

## 2024-2025 Florida Meal Charge Policy & Procedures

### **Introduction**

The goal of IDEA Florida Inc. (IDEA) Child Nutrition Program (CNP) is to provide students with healthy meals each day. The purpose of this policy is for IDEA CNP to be compliant with federal, state & local policy, and to provide oversight and accountability for the collection of outstanding student meal balances.

Parents may provide their own child with breakfast, lunch, or snacks. To ensure the health and safety of students with food allergies, intolerances and special diets, students may not share food from home with other students. For more information, see the Wellness Policy at the IDEA Website referenced in the contact information below.

As per the United States Department of Agriculture (USDA), disabled students and students with free eligibilities cannot be denied a reimbursable meal even if the student has accrued a negative balance.

### **Community Eligibility Provision effective 2022-2023 School Year**

Effective July 1, 2022, CNP adopted the Community Eligibility Provision (CEP) to provide healthy meals for breakfast and lunch to all students, at selected schools, at no charge and eliminate the collection of meal applications and income verification for the upcoming school year. IDEA already offers free breakfast to all students. This adoption allows CNP to extend free lunch to all students at selected schools. Please note that if the student does not select a reimbursable meal, fees may apply for breakfast or lunch. A complete list of schools that qualify for CEP is provided below.

The IDEA school sites that qualify for the CEP for the 2024-2025 school year include:

IDEA Hope  
IDEA Victory  
IDEA Bassett  
IDEA River Bluff

Schools that do not qualify for CEP, hereinafter referred to as “non-CEP”, will continue the collection of meal applications for free, reduced, and full priced meals. Since IDEA’s student population is growing, CNP will submit data annually to the state agency to determine if schools continue to qualify for CEP the following school year. CNP will notify households on an annual basis regarding the CEP status for each school.

The Student Information System of IDEA will obtain income surveys as per state compliance to obtain social economic data for some students not currently directly certified through CEP. Income surveys are only to obtain data, and will not impact the qualification of students from CEP schools for free breakfast and lunch.

### **Free and Reduced Meal Applications**

Families of students who attend a school that is not on the list above are asked to complete a Free and Reduced Meal (FARM) application before the beginning of the academic year. The FARM application is provided to CNP by the state agency and is used to determine if students and/or families qualify for free or reduced-priced lunch for the academic year. Families can visit the Child Nutrition Program Parent site at

## 2024-2025 Florida Meal Charge Policy & Procedures

<https://ideapublicschools.org/parents/cnp/> for assistance with applying for free or reduced-price school meals.

### **Eligibility Changes**

Households may update their meal application throughout the school year by contacting the cafeteria manager or reapplying online if the household has experienced any changes. For example, if the household size increases, changes in income occur, or the household begins to receive SNAP, TANF or other benefits (such as unemployment benefits), the household may update their meal application. Negative balances resulting from eligibility changes for free eligible students are not collected from households by IDEA CNP. IDEA must subsidize the nonprofit school food service account for those meals annually.

### **Transfer Students & 30-Day Carryover**

New students transferring to a non-CEP IDEA school from a Special Provision or CEP district will receive a carryover eligibility of free for the first 30 operating days of enrollment or until a new eligibility determination is made with the submission of a FARM application, whichever comes first.

### **New Students**

New students enrolling in a non-CEP IDEA school who did not transfer from a CEP district, will have a meal status of paid on the first day of school until a FARM application is submitted by the household and processed by IDEA CNP. Cafeteria management will do everything possible to collect a meal application.

### **Menu Pricing**

Menu pricing for CEP schools and schools that do not qualify for CEP can be found at <https://ideapublicschools.org/parents/cnp/>. Schools that qualify for CEP for the academic school year offer one free breakfast and one free lunch per day to all students. For students that attend a non-CEP school for the academic school year, lunch meal charges will be based on eligibility determined using information provided by the household on the FARM application. For students eligible for free or reduced-price meals, one free breakfast and one free lunch per day will be provided to the student.

### **Paid Price Subsidized by IDEA**

IDEA will subsidize the nonprofit school food service account for meal charges incurred by paid price eligible students who take reimbursable meals. This will be reviewed on an annual basis and is subject to change. CNP will communicate to households any changes.

