## Request For Proposals Addendum

### **Addendum #1: Correction to Attachment W – Functional Requirements**

Date: Tuesday, April 15, 2025

#### **RFP #24-ERPS-0725 Texas ERP System**

To: All Prospective Vendors

Please be advised that a formatting issue in Attachment W – Functional Requirements, specifically in Column F, has been identified and corrected. Respondents are now able to select from the available functional requirement responses and input the corresponding module or product needed to fulfill the requirement, for all responses other than “N” or “I,” as outlined in ***Part III – Proposal Submission & Requirements, Section 4*** of the RFP document. The updated attachment is available for download via the following links:
