**SEC. 1. PUBLIC INFORMATION LAW APPLICABLE**

With respect to the operation of an open-enrollment charter school, the governing body of a charter holder and the governing body of an open-enrollment charter school are governmental bodies under the Texas public information law. Therefore, any requirement in Chapter 552 of the Texas Government Code or another law that concerns the availability of information that applies to a school district, board of trustees of a school district, or public school students applies equally to an open-enrollment charter school, the governing body of a charter holder, the governing body of an open-enrollment charter school, or students attending an open-enrollment charter school. *Tex. Gov't Code § 12.1051.*

**SEC 2. GENERAL PROVISIONS**

3. By an individual officer or employee of IDEA in the officer’s or employee’s official capacity and the information pertains to official business of IDEA.

*Tex. Gov't Code § 552.002(a).*

“Official business” means any matter over which IDEA has any authority, administrative duties, or advisory duties. *Tex. Gov't Code § 552.003(2-a).*

Information is “in connection with the transaction of official business” if the information is created by, transmitted to, received by, or maintained by an officer or employee of IDEA in the officer’s or employee’s official capacity, or a person or entity performing official business or a governmental function on behalf of IDEA and pertains to official business of IDEA Public Schools. *Tex. Gov't Code § 552.002(a-1).*

The definition of “public information” applies to and includes any electronic communication created, transmitted, received, or maintained on any device if the communication is in connection with the transaction of official business. *Tex. Gov't Code § 552.002(b).*

1. a Saturday or Sunday;
2. a national holiday under the Texas Government Code § 66.003(a); or
3. a state holiday under the Texas Government Code § 662.003(b).

The fact that an employee works from an alternative work site does not affect whether a day is considered a business day under this policy.

If IDEA Public Schools’ officer for public information observes the days on which Rosh Hashanah, Yom Kippur, or Good Friday fall, such day(s) shall not be considered a business day under this policy.

The Friday before or Monday after a national holiday or state holiday is not a business day if the holiday occurs on a Saturday or Sunday and IDEA Public Schools’ observes the holiday on that Friday or Monday.

Gov't Code § 552.222(f)*.

If the request for public information was sent by electronic mail, the request may be considered to have been withdrawn if:

*Tex. Gov't Code § 552.222(g)*.

**g) *Time for Examination***

A requester shall complete the examination of the information not later than the 10th business day after the date the custodian of the information makes it available. If the requestor does not complete the examination within 10 business days and does not file a request for additional time, the requestor is considered to have withdrawn the request.

IDEA Public Schools shall extend the initial examination period by an additional 10 business days if, within the initial period, the requestor files with the officer for public information or designee a written request for additional time. The officer or designee shall extend an additional examination period by another 10 business days if, within the first additional period, the requestor files with the officer a written request for more additional time.

**h) *Electronic Data***

If public information exists in an electronic or magnetic medium, the requestor may request a copy in an electronic medium, such as on diskette or on magnetic tape. IDEA Public Schools shall provide a copy in the requested medium:

1. If IDEA Public Schools has the technological ability to produce the information in the requested medium;
2. If IDEA Public Schools is not required to purchase any software or hardware to accommodate the request; and
3. Providing the copy will not violate any copyright agreement between IDEA Public Schools and a third party.

If IDEA Public Schools is unable to comply with a request to produce a copy of information in a requested medium for any of these reasons, IDEA Public Schools shall provide a copy in another medium that is acceptable to the requestor. IDEA Public Schools is not required to copy information onto a diskette or other material provided by the requestor but may use IDEA Public Schools supplies.

1. Respond to the request for information as set forth below, at “Procedures,” Section 6(k) below; or
2. Furnish the information or make the information available to the requestor again in accordance with the request. If IDEA Public Schools selects this option, IDEA Public Schools is not required to comply with the procedures described below.

These provisions do not apply to information not previously furnished to a requester. IDEA Public Schools shall treat a request for information for which copies have not been previously furnished or made available to the requestor, including information that was not furnished or made available because the information was redacted or because the information did not exist at the time of an earlier request, in the same manner as any other request for public information.

