

**IDEA Public Schools  
Weslaco College Prep  
2023-2024 Improvement Plan**

**Public Presentation Date:** August 22, 2023

# Mission Statement

IDEA Public Schools prepare students from underserved communities for success in college and citizenship.

IDEA Weslaco College Preparatory

The school community at IDEA Weslaco College Preparatory prioritizes our College for All mission by ensuring that *all* Team & Family members receive the requisite support to pursue the pinnacles of their successes. We value the uniqueness in talent and perspective that our parents, students, and staff bring to our school, be it through their socioeconomic status, citizenship, ethnicity, race, gender, gender identity and sexual orientation.

## Vision

To ensure students reach their potential, IDEA Public Schools will become the region's largest creator of college graduates.

## Core Values

Our drive to translate our mission and vision into reality are based upon the following core values:

- We achieve **Academic Excellence**
- We deliver **Results**
- We ensure **Equity**
- We build **Team & Family**
- We act with **Integrity**
- We bring **Joy**
- We **Sweat the Small Stuff**

  - Goal 4: Increase student daily attendance 23
  - Goal 5: Increase staff retention 26
  - Goal 6: Increase student enrollment (no required performance objectives/strategies) 32
- Campus Funding Summary 33

# Comprehensive Needs Assessment

## Demographics

### Demographics Summary

IDEA Weslaco College Preparatory offers instruction to 780 6th through 12th graders each year and serves a primarily minority low socioeconomic status population. 100% of our seniors will graduate then matriculate to college (with two potential military exemptions). We pride ourselves in the quality education our students receive through their preparation for college and the service we provide to our community. We have 100% of our graduates CCMR ready and have exceeded 85% teacher retention.

### Demographics Strengths

Students of all populations are expected to achieve their best academic potential. We currently have over 98% of our high school students on track to graduate and 87 graduates who will matriculate to college by September 2023. We are on track to persist through this school year with 90% of our students returning to our school for 2023-2024.

### Problem Statements Identifying Demographics Needs

**Problem Statement 1 (Prioritized):** Attendance repeat offending students continued to miss school and inconsistently improved their campus attendance. **Root Cause:** We had an inconsistent process for data tracking and implementation of the escalation matrix for teachers and leaders to intervent.

**Problem Statement 2:** Student persistence interventions and processes were not firm with appropriate talking points for families. **Root Cause:** We did not organize our SC to ensure that systems were set and communicated or trained on.

**Problem Statement 3:** Onboarding of new families did not include messaging on campus culture, discipline in the classroom, our mission of college for all, and high expectations for communication and collaboration. **Root Cause:** Welcome to IDEA was a transactional event and process for enrollment.

# Student Learning

## Student Learning Summary

IDEA Weslaco College Preparatory graduates scholars under our Distinguished Achievement Plan with minor exceptions and has each student complete 125 community service hours. In the 2022-2023 academic year, our goal of A campus has been at a prediction of an 87. Class of 2023 has 94% of students with CCMR criteria met. Our Advanced Placement results for AP Scholar determination is pending, but we are currently at 10% achieving this status. We currently have one drop out student from this academic year in the 10th grade.

## Student Learning Strengths

Students who are AP scholars continue to show success in AP course benchmark exams. The 10th grade class is on track to meet their 21 ACT average goal for 2023-2024 (first time). High School Reading Language Arts STAAR teachers are continuing to increase student achievement through a focus on key point delivery and student practice.

## Problem Statements Identifying Student Learning Needs

**Problem Statement 1:** Students in middle school were not exposed to Cambium practice in the Fall semester for fluency on STAAR testing procedures. **Root Cause:** Distribution of technology was delayed for students, and we did not have enough inventory for these grade levels. We gapped in prioritizing full campus needs and proper labeling of devices.

**Problem Statement 2 (Prioritized):** Teachers were not consistently rehearsing weekly and daily lessons and internalizing their content. **Root Cause:** Leaders used lesson plan clinics in the Fall at beginning of year and did not set time for rehearsals. Lesson planning mastery was determined then relied on.

