CSP 40-SJCP-0726 IDEA Public Schools San Juan Chiller Upgrades

ADDENDUM NO. 1

A. PURPOSE AND INTENT

This addendum is issued for the purpose of modifying the plans for the project referenced above. This addendum shall become part of the contract and all contractors shall be bound by its content. All aspects of the specifications and drawings not covered here in shall remain the same. The General Conditions and the Special Conditions of the specifications shall govern all parts of the work and apply in full force to this addendum.

B. SCOPE

I. Clarifications

- 1) **Contractor Question:** Is there a goal for Minority and Women-owned Business Enterprises (MWBE) or Historically Underutilized Businesses (HUB) for this project?

Response: IDEA Public Schools does not have a formal Minority Women Business Enterprises (MWBE) or Historically Underutilized Businesses (HUB) participation goal for this project. However, IDEA Public Schools values inclusive contracting practices and encourages proposers to consider opportunities to engage certified MWBE/HUB firms where feasible. Such participation is not required and will **not** be used as a basis for evaluation or award.
