Notice to Families Regarding Medication Administration

Dear Parent/Guardian:

To protect your child's safety, the school licensed practical nurse (LPN) and/or Health Aide (as designated by the principal) will adhere to the following medication administration requirements. It is required that BOTH legal guardian AND physician signatures are on file before any prescription can be given.

Although this may cause some inconvenience, we believe these requirements are best for the continued protection of your child's safety and therefore must be followed. If we do not have your written permission and the written permission of your physician, the medication will not be given. Permission forms can be obtained by contacting your school LPN, Health Aide, or the school office.

For your child to receive any medication at school, please follow the requirements below:

- All Action/Care Plans will need to be submitted with a Medication Consent form.
- Medication Consent Form must be completed and signed by physician and parent/legal guardian. **NO VERBAL CONSENT OR PHONE CONSENT WILL BE ACCEPTED.**
- New permission forms must be re-submitted each school year and are necessary for any changes in medication orders.
- Parent/Legal Guardian must notify the school if a student's physician changes or if the prescription is changed or discontinued.
- Prescription medication must be in the original container with the pharmacy (U.S.A. only) label. The container must have a proper label with the name of the patient, the name of the medicine, and the dosage.
- Only students with written authorization from their physician and parents/legal guardian are allowed to self-carry emergency medications. This authorization shall be provided to the clinic prior to the student's ability to self-carry emergency medications.
- Medication will be kept in a secure place in the health clinic during school hours. No medication shall be held in classrooms or backpacks at any time. Any medications brought in by students or found in a student's possession will be taken to the health clinic and remain in the clinic until a parent/legal guardian signs the consent form or picks up medication.
- The medication and the signed permission forms must be brought to the school by the parent/legal guardian and delivered to the campus clinic LPN or Health Aide. Students are not to be sent to campus with medications.
- Wherever possible, please include a photo of your child with the permission form.
- It is the parent/legal guardian's responsibility to deliver the medication to the school health clinic and have the medication picked up at the end of the year. Medication not picked up by the end of the year will be discarded.
- When the medication is almost completed, please bring the refill to school promptly. Parents must bring refill of medication to the clinic. Can not be brought in by student.
- If your student is taken off medication, will no longer receive it at school, or if the prescription otherwise changes, a dated, written note with updated prescription information of such changes must be provided. If medication is not picked up from the school office within ten (10) days, it will be properly disposed of.
- Medication that is expired or has a listed discard date will not be administered to students past indicated date.
- The first dose of any new medication shall not be administered at school due to the possibility of an allergic reaction.

Please contact the principal or their designee if you have any questions. Thank you for your cooperation.

Aviso a las familias sobre la administración de medicamentos

Estimado Padre / Tutor:

Para proteger la seguridad de su hijo, la enfermera practicante con licencia de la escuela y/o el asistente de salud (según lo designe el director) se adherirá a la siguiente política de medicamentos. Se requiere que AMBOS padres y las firmas del médico estén archivadas antes de cualquier receta.

Aunque esto puede causar algunos inconvenientes, creemos que esta política es la mejor para la protección continua de la seguridad de su hijo y, por lo tanto, debe seguirse. Si no tenemos su permiso por escrito y el permiso por escrito de su médico, no se administrará el medicamento. Los formularios de permiso se pueden obtener comunicándose con la enfermera práctica autorizada o el asistente de salud de su escuela o con la oficina de la escuela.

Para que su hijo reciba cualquier medicamento en la escuela, siga la siguiente política de medicamentos:

Todos los planes de acción/cuidado deberán presentarse con un formulario de consentimiento de medicamentos.

- El formulario de consentimiento de administración debe ser completado y firmado por un médico, padre o tutor legal. **NO SE ACEPTARÁ CONSENTIMIENTO VERBAL NI TELEFÓNICO.**
- Los nuevos formularios de permiso deben volver a presentarse cada año escolar y son necesarios para cualquier cambio en las órdenes de medicamentos.
- Acepto notificar a la escuela si cambio de médico o si la receta se cambia o se interrumpe.
- Los medicamentos recetados deben estar en el envase original con la etiqueta de la farmacia (solo en EE. UU.). El envase debe tener una etiqueta adecuada con el nombre del paciente, el nombre del medicamento y la dosis.
- Solo los estudiantes con autorización por escrito de su médico y sus padres pueden llevar sus propios medicamentos. Esta autorización se proporcionará a la clínica antes de que el estudiante pueda llevar consigo los medicamentos de emergencia.
- Los medicamentos se mantendrán en un lugar seguro en la clínica de salud durante el horario escolar. No se guardarán medicamentos en las aulas o mochilas en ningún momento. Cualquier medicamento traído por los estudiantes o que se encuentre en posesión de un estudiante será llevado a la clínica de salud y permanecerá en la clínica hasta que un padre firme el formulario de consentimiento o recoja el medicamento.
- El medicamento y los formularios de permiso firmados deben ser llevados a la escuela por el padre o tutor y entregados al asistente de salud de la clínica del campus. Los estudiantes no deben ser enviados al campus con medicamentos.
- Siempre que sea posible, incluya una foto de su hijo con el formulario de autorización.
- Es responsabilidad del padre o tutor entregar el medicamento a la clínica de salud de la escuela y recoger el medicamento al final del año. Los medicamentos que no sean recogidos al final del año serán desechados.
- Cuando el medicamento esté casi terminado, envíe la recarga a la escuela de inmediato. No envíe resurtidos de medicamentos con el estudiante; los padres deben traerlos.
- Si a su hijo se le retira el medicamento, ya no lo recibirá en la escuela, o si la receta cambia de otro modo, proporcione una nota escrita con fecha con información actualizada de la receta de dichos cambios tan pronto como sea posible. Si el medicamento no se recoge en la oficina de la escuela dentro de los diez (10) días, se desechará correctamente.
- Los medicamentos que estén vencidos o que tengan una fecha de descarte indicada no se administrarán a los estudiantes después de la fecha indicada.
- La primera dosis de cualquier medicamento nuevo no se administrará en la escuela debido a la posibilidad de una reacción alérgica.

