Please Note:

IDEA Florida, Inc. (IDEA) launched a new initiative aimed at providing comprehensive Before and After School Care Services for six (6) of IDEA Florida Inc.'s campuses. We invited proposals from qualified organizations to implement a program that ensures safe, high-quality, and affordable care for students outside of regular school hours. The selected proposer will be responsible for delivering a program that includes a safe and supportive environment, fosters positive interactions between staff and students, and centers on youth-focused policies and practices.

Proposals were evaluated on criteria deemed to be in IDEA's best interest, as reflected in the above evaluation rubric. The highest scoring/ first place vendor, KinderCare Champions was awarded RFP #46-FBAS-0824. If KinderCare Champions cannot fulfill the requirements laid out in IDEA's Independent Contractor Agreement, the second place vendor, Innovation Learning, will be offered to be awarded.