**Problem Statement 3 (Prioritized):** As a campus, visual models were not a central focus for our special populations. Students who are Special Education and Language Learners were not having support needed. **Root Cause:** Instructional team did not inspect and check for this instructional strategy. Though anchor charts were shown during training day, there was limited follow up.

**Problem Statement 4:** Building literacy among students is limited as a campus through consistent tracking and promotion of development. **Root Cause:** Classroom instruction focuses on getting students to STAAR mastery and not fluency/comprehension/growth. We see this as a priority and do not consider the impact this can have.

**Problem Statement 5:** Technology was not readily available to students and teachers for in class and at home use. **Root Cause:** We had a lack of organizational system for distribution and proper messaging for culture lessons on use of technology and care.

**Problem Statement 6 (Prioritized):** Students in other grade levels use various forms of graphic organizers, annotations and writing prompt structures. **Root Cause:** There is a lack of vertical alignment for content tools and teacher delivery of HOW key points.

**Problem Statement 7 (Prioritized):** Reflection of student achievement was not consistent through the year through re-teach planning. Use of exit tickets was a training for staff, but follow through with SWAM sessions through the year was not consistent. **Root Cause:** We allowed culture gaps in select classes and teacher staffing changes to distract us from the GET 5 focus. Data driven instruction was not treated with urgency.

**Problem Statement 8 (Prioritized):** Culture was impacted by inconsistent cultural expectations of first year teachers. IDEA expectations were not actualized in 100% of classrooms. **Root Cause:** Instructional Lead Team had a lack of clarity on what school systems should look like once students are on campus and teachers have completed Culture Camp.

# School Processes & Programs

## School Processes & Programs Summary

At IDEA Weslaco College Preparatory, we lead our students through Pre-AP and Advanced Placement programming while embedding Road To and Through College and ACT exam preparation for high school students. We are coached by our regional and national teams to ensure that our curriculum is understood and implemented as intended. Staff engages in weekly Tuesday meeting interactions after school to engage in campus training through a rotation. This is our opportunity to train, celebrate and inform staff for aligned messaging. Teachers who are new to campus or needing more support are included in additional practice sessions for skill development.

## School Processes & Programs Strengths

We organized a calendar this year that included all information across campus (exclusion testing). This was helpful to staff in knowing their afternoon schedule for meetings and all campus events including students or parents. Staff development was calendared in advance and communicated to content leaders.

## Problem Statements Identifying School Processes & Programs Needs

**Problem Statement 1 (Prioritized):** Special education students are struggling with use of instructional tools and identification on campus. **Root Cause:** The priority this year was on systems for SPED staff and instructional lead team did not internalize each individual students' needs.

**Problem Statement 2 (Prioritized):** Culture rounds did not have the impact intended and were inconsistent in Spring. **Root Cause:** A year-long schedule was not created in calendar (only paper). Principal did not prioritize leadership of School Counselor in this capacity.

**Problem Statement 3 (Prioritized):** Teacher asks and schedule after school is varied based on grade team meeting schedule. Teachers feel overwhelmed or uninvolved based on their level of engagement. **Root Cause:** Leaders are not considering what teachers want in their schedules.

**Problem Statement 4:** Opportunities for students to engage after school are limited and reaching a smaller number of students. **Root Cause:** Our organized plan for 21st Century and campus clubs has not been shared and communicated with all stakeholders.

**Problem Statement 5 (Prioritized):** Teacher retention has been low this year with leavers in the first Quarter of the year. **Root Cause:** Managers did not spend time ensuring that new staff were feeling adequate and supported through their learning. This was an onboarding gap and also in Quarter 1.

# Perceptions

## Perceptions Summary

IDEA Weslaco College Preparatory has a 100% graduation rate with one student possibly affecting the 2024 data. We have retained 85% of our staff since 2018 and currently have two new teachers on our staff for this academic year. Staff absences are higher than prior to 2020 with increased number at an excessive number (over 10).

## Perceptions Strengths

We have seen an increase in manager approval from our instructional staff in our GPTW surveys. Though low to the goal benchmark, we are meeting our employee retention goal for the campus. Managers are working to continue building relationships with staff and prioritizing communication.