Comuníquese con el director o su designado si tiene alguna pregunta. Gracias por su cooperación.

Seizure Management and Treatment Plan Form

This form is designed to help create a plan for managing student seizures. It consists of questions about seizure history, medications, precautions, and other considerations. This form should be completed jointly by the student's parents and treating physician and provided to the campus nurse or other appropriately identified personnel.

Student Name: _____ **Date of Birth:** _____ **Date:** _____

Parent/Guardian: _____ **Phone:** _____ **Email:** _____

Emergency Contact/ Relationship: _____ **Phone:** _____ **Email:** _____

Seizure Information

Seizure Type	Length (How long it lasts)	Frequency (How often)	What Happens During a Seizure

Known Seizure Triggers or Warning Signs

- ☐ Missed Medicine
- ☐ Emotional Stress
- ☐ Lack of Sleep
- ☐ Physical Stress
- ☐ Flashing Lights
- ☐ Missing Meals
- ☐ Illness with High Fever
- ☐ Alcohol/Drugs
- ☐ Menstrual Cycle
- ☐ Response to specific food or excess caffeine. Specify: _____
- ☐ Other: _____

VNS/Devices

Devices: VNS ☐ RNS ☐ DBS ☐

Date Implanted: _____

Magnet Use/Instructions: _____

Basic first aid to be provided during a seizure

- **STAY** calm, keep calm, begin timing the seizure
- Keep the student **SAFE**: remove harmful objects, don't restrain, and protect their head
- Turn the student on **SIDE** if not awake, keep airway clear, don't put objects in mouth
- **STAY** until the student recovers
- **SWIPE** magnet for VNS
- Write down what happened during the seizure
- Other: _____

When to call 911 – A seizure emergency for the student

- Seizure with a loss of consciousness longer than five minutes and not responding to rescue medicine if available
- Repeated seizures lasting longer than 10 minutes, with no recovery between them and the student is not responding to available rescue medicine
- Difficulty breathing after seizure
- Serious injury occurs or is suspected; seizure in water

When to call student's doctor first

- A change in seizure type, number, or pattern
- Student does not return to usual behavior (i.e., confused for a long period)
- A first time seizure that stops on its own
- Other medical problems or a pregnancy needs to be checked

Developed in collaboration with the Epilepsy Foundation
Form defined by TEC §38.032

Student name: _____ Date of birth: _____

Seizure Emergency Protocol for District Personnel to Follow

- Administer emergency medications
- Contact school nurse: _____
- Call 911; transport to _____
- Notify parent or emergency contact and doctor
- Other: _____

When and What to Do When Rescue Therapy is Needed

If seizure (cluster, # or length): _____
Name of Med/Rx: _____
How much to give (dose): _____
How to give: _____

If seizure (cluster, # or length): _____
Name of Med/Rx: _____
How much to give (dose): _____
How to give: _____

Student's Response and Care After a Seizure

What type of help is needed? _____
When is the student able to resume usual activity? _____
Does the student need to leave the classroom? Yes ☐ No ☐
If yes, when can the student return to the classroom? _____
Is the student able to manage and understand their seizures? Yes ☐ No ☐

Special Instructions

First Responders: _____
Emergency Department: _____

Daily Seizure Medication

Medication Name	Dosage	Time to be Given	Common Side Effects	Special Instructions

AUTORIZACIÓN DE LOS PADRES

(Para ser completado por el padre/tutor)

- Autorizo al personal delegado la tarea de asistir a mi hijo en la administración de medicamentos.
- Acepto notificar a la escuela si cambio de médico o si la receta se cambia o se interrumpe.
- Sólo se administrarán en la escuela los medicamentos prescritos y proporcionados por los Estados Unidos.
- Los medicamentos que estén vencidos o que tengan una fecha de descarte indicada no se administrarán a los estudiantes después de la fecha indicada.
- Los medicamentos recetados deben estar en el envase original con la etiqueta de la farmacia (solo en EE. UU.). El envase debe tener una etiqueta adecuada con el nombre del paciente, el nombre del medicamento y la dosis.
- El formulario de consentimiento de administración debe ser completado y firmado por un médico, padre o tutor legal. NO SE ACEPTARÁ CONSENTIMIENTO VERBAL NI TELEFÓNICO.
- Los medicamentos se mantendrán en un lugar seguro en la clínica de salud durante el horario escolar. No se guardarán medicamentos en las aulas o mochilas en ningún momento. Cualquier medicamento traído por los estudiantes o que se encuentre en posesión de un estudiante será llevado a la clínica de salud y permanecerá en la clínica hasta que un padre firme el formulario de consentimiento o recoja el medicamento.
- Solo los estudiantes con autorización por escrito de su médico y sus padres pueden llevar sus propios medicamentos. Esta autorización se proporcionará a la clínica antes de que el estudiante pueda llevar consigo los medicamentos de emergencia.
- Es responsabilidad del padre o tutor entregar el medicamento a la clínica de salud de la escuela y recoger el medicamento al final del año. Los medicamentos que no sean recogidos al final del año serán desechados.
- La primera dosis de cualquier medicamento nuevo no se administrará en la escuela debido a la posibilidad de una reacción alérgica.