**k) Procedures**

IDEA Public Schools shall, free of charge, certify to the requestor that copies of all or part of the requested information were previously furnished or made available to the requestor. The certification must include:

**SEC. 8. ATTORNEY GENERAL DECISIONS**

**a) *Request for Attorney General Decision***

If IDEA Public Schools receives a written request for information that IDEA Public Schools reasonably considers to be within one of the exceptions to required disclosure and that IDEA Public Schools wishes to withhold from public disclosure, IDEA Public Schools shall request a decision from the Attorney General about whether the information is within the exception (see “Submission to Attorney General,” Section 7(f) below). For these purposes, the term “written request” includes a request sent by electronic mail or facsimile transmission to the officer or designee. *Tex. Gov’t Code § 552.301(a)*.

1. IDEA Public Schools has fewer than 16 full-time employees or is located in a county with a population of less than 150,000;
2. The amount or format of responsive information at issue makes use of the Attorney General’s electronic filing system impractical or impossible; or
3. The request is hand delivered to the Office of the Attorney General.

IDEA Public Schools  
*Tex. Gov’t Code § 552.3031(a)*.

**b) *Time for Request***

IDEA Public Schools must submit the request to the Attorney General not later than the 10th business day after receiving the written request. If IDEA Public Schools does not timely request a decision from the Attorney General and comply with the requirements at “Statement to Requestor,” Section 7(e) below, the information is presumed to be subject to public disclosure and must be released unless there is a compelling reason to withhold it. *Tex. Gov’t Code §§ 552.301(b), .302*.

**c) *Calculating Timelines***

For the purposes of requesting an Attorney General decision, if IDEA Public Schools receives a written request by United States mail and cannot adequately establish the actual date of receipt, the request is considered to have been received by IDEA Public Schools on the third business day after the date of the postmark on a properly addressed request. *Tex. Gov’t Code § 552.301(a-1)*.

**d) *Previous Determinations***

Except as set forth at Texas Government Code § 552.301(g), IDEA Public Schools may not request an Attorney General decision if IDEA Public Schools has previously requested and received a determination from the Attorney General concerning the precise information at issue in a pending request and the Attorney General or a court determined that the information is not within one of the exceptions. This exception applies to specific information that is again requested from IDEA Public Schools after the Attorney General has previously issued a decision regarding the precise information or records at issue.

IDEA Public Schools may rely on a previous determination by the Attorney General regarding a specific, clearly delineated category of information if:

1. The previous decision is applicable to a school district or charter school;
2. The previous decision concludes that the category of information is or is not excepted from public disclosure;
3. The elements of law, fact, and circumstances are met to support the previous decision's conclusion that the requested records and information at issue are not excepted from public disclosure; and
4. The previous decision explicitly provides that the governmental body or bodies to which the decision applies may withhold the information without the necessity of seeking a decision from the Attorney General.

IDEA Public Schools shall notify the requestor in writing of the decision or ruling upon which it is relying if it relies on any previous determination to withhold information from disclosure.

IDEA Public Schools may withhold from public disclosure the categories of records listed at Texas Attorney General Open Records Decision 684 (2009).

IDEA Public Schools may withhold from public disclosure personally identifiable, non-directory information in "education records" as defined in the Family Educational Rights and Privacy Act of 1974 ("FERPA").

**e) *Statement to Requestor***

If IDEA Public Schools requests an Attorney General decision, it shall provide to the requestor within a reasonable time, but not later than the 10th business day after the date of receiving the requestor's written request:

1. A written statement that IDEA Public Schools wishes to withhold the requested information and has asked for a decision from the Attorney General about whether the information is within an exception to public disclosure; and

**f) *Submission to Attorney General***

When IDEA Public Schools requests an Attorney General decision, it shall, within a reasonable time but not later than the 15th business day after receiving the request for information, submit to the Attorney General all of the following:

1. Written comments stating the reasons why the stated exceptions apply that would allow the information to be withheld;
2. A copy of the written request for information;
3. A signed statement as to the date on which the written request for information was received by IDEA Public Schools or evidence sufficient to establish that date; and
4. A copy of the specific information requested, or representative samples of the information if a voluminous amount of information was requested. IDEA Public Schools shall label the copies or representative samples to indicate which exceptions apply to which parts of the copy.