## Problem Statements Identifying Perceptions Needs

**Problem Statement 1 (Prioritized):** Staff consistently feels that this is not an emotionally safe place to work. Results continue to decline on this question. **Root Cause:** As a lead team, we do not consider the impact excess teacher actions cause or respond to how people are feeling.

**Problem Statement 2 (Prioritized):** Parent events are limited to our Meet the Teacher Night and our Winter Spectacular. Visits to campus are either from highly involved parents due to academics or sports and not our most at-risk students. **Root Cause:** We are targeting events to the overall audience and not engaging all families.

# Priority Problem Statements

**Problem Statement 1:** Culture was impacted by inconsistent cultural expectations of first year teachers. IDEA expectations were not actualized in 100% of classrooms.

**Root Cause 1:** Instructional Lead Team had a lack of clarity on what school systems should look like once students are on campus and teachers have completed Culture Camp.

**Problem Statement 1 Areas:** Student Learning

**Problem Statement 2:** Reflection of student achievement was not consistent through the year through re-teach planning. Use of exit tickets was a training for staff, but follow through with SWAM sessions through the year was not consistent.

**Root Cause 2:** We allowed culture gaps in select classes and teacher staffing changes to distract us from the GET 5 focus. Data driven instruction was not treated with urgency.

**Problem Statement 2 Areas:** Student Learning

**Problem Statement 3:** Teachers were not consistently rehearsing weekly and daily lessons and internalizing their content.

**Root Cause 3:** Leaders used lesson plan clinics in the Fall at beginning of year and did not set time for rehearsals. Lesson planning mastery was determined then relied on.

**Problem Statement 3 Areas:** Student Learning

**Problem Statement 4:** Students in other grade levels use various forms of graphic organizers, annotations and writing prompt structures.

**Root Cause 4:** There is a lack of vertical alignment for content tools and teacher delivery of HOW key points.

**Problem Statement 4 Areas:** Student Learning

**Problem Statement 5:** As a campus, visual models were not a central focus for our special populations. Students who are Special Education and Language Learners were not having support needed.

**Root Cause 5:** Instructional team did not inspect and check for this instructional strategy. Though anchor charts were shown during training day, there was limited follow up.

**Problem Statement 5 Areas:** Student Learning

**Problem Statement 6:** Attendance repeat offending students continued to miss school and inconsistently improved their campus attendance.

**Root Cause 6:** We had an inconsistent process for data tracking and implementation of the escalation matrix for teachers and leaders to intervent.

**Problem Statement 6 Areas:** Demographics

**Problem Statement 7:** Teacher asks and schedule after school is varied based on grade team meeting schedule. Teachers feel overwhelmed or uninvolved based on their level of engagement.

**Root Cause 7:** Leaders are not considering what teachers want in their schedules.

**Problem Statement 7 Areas:** School Processes & Programs

**Problem Statement 8:** Special education students are struggling with use of instructional tools and identification on campus.

**Root Cause 8:** The priority this year was on systems for SPED staff and instructional lead team did not internalize each individual students' needs.

**Problem Statement 8 Areas:** School Processes & Programs

**Problem Statement 9:** Culture rounds did not have the impact intended and were inconsistent in Spring.

**Root Cause 9:** A year-long schedule was not created in calendar (only paper). Principal did not prioritize leadership of School Counselor in this capacity.

**Problem Statement 9 Areas:** School Processes & Programs

**Problem Statement 10:** Teacher retention has been low this year with leavers in the first Quarter of the year.

**Root Cause 10:** Managers did not spend time ensuring that new staff were feeling adequate and supported through their learning. This was an onboarding gap and also in Quarter 1.

**Problem Statement 10 Areas:** School Processes & Programs

**Problem Statement 11:** Parent events are limited to our Meet the Teacher Night and our Winter Spectacular. Visits to campus are either from highly involved parents due to academics or sports and not our most at-risk students.

**Root Cause 11:** We are targeting events to the overall audience and not engaging all families.

**Problem Statement 11 Areas:** Perceptions

**Problem Statement 12:** Staff consistently feels that this is not an emotionally safe place to work. Results continue to decline on this question.