### **Reduced-Price Elimination**

CNP has eliminated the price for reduced-priced eligible students who take reimbursable meals. Therefore, the lunch price for students with a reduced-priced eligibility is \$0. This will be reviewed on an annual basis and is subject to change. CNP will communicate to households any changes.

### **Courtesy Meals**

IDEA CNP may provide a courtesy meal for students who receive full-priced eligibility but do not have money to pay. A courtesy meal consists of a cheese sandwich, milk, fruit, and vegetable. Courtesy meals are

## 2024-2025 Florida Meal Charge Policy & Procedures

offered at no charge to students with negative meal balances. School leaders decide if courtesy meals are implemented at their school. They will also decide the negative dollar amount threshold at which courtesy meals will be implemented.

CNP must document and communicate to the state agency which IDEA schools have courtesy meals as part of the policy statement of collection procedures.

Every effort is made to contact the household before the school implements a courtesy meal. The household must be notified via a telephone call from cafeteria management **and** a courtesy meal letter must be sent home with the student 1 week before implementing out the courtesy meal.

For any student who has a medical statement for a meal accommodation, the courtesy meal served to that student must still meet the required accommodations.

### **Preventing Overt Identification**

Cafeteria management must identify students receiving a courtesy meal before they go through the serving line. Once the student is identified, cafeteria staff must **discreetly** notify the student that they are receiving a courtesy meal for the day.

If a student is not identified before they proceed through the serving line, it is not allowed to take the student’s plate away at the point of sale. Cafeteria management allows the student to proceed with their plate and must charge the meal taken to the student’s account.

Courtesy meals must be recorded by CNP in the point of sale system (POS) by selecting the Courtesy Meal button. In order to reduce the possibility of overt identification, courtesy meals are made available to all students as a menu choice in the serving line and for sale as an A la Carte item during lunch service. Courtesy meals sold A la Carte are recorded by CNP in the POS by selecting the A la Carte Courtesy Meal button.

The chart below provides preferred alternatives to actions that single out students with unpaid meal charges or low account balances.

Prohibited Actions	Required Actions
Announcing or publicizing the names of students with unpaid meal charges.	Communicating privately with individual families about their student’s outstanding balance.
Requiring students with unpaid meal charges to use a different serving line to pick up an alternate meal.	Serving students with unpaid meal charges the regular reimbursable meal or a courtesy meal in the same serving line.
Using hand stamps, stickers, or other physical markers to identify students with meal charge debt.	Communicating payment reminders directly to adults in the family over the phone, email, or letter.

## 2024-2025 Florida Meal Charge Policy & Procedures

Sending clearly marked notices home with students who have an outstanding balance.	Sending discrete reminders in a plain, white envelope, or sending reminders with other communication materials to all families.
Enlisting volunteers, especially parents or guardians of other students, to request payment from a family with unpaid meal charges.	Allowing only appropriate officials trained on USDA’s confidentiality requirements who have a need to access a child’s account balance or eligibility information to request payment from families with unpaid meal charges.
Suggesting or requiring student with unpaid meal charges to work for a meal to pay back their debt.	Working with families to develop a payment plan to pay back meal charge debt.
Throwing a child’s meal in the trash or denying a meal if they are unable to pay.	Serving student who are unable to pay the regular reimbursable meal or a courtesy meal.

### **Non-Reimbursable Meals**

CNP encourages all students to take reimbursable meals. Whether at a CEP or non-CEP school, if a student takes a non-reimbursable or an incomplete meal, a fee will be charged regardless of student eligibility. Balances incurred for non-reimbursable or incomplete meals are collected by CNP.

### **A La Carte Charges**

A la Carte transactions may not be charged on a student account with insufficient funds to cover the purchase. This applies to students at CEP and non-CEP schools.

Households may establish a limit on the amount of prepaid funds a student may spend each day and whether a student can purchase a la carte by setting restrictions through School Café at <https://www.schoolcafe.com>. This gives the parent greater control of students’ unpaid meal charges.

### **Payment**

Parents may make payments to their students account and monitor their child’s meal balances by contacting their cafeteria manager or by logging onto: <https://www.schoolcafe.com>. Parents are encouraged to set low balance e-mail reminders on their account.

