Request For Proposals Addendum Addendum Number 1: RFP Cancellation

Date: Monday, February 24, 2025

RFP #31-BBS-0425

To: All Prospective Vendors

This addendum serves as an official notice that the Request for Proposal RFP #31-BBS-0425, Austin Outsourcing Transportation, is hereby CANCELLED effective immediately.

As of today, Monday, February 24, 2025, IDEA Public Schools is no longer proceeding with the solicitation process for this RFP. We anticipate re-releasing a revised version of the RFP in the coming weeks. The updated RFP will contain additional details and specifications that will better meet the transportation outsourcing needs.

Prospective respondents are advised to await the re-release and should refer to IDEA Public Schools [Procurement & Contracts Website](#), [Public Purchase](#) or [Self-Service](#) for further updates regarding the new timeline, submission details, and any changes in requirements.

If you have already submitted a proposal in response to the original RFP, kindly disregard it, as no proposals will be evaluated. We will be inviting new submissions once the revised RFP is released.

For any questions or clarifications, please contact the Procurement Department at solicitations@ideapublicschools.org

We appreciate your interest in this project and apologize for any inconvenience this cancellation may have caused. We look forward to working with you soon.

Thank you for your attention to this matter.

Sincerely,

Felicia Black