**Root Cause 12:** As a lead team, we do not consider the impact excess teacher actions cause or respond to how people are feeling.

**Problem Statement 12 Areas:** Perceptions

# Comprehensive Needs Assessment Data Documentation

The following data were used to verify the comprehensive needs assessment analysis:

## Improvement Planning Data

- HB3 Reading and math goals for PreK-3
- HB3 CCMR goals
- Planning and decision making committee(s) meeting data
- State and federal planning requirements

## Accountability Data

- Texas Academic Performance Report (TAPR) data
- Student Achievement Domain
- Student Progress Domain
- Closing the Gaps Domain

## Student Data: Assessments

- STAAR current and longitudinal results, including all versions
- STAAR End-of-Course current and longitudinal results, including all versions
- Advanced Placement (AP) and/or International Baccalaureate (IB) assessment data
- Student failure and/or retention rates
- Local benchmark or common assessments data
- Grades that measure student performance based on the TEKS

## Student Data: Student Groups

- Race and ethnicity data, including number of students, academic achievement, discipline, attendance, and rates of progress between groups
- Economically disadvantaged / Non-economically disadvantaged performance and participation data
- Special education/non-special education population including discipline, progress and participation data
- Emergent Bilingual (EB) /non-EB data, including academic achievement, progress, support and accommodation needs, race, ethnicity, gender etc.

## Student Data: Behavior and Other Indicators

- Completion rates and/or graduation rates data
- Annual dropout rate data
- Attendance data
- Discipline records

## Employee Data

- Staff surveys and/or other feedback
- Campus department and/or faculty meeting discussions and data
- Professional development needs assessment data

## Parent/Community Data

- Parent surveys and/or other feedback

- Parent engagement rate

### **Support Systems and Other Data**

- Processes and procedures for teaching and learning, including program implementation

# Goals

**Goal 1:** All IDEA students matriculate to college

**Performance Objective 1:** College Prep Average ACT score of 21 or better by high school graduation (HB3)

**High Priority**

**Evaluation Data Sources:** ACT tracker

Strategy 1 Details	Reviews			
<p><b>Strategy 1:</b> Lead consistent ACT practice in 9th, 10th and 11th grade classrooms</p> <p><b>Strategy's Expected Result/Impact:</b> Teachers of all contents in high school will know the importance of this exam and make connections through their courses.</p> <p><b>Staff Responsible for Monitoring:</b> CC, GTLs, Teachers</p> <p><b>Title I:</b> 2.4, 2.6</p> <p>- <b>TEA Priorities:</b> Build a foundation of reading and math, Connect high school to career and college, Improve low-performing schools</p> <p><b>Problem Statements:</b> Student Learning 7</p>	Formative			Summative

<p><b>Strategy 1:</b> SC Tracking and monitoring of expectations  <b>Strategy's Expected Result/Impact:</b> SC receives guidance of initiatives and seeks support where needed.  <b>Staff Responsible for Monitoring:</b> SC</p> <p><b>Title I:</b>                      2.5                      - <b>TEA Priorities:</b>                      Recruit, support, retain teachers and principals  <b>Problem Statements:</b> Student Learning 8 - Perceptions 1</p>	Formative			Summative
	Oct	Jan	Mar	June
				
<div style="display: flex; justify-content: space-around; align-items: center;"> <span> No Progress</span> <span> Accomplished</span> <span> Continue/Modify</span> <span> Discontinue</span> </div>				

**Performance Objective 3 Problem Statements:**

Student Learning
<p><b>Problem Statement 8:</b> Culture was impacted by inconsistent cultural expectations of first year teachers. IDEA expectations were not actualized in 100% of classrooms. <b>Root Cause:</b> Instructional Lead Team had a lack of clarity on what school systems should look like once students are on campus and teachers have completed Culture Camp.</p>
Perceptions
<p><b>Problem Statement 1:</b> Staff consistently feels that this is not an emotionally safe place to work. Results continue to decline on this question. <b>Root Cause:</b> As a lead team, we do not consider the impact excess teacher actions cause or respond to how people are feeling.</p>

