RFI #5-TAA-0825 Future State Assessments Platform

To: All Prospective Vendors

The following questions were sent in response to the referenced solicitation for further clarification. Questions and answers are listed below.

Question 1: What is the budget for this Project?

Answer: The current assessment platform has historically been supported with an annual budget range of \$400,000–\$500,000, which may serve as a reference point. However, future budgeting is subject to internal review and prioritization.

Question 2: What was the annual spend for the previous year on this Project?

Answer: The previous year's spend for the existing assessment platform was approximately \$422,650.47.

Question 3: If this is a new Contract, What is the annual Budget for this?

Answer: Please refer to the response provided in Question 1.

Question 4: Are you open to a hybrid delivery model with a mix of offshore and onshore resources?

Answer: At this time, we are prioritizing delivery models utilizing onshore resources only.

Question 5: Can you please provide us with the extension to submit our response by 1-2 weeks.

Answer: Requests for extensions will be evaluated based on internal project timelines and alignment with key milestones. To be considered, please submit your request to Solicitations@ideapublicschools.org no later than Monday, August 4, 2025

Question 6: For pricing purposes, how many students are expected to use this solution?