Cash, money orders, and checks are acceptable methods of payment. These payments are made at your IDEA’s cafeteria or designated area.

IDEA CNP offers payment plans on all negative balance accounts. To elect this option, households may contact their school cafeteria management. CNP will not apply a fee over the price of the meal or apply interest in connection with meals purchased or payment plans.

### **Excess Balance Donation**

At the end of the academic school year, families have the option to donate any leftover funds remaining in their student’s school lunch account. The donations are made to an account for students in need, and the donations in this account are made available to children who do not have the funds needed to pay for their

## 2024-2025 Florida Meal Charge Policy & Procedures

lunch during the school day.

Families that do not make a donation will have their full account balance carried over into the next school year or have the option to request a refund. Families that donate a portion of their remaining balance (e.g., “up to \$5.00”) will also have any amount above this portion carried over or refunded.

To donate leftover funds, families can donate by completing the “Statement of Consent for Donation” form found at <https://ideapublicschools.org/parents/cnp>. The form is also available at the school cafeteria.

### **Outstanding Student Debt**

Outstanding student debt (also called bad debt) resulting from nonpayment for school meals is not an allowable cost to IDEA CNP’s school food service account and cannot be absorbed by IDEA CNP at the end of the school year or carried forward. If IDEA CNP allows the students to accumulate charges, and those charges are not paid (i.e., parents do not put money into a child’s account), IDEA must subsidize the nonprofit school food service account for all unpaid meals. CNP maintains all documentation to substantiate a transfer of all unpaid meal debt to the school food service account each year.

### **Adult Meal & A La Carte Charges**

Adult meals or A la Carte transactions may not be charged on an account with insufficient funds to cover the purchase. Adult meals cannot be charged to a student account. Adult meal pricing can be found at <https://ideapublicschools.org/parents/cnp>. Adults, including school staff, are encouraged to create an account at [www.schoolcafe.com](http://www.schoolcafe.com) to prepay for adult meals and a la carte charges. The cafeteria accepts cash and checks for payment of adult meals and a la carte charges.

### **CNP Contact Information**

You may obtain important documents such as our menu, menu prices, Meal Charge Policy & Procedures, FARM applications, “Statement of Consent for Donation” form, and “Courtesy Meal Implementation” form by visiting our website at <https://ideapublicschools.org/parents/cnp>.

For additional questions, please call (956) 377-8236, email [cnp@ideapublicschools.org](mailto:cnp@ideapublicschools.org), or visit our Child Nutrition Office at: 2115 W. Pike, Weslaco, TX 78599.

This policy is reviewed on an annual basis by CNP.

## 2024-2025 Florida Meal Charge Policy & Procedures

In accordance with federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, this institution is prohibited from discriminating on the basis of race, color, national origin, sex (including gender identity and sexual orientation), disability, age, or reprisal or retaliation for prior civil rights activity.

Program information may be made available in languages other than English. Persons with disabilities who require alternative means of communication to obtain program information (e.g., Braille, large print, audiotope, American Sign Language), should contact the responsible state or local agency that administers the program or USDA's TARGET Center at (202) 720-2600 (voice and TTY) or contact USDA through the Federal Relay Service at (800) 877-8339.

To file a program discrimination complaint, a Complainant should complete a Form AD-3027, USDA Program Discrimination Complaint Form which can be obtained online at: <https://www.usda.gov/sites/default/files/documents/ad-3027.pdf>, from any USDA office, by calling (866) 632-9992, or by writing a letter addressed to USDA. The letter must contain the complainant's name, address, telephone number, and a written description of the alleged discriminatory action in sufficient detail to inform the Assistant Secretary for Civil Rights (ASCR) about the nature and date of an alleged civil rights violation. The completed AD-3027 form or letter must be submitted to USDA by:

1. **mail:**  
U.S. Department of Agriculture  
Office of the Assistant Secretary for Civil Rights  
1400 Independence Avenue, SW  
Washington, D.C. 20250-9410; or
2. **fax:**  
(833) 256-1665 or (202) 690-7442; or
3. **email:**  
[Program.Intake@usda.gov](mailto:Program.Intake@usda.gov)

This institution is an equal opportunity provider.