**Goal 3:** Increase student persistence

**Performance Objective 4:** 100% of teachers will average Proficient or higher on Culture Rounds

**High Priority**

**Evaluation Data Sources:** weekly tracking; Culture Rubric

Strategy 1 Details	Reviews			
<p><b>Strategy 1:</b> Reset on Culture Rounds</p> <p><b>Strategy's Expected Result/Impact:</b> All leaders know what it expected and have transparency on how change is made through their leadership.</p> <p><b>Staff Responsible for Monitoring:</b> SC, Lead Team</p> <p><b>Title I:</b> 2.4, 2.5, 2.6</p> <p>- <b>TEA Priorities:</b> Recruit, support, retain teachers and principals, Improve low-performing schools</p> <p><b>Problem Statements:</b> Student Learning 8 - School Processes &amp; Programs 2</p>	Formative			Summative
	Oct	Jan	Mar	June
				
 No Progress  Accomplished  Continue/Modify  Discontinue				

**Performance Objective 4 Problem Statements:**

Student Learning
<p><b>Problem Statement 8:</b> Culture was impacted by inconsistent cultural expectations of first year teachers. IDEA expectations were not actualized in 100% of classrooms. <b>Root Cause:</b> Instructional Lead Team had a lack of clarity on what school systems should look like once students are on campus and teachers have completed Culture Camp.</p>
School Processes & Programs
<p><b>Problem Statement 2:</b> Culture rounds did not have the impact intended and were inconsistent in Spring. <b>Root Cause:</b> A year-long schedule was not created in calendar (only paper). Principal did not prioritize leadership of School Counselor in this capacity.</p>

**Goal 4:** Increase student daily attendance

**Performance Objective 1:** IDEA Weslaco College Preparatory will achieve a 95.5% annual attendance rate for the 23-24 school year

**High Priority**

**Evaluation Data Sources:** Locus dashbaord ADA; daily attendance

Strategy 1 Details	Reviews			
<p><b>Strategy 1:</b> Lead Team primary contact for ADA</p> <p><b>Strategy's Expected Result/Impact:</b> Parents will feel more connected to their administrators, and this will increase relationships and results. Teachers will have more time to focus on culture and instruction.</p> <p><b>Staff Responsible for Monitoring:</b> APO, Principal</p> <p><b>Title I:</b> 2.4, 2.5, 2.6</p> <p>- <b>TEA Priorities:</b> Recruit, support, retain teachers and principals, Improve low-performing schools</p> <p><b>Problem Statements:</b> Demographics 1 - School Processes &amp; Programs 5 - Perceptions 1</p>	Formative			Summative
	Oct	Jan	Mar	June
				
 No Progress  Accomplished  Continue/Modify  Discontinue				

**Performance Objective 1 Problem Statements:**

Demographics
<p><b>Problem Statement 1:</b> Attendance repeat offending students continued to miss school and inconsistently improved their campus attendance. <b>Root Cause:</b> We had an inconsistent process for data tracking and implementation of the escalation matrix for teachers and leaders to intervent.</p>
School Processes & Programs
<p><b>Problem Statement 5:</b> Teacher retention has been low this year with leavers in the first Quarter of the year. <b>Root Cause:</b> Managers did not spend time ensuring that new staff were feeling adequate and supported through their learning. This was an onboarding gap and also in Quarter 1.</p>
Perceptions
<p><b>Problem Statement 1:</b> Staff consistently feels that this is not an emotionally safe place to work. Results continue to decline on this question. <b>Root Cause:</b> As a lead team, we do not consider the impact excess teacher actions cause or respond to how people are feeling.</p>

**Goal 4:** Increase student daily attendance

**Performance Objective 2:** 100% of students from 6th, 7th and 9th graders meet their MVPA minutes goal of 1200. (TEC 11.253(d)(10))

**Evaluation Data Sources:** Coaches trackers

Strategy 1 Details	Reviews			
<p><b>Strategy 1:</b> Campus tracking</p> <p><b>Strategy's Expected Result/Impact:</b> Teachers on grade team will be aware of this progress of students.
