring alignment to the Texas Essential Knowledge and Skills and AP course standards and the STAAR/EOC and AP exams.
- IDEA implements a variety of training opportunities for teachers and leadership staff to develop teachers' pedagogical content knowledge and leaders' coaching skills.
- For 15 years, 100% of IDEA students have been accepted into college, demonstrating that IDEA academic programming adequately prepares students for post-secondary education.
- In 2022, four IDEA schools were ranked in the top 10 Most Challenging Schools in the Nation and 13 in the top 1% of schools nationwide by the Jay Mathews Challenge Index High School Rankings.

### Special Programs

- IDEA exceeded the expected growth target for EL student performance on TELPAS in 2022-2023, with 57% of ELs meeting that target.
- IDEA provides targeted research-based instruction to students with a 2.0-year gap in Reading and/or Math to close that gap by 2.0 years during the school year with our initiative called Critical Student Intervention (CSI). During the 22-23 school year, 63% met Math goals through the RenSTAR platform.

## Problem Statements Identifying School Processes & Programs Needs

**Problem Statement 1 (Prioritized):** The school behavior process is not effectively addressing students' behavioral needs, leading to frequent disruptions, disciplinary issues, and hindering the overall learning environment. **Root Cause:** Ineffective behavior process due to the lack of consistent and comprehensive strategies and communication. Teachers and school staff did not receive sufficient training or support in behavior management techniques. They lack the necessary skills and knowledge to identify and address disruptive behavior's underlying causes effectively.

# Perceptions

## Perceptions Summary

Edinburg Academy teachers and staff believe that student success stems from collaboration. When everyone operates as a Professional Learning Community, best practices are aligned and everyone is accountable for results. Students and staff learn together and connect through restorative practices, intentional social-emotional learning, and experiences that support a collaborative culture. Edinburg Academy staff believe that all students can be academically successful when we focus on strong, campus-wide systems and initiatives. Once a month, Edinburg Academy holds student celebration through pep rallies, classroom celebrations, and come together as a team.

## Perceptions Strengths

- Parent Survey's are collected twice a year: Middle of Year, End of Year. This survey is known as the "Panorama Survey" where they can provide direct feedback to the school.
- Teachers reach out to parents within 24 hours of initial contact.
- There are monthly student celebration and engagement events
- Monthly parent engagement activities

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1 (Prioritized):** Building relationships with various levels of teachers, staff, and students is a continual process. We all continue to implement treatment agreements and team norms. Using RtI referrals, various data, and vertical alignment documents, teachers identify needs and know what they need to do to get there. **Root Cause:** Academic gaps exist due to lack of building relationships for some students along with behavior challenges. Students at Edinburg Academy have behavior challenges due to trauma, language barriers, and cultural aspects. Poverty and instability in the home environment demands the need of appropriate behavior and learning strategies training for staff.

**Problem Statement 2:** Parent involvement and relationships, especially with diverse populations, and community partnerships are not as strong as we would like. **Root Cause:** There are limited opportunities with the school in activities that are partnered with parents/community members. They may do not feel confident in participating because of working multiple jobs to support family, language barriers, knowledge of curriculum, and time.

# Priority Problem Statements

**Problem Statement 1:** Parental involvement is low specifically in the area of how do parents support their students academically. Grades K-5 students need immediate interventions by focusing on language, behavior, fine/gross motor, cognition and other developmental areas to ensure students are receiving a free appropriate education and to maximize their learning potential.

**Root Cause 1:** However, parental knowledge, outreach, engagement and an understanding of age-appropriate development of children contributes to lack of awareness.

**Performance Objective 2 Problem Statements:**

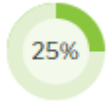

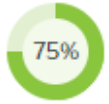

Demographics
<p><b>Problem Statement 1:</b> Parental involvement is low specifically in the area of how do parents support their students academically. Grades K-5 students need immediate interventions by focusing on language, behavior, fine/gross motor, cognition and other developmental areas to ensure students are receiving a free appropriate education and to maximize their learning potential. <b>Root Cause:</b> However, parental knowledge, outreach, engagement and an understanding of age-appropriate development of children contributes to lack of awareness.</p>

**Goal 3:** Increase student persistence

**Performance Objective 3:** IDEA Edinburg Academy will complete the Anti-Bullying and Safer, Smarter School curriculum by deadline indicated on the district calendar. (TEC 11.253(d)(8))

**HB3 Goal**

**Evaluation Data Sources:** District provided research-based lessons via move this world, Counselor will track progress of presentations by using Move this World curriculum activity log via the dashboard online.

**Summative Evaluation:** Significant progress made toward meeting Objective

**Goal 4:** Increase student daily attendance

**Performance Objective 1:** IDEA Edinburg will achieve a 96% annual attendance rate for the 23-24 school year.

**High Priority**

**Evaluation Data Sources:** Daily Power School reporting based on Official Attendance Taking Period (OATP) will be used to measure ADA and obtain weekly reports on truant students.

**Summative Evaluation:** Some progress made toward meeting Objective

Strategy 1 Details	Reviews			
<p><b>Strategy 1:</b> IDEA Edinburg will implement a minute-by-minute strategy where ADA will be checked every morning and parent contact will be made in a daily basis by teachers and leadership team.</p> <p><b>Strategy's Expected Result/Impact:</b> Daily communication with parents will be accomplished, and a partnership will be formed with parents of truant students to prevent loss of credit.</p> <p><b>Staff Responsible for Monitoring:</b> Lead Team members will be monitoring daily teacher phone calls and will report results during a daily ADA huddle.</p> <p><b>Title I:</b> 2.5, 2.6, 4.1, 4.2</p> <p>- <b>TEA Priorities:</b> Improve low-performing schools</p> <p>- <b>ESF Levers:</b> Lever 3: Positive School Culture</p> <p><b>Problem Statements:</b> Demographics 1</p>	Formative			Summative

<p><b>Problem Statement 1:</b> Building relationships with various levels of teachers, staff, and students is a continual process. We all continue to implement treatment agreements and team norms. Using RtI referrals, various data, and vertical alignment documents, teachers identify needs and know what they need to do to get there. <b>Root Cause:</b> Academic gaps exist due to lack of building relationships for some students along with behavior challenges. Students at Edinburg Academy have behavior challenges due to trauma, language barriers, and cultural aspects. Poverty and instability in the home environment demands the need of appropriate behavior and learning strategies training for staff.</p>