IDEA Public Schools shall send a copy of the comments to the requestor not later than the 15th business day after IDEA Public Schools receives the written request. If the written comments disclose or contain the substance of the information requested, the copy of the comments provided to the requestor shall be redacted.

*Tex. Gov’t Code § 552.301(e), (e-1).*

Unless the information is confidential by law, IDEA Public Schools may disclose the requested information to the public or the requestor before a final determination that the information is public has been made by the Attorney General or a court with jurisdiction. *Tex. Gov’t Code § 552.303(a).*

**g) *Information to Requestor after Attorney General Decision***

Within a reasonable period of time, not to exceed 30 days, after the date the Attorney General issues an opinion letter, IDEA Public Schools shall:

1. Provide the requester with an itemized estimate of charges for production if estimate is required under Texas Government Code § 552.2615,

If the Attorney General determines that additional information is necessary to render a decision, the Attorney General shall give IDEA Public Schools and the requestor written notice of that fact. **SEC. 9. CHARGES REGARDING TPIA REQUESTS**

**a) *Costs and Charges***

The charge for providing a copy of public information shall be an amount that reasonably includes all costs related to reproducing the information, including costs of materials, labor, and overhead. The charges shall not be excessive and shall not exceed the actual cost of producing the information or for making public information that exists in a paper record available. Charges for providing a copy of public information are considered to accrue at the time IDEA Public Schools advises the requestor that the copy is available on payment of the applicable charges.

**i. 50 Pages or Fewer**

If a request is for 50 or fewer pages of paper records, the charge for providing the copy of the information shall be limited to the charge for each page of the paper record that is photocopied,

**IDEA PUBLIC SCHOOLS BOARD POLICY MANUAL**  
**POLICY GROUP 1 – GOVERNANCE**  
**PUBLIC INFORMATION REQUESTS**

PG-1.202

unless the pages to be photocopied are located in two or more separate buildings that are not physically connected with each other or a remote storage facility. The charge for providing a copy may not include costs of materials, labor, or overhead.

ii. Statement of Labor Costs

If the charge for providing a copy of public information includes costs of labor, the requestor may require the officer for public information or agent to provide the requestor with a written statement as to the amount of time that was required to produce and provide the copy. The statement must be signed by the officer or agent, and the officer or agent's name must be typed or legibly printed below the signature. A charge may not be imposed for providing the written statement to the requestor.

All requests received in one calendar day from an individual may be treated as a single request for purposes of calculating costs. IDEA Public Schools may not combine multiple requests from separate individuals who submit requests on behalf of an organization.

iii. Attorney General's Rules

IDEA Public Schools shall use the Attorney General's rules to determine the charges for providing copies of public information and to determine the charge, deposit, or bond required for making public information that exists in a paper record available for inspection, except to the extent that other law provides for charges for specific kinds of public information.

IDEA Public Schools may determine its own charges for providing copies of public information and its own charge, deposit, or bond for making public information that exists in a paper record available for inspection. However, IDEA Public Schools may not charge an amount that is greater than 25% more than the amount established by the Attorney General, unless IDEA Public Schools requests an exemption.

iv. Exemptions

IDEA Public Schools may request that it be exempt from part or all of the rules adopted by the Attorney General for determining charges. The request must be made in writing to the Attorney General and must state the reason for the exemption. If IDEA Public Schools receives notice from the Attorney General that an exemption has been granted, IDEA Public Schools may amend its charges according to the Attorney General's determination.

v. Copies for Parents

IDEA Public Schools may charge a reasonable fee in accordance with the above requirements for copies of materials provided to parents pursuant to Texas Education Code § 26.012.

vi. Statement of Estimated Charges

If a request for a copy of public information will result in the imposition of a charge that exceeds \$40, IDEA Public Schools shall provide the requestor with a written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs. If an alternative less costly method of viewing the records is available, the statement must include a notice that the requestor may contact IDEA Public Schools regarding the alternative method. IDEA Public Schools must inform the requestor of the responsibilities imposed on the requestor by Texas Government Code 552.2615 and the rights granted by that section and give the requestor the information needed to respond as detailed in Texas Government Code 552.2615(a).

