

College, Career, and Military Ready (CCMR)

The purpose of CCMR is to measure graduates' preparedness for college, the workforce, or the military.

In order for the School/District to get credit for CCMR, the graduate must achieve one of the following:

- Meet Texas Success Initiative (TSI) Criteria in ELA/Reading and Mathematics
- Meet Criteria on Advanced Placement (AP)/International Baccalaureate (IB) Examination
- Earn Dual Course Credits
- Enlist in the Armed Forces
- Earn an Industry-Based Certification
- Earn an Associate's Degree
- CTE Coherent Sequence Coursework Aligned with Industry-Based Certifications

Math:

Logic: Goal to achieve is reaching 60% Meets in 4 years by 2029

Logic: Take result from prior year, subtract from 60, and close the gap 1/4 of the way to 60 for each year.

Logic: After 4 years, increase performance by 3%age points each year

Logic: The above logic does not apply to SpEd

Logic for Sped: The target for sped will be a 10pt differential compared to the ALL student target. Basically 10 points less than the ALL student target

Logic: If a campus or subpop reached 41% in 24-25, must increase by 5%

Reading

Logic: Goal to achieve is reaching 66% Meets in 4 years by 2039

Logic: Take result from prior year, subtract from 66, and close the gap 1/4 of the way to 66 for each year.

Logic: After 4 years, increase performance by 3%age points each year

Logic: The above logic does not apply to SpEd

Logic for Sped: The target for sped will be a 10pt differential compared to the ALL student target. Basically 10 points less than the ALL student target

Logic: If a campus or subpop reached 41% in 24-25, must increase by 5%

CCMR:

Logic:The percentage of CCMR students who meet TSI criteria for at least one indicator of RLA and Math, as measured by the Accountability System, will increase from 90% to 95% by August 2030.

Logic:The percentage of CCMR students who meet AP/IB Criteria in any subject, as measured by the Accountability System, will increase from 66% to 71% by August 2030.

Logic: The percentage of CCMR students who meet the CCMR requirement for Industry-Based Certifications, as measured by the Accountability System, will increase from 2% to 7% by August 2030.

Logic: The percentage of CCMR students who attain an Associate's degree, as measured by the Accountability System, will increase from 0% to 3% by August 2030.

Logic: The district will increase each required postsecondary outcome metric by a minimum of 1 percentage point annually for each graduating cohort at 1, 3, and 5 years.