If, after IDEA Public Schools provides the requestor the itemized statement but before it makes the copy or the paper record available, IDEA Public Schools determines that the estimated charges will exceed the charges detailed in the original itemized statement by 20% or more, IDEA Public Schools shall send to the requestor an updated written itemized statement that details all estimated charges that will be imposed, including any allowable charges for labor or personnel costs.

vii. Requestor's Response

A request for which IDEA Public Schools is required to produce an (original or updated) itemized statement of estimated charges is considered to have been withdrawn if the requestor does not respond in writing to the itemized statement by informing IDEA Public Schools within 10 business days after the date the statement is sent to the requestor that:

1. The requestor will accept the estimated charges;
2. The requestor is modifying the request in response to the itemized statement; or
3. The requestor has sent to the Attorney General a complaint alleging that the requestor has been overcharged for being provided with a copy of the public information.

viii. Actual Charges

If the actual charges exceed \$40, the charges may not exceed:

1. The amount estimated in the updated itemized statement; or
2. If an updated itemized statement is not sent to the requestor, an amount that exceeds by 20% or more the amount estimated in the original itemized statement.

ix. Timing of Deadlines

An original or updated itemized statement is considered to have been sent by IDEA Public Schools, and a requestor is considered to have responded to the statement, on the date that the statement or response is:

1. Delivered in person;
2. Deposited, properly addressed, in the U.S. mail; or
3. Transmitted by electronic mail or facsimile, provided the requestor agrees to receive the statement by those means.

The time deadlines for providing or responding to the required statement of estimated charges do not affect the application of a time deadline imposed on IDEA Public Schools for requesting a decision by the Attorney General under Texas Government Code 552, Subchapter G.

*Tex. Gov't Code § 552.2615.*

**b) *Deposit or Bond***

The officer for public information or agent may require a deposit or bond for payment of anticipated costs for the preparation of a copy of public information if:

1. The officer or agent has provided the requestor with the written itemized statement required by Texas Government Code § 552.2615 (see “Statement of Estimated Charges,” Section 8(a)(vi) above); and
2. The charge for providing the copy is estimated by IDEA Public Schools to exceed \$100 if IDEA Public Schools has more than 15 full-time employees, or \$50 if IDEA Public Schools has fewer than 16 full-time employees.

The officer or agent may not require a deposit or bond as a down payment for copies of public information that the requestor may request in the future.

*Tex. Gov't Code § 552.263(a), (b).*

For the purposes of charging for providing copies of public information or for requesting an Attorney General’s opinion, a request for a copy of public information is considered to have been received by IDEA Public Schools on the date IDEA Public Schools receives the deposit or bond.

*Tex. Gov't Code § 552.263(e).*

A requestor who fails to make such a deposit or post such a bond before the 10th business day after the date the deposit or bond is required is considered to have withdrawn the request. *Tex. Gov't Code § 552.263(f).*

i. *Modified Request*

If a requestor modifies a request in response to the requirement of a deposit or bond, the modified request is considered a separate request and is considered received on the date IDEA Public Schools receives the written modified request. *Gov't Code § 552.263(e-1).*

ii. Unpaid Amounts

The officer for public information or agent may require a deposit or bond for payment of unpaid amounts the requestor owes IDEA Public Schools in relation to previous public information requests before preparing a copy of public information in response to a new request, if those unpaid amounts exceed \$100. The officer for public information or agent may not seek payment of those unpaid amounts through any other means. *Tex. Gov't Code § 552.263(c)*.

If IDEA Public Schools receives a request from a requestor who, within the preceding 180 days, has accepted but failed to pay written itemized statements of estimated charges from IDEA Public Schools as provided under Texas Government Code 552.261(b), IDEA Public Schools may require the requestor to pay the estimated charges for the request before the request is fulfilled. *Tex. Gov't Code § 552.2661*.

iii. Documentation of Unpaid Amounts

IDEA Public Schools must fully document the existence and amount of those unpaid amounts or the amount of any anticipated costs before requiring a deposit or bond. The documentation is subject to required public disclosure. *Tex. Gov't Code § 552.263(d)*.

iv. Waivers

IDEA Public Schools shall provide a copy of public information without charge or at a reduced charge if IDEA Public Schools determines that waiver or reduction of the charge is in the public interest because providing the information primarily benefits the public. If the cost to IDEA Public Schools of processing the collection of a charge for providing a copy of public information will exceed the amount of the charge, IDEA Public Schools may waive the charge. *Tex. Gov't Code § 552.267*.

**c) Government Publications**

The cost provisions described above do not apply to a publication that is compiled and printed by or for IDEA Public Schools for public dissemination. If the cost of the publication is not determined by state law, IDEA Public Schools may determine the charge for providing the publication, or IDEA Public Schools may provide the publication free of charge, if state law does not require a certain charge. *Tex. Gov't Code § 552.270*.

**SEC. 10. INSPECTION OF PUBLIC INFORMATION**

impose a charge for making available for inspection any public information that exists in a paper record, except as set forth below. *Tex. Gov't Code § 552.271(a)*.

i. *Confidential Information*

If a page contains confidential information that must be edited from the record before the information can be made available for inspection, IDEA Public Schools may charge for the cost of making a photocopy of the page from which the confidential information must be edited. No charge other than the cost of the photocopy may be imposed. *Tex. Gov't Code § 552.271(b)*.

ii. *Payment, Deposit, or Bond*

The officer for public information or agent may require a requestor to pay, or to make a deposit or post a bond for the payment of, anticipated personnel costs for making available for inspection public information that exists in paper records if:

1. The information specifically requested by the requestor is older than five years or completely fills, or when assembled will completely fill, six or more archival boxes; and
2. The officer for public information or agent estimates that more than five hours will be required to make the information available for inspection.

*Tex. Gov't Code § 552.271(c)*.

If IDEA Public Schools has fewer than 16 full-time employees, the payment, deposit, or bond may be required only if:

1. The information specifically requested by the requestor is older than three years or completely fills, or when assembled will completely fill, three or more archival boxes; and
2. The officer for public information or agent estimates that more than two hours will be required to make the information available for inspection.

*Tex. Gov't Code § 552.271(d)*.

**b) *Electronic Records***

If IDEA Public Schools receives a request to inspect information that exists in an electronic medium and that is not available directly online to the requestor, IDEA Public Schools may not impose a charge for access to the information unless complying with the request will require programming or manipulation of data. If programming or manipulation of data is required, IDEA Public Schools shall notify the requestor before assembling the information and provide the requestor with an estimate of charges that will be imposed.

If such information does require processing, programming, or manipulation before it can be copied, IDEA Public Schools may impose charges.

If IDEA Public Schools creates or keeps information in an electronic form, IDEA Public Schools is encouraged to explore options to separate confidential information from public information and make the public information available to the public through electronic access through a computer network or other means.

**SEC. 11. TEMPORARY SUSPENSION OF TPIA DUE TO CATASTROPHE**

The requirements of the TPIA do not apply if IDEA Public Schools is currently significantly impacted by a catastrophe such that that catastrophe directly causes the inability of the school to comply with the TPIA and complies with the requirements below for declaring a suspension period.

“Catastrophe” means a condition or occurrence that directly interferes with the ability of IDEA Public Schools to comply with the TPIA’s requirements, including:

1. Fire, flood, earthquake, hurricane, tornado, or wind, rain, or snow storm;
2. Power failure, transportation failure, or interruption of communication facilities;
3. Epidemic; or

The combined suspension period may not exceed a total of 14 consecutive calendar days with respect to any single catastrophe.

**c) *Informing the Attorney General***

If the Board elects to suspend the TPIA, IDEA Public Schools must submit notice to the Attorney General that IDEA Public Schools is currently impacted by a catastrophe and has elected to suspend the applicability of the TPIA during the initial suspension period. The notice must be on the form prescribed by the Attorney General, and must require IDEA Public Schools to:

**SEC. 13. ACCESS BY BOARD MEMBERS**

**a) *Special Right of Access***
