Purpose of Request for Proposal (RFP): This Request for Proposal (“RFP”) solicits proposals for the provision of E-Rate Category Two (CAT 2) network equipment and installation services to support a network phase 2 project at one (1) IDEA Public Schools site in Texas: IDEA Lopez. This Phase 2 project focuses exclusively on securing E-Rate Category 2 funding for the replacement of existing network equipment that is approaching end-of-life with functionally equivalent or superior solutions that integrate seamlessly with IDEA’s existing network infrastructure. Services will include equipment procurement, delivery, installation, configuration, testing, performance validation, maintenance, removal of legacy equipment, and submission of required project documentation. Respondents must propose solutions that meet current operational requirements without necessitating the replacement of existing supporting infrastructure or creating additional administrative overhead associated with managing multiple network platforms. The primary objective is to establish a turnkey, scalable, and reliable network infrastructure that supports IDEA Public Schools’ current and future technology needs while ensuring compliance with E-Rate program requirements and applicable FCC regulations.

Note: Vendor must agree to participation in the Universal Service Support Mechanism for Schools and Libraries (known as the “E-Rate” Program) as provided for and authorized under the Federal Telecommunications Act of 1996 (Reference 47 U.S.C. § 254, “Universal Service”). Vendor must ensure compliance with all applicable E-Rate rules, requirements, regulations, and mandates.

Vendor shall submit with its proposal a valid Service Provider Identification Number (“SPIN”), a valid Federal Communications Commission Registration Number (“FCCRN”), and a statement regarding if vendor is currently on “Red Light Status” or not.

PART I – CURRENT CONDITIONS/BACKGROUND

Introduction: IDEA Public Schools (“IDEA”) is a Texas non-profit corporation and a tax-exempt organization pursuant to Section 501(c)(3) of the Internal Revenue Code. Pursuant to Chapter 12, Subchapter D of the Texas Education Code and its Contract for Charter with the Texas State Board of Education, as renewed by the Commissioner of Education, IDEA is an open-enrollment charter holder, governmental entity, and public school system. IDEA transforms education by preparing graduates to succeed in college and life. IDEA is a growing network of high-performing charter schools serving students located throughout Texas in the Austin, El Paso, Houston, Permian Basin, Rio Grande Valley, San Antonio, and Tarrant County regions.

IDEA serves primarily low-income students in underserved areas of both rural and urban communities. Over 80% of IDEA students are considered low-income, and one in every three students is the first in their family to go to college. Since the first graduating class in 2007, nearly 100% of seniors have been accepted and matriculated to a college or university every year. Thanks to a rigorous path to college, IDEA students attend selective universities throughout the country, win national awards and scholarships, and complete college at a rate six times the national average for low-income students.

Note: While IDEA’s program, curriculum, and mission has been replicated to serve students in other states, this Request for Proposals and any subsequent contract is only for goods and services provided to IDEA’s Texas-based charter school and campuses.

Project Background:

Current Network Infrastructure: IDEA Public Schools is committed to enhancing network performance and reliability by expanding and completing the retrofit of the network infrastructure across all campuses. To achieve this, we seek to procure essential networking equipment and licensing solutions.

This procurement includes advanced wireless access points designed to deliver robust Wi-Fi coverage and support our growing user base. Additionally, we require high-capacity switches to facilitate efficient data routing and provide power over Ethernet capabilities for our devices.

This RFP seeks network hardware, delivery, installation and configuration services only. Software licensing and subscription services for the equipment described in this RFP are furnished by the District and are not solicited, priced or evaluated under this RFP. No licensing or subscription cost will be requested through E-Rate under this procurement. Furthermore, a dedicated power supply is necessary for the uninterrupted operation of our access points, along with high-speed connectivity cables to enable seamless data transfer between devices.

Software licensing furnished by the District

The District maintains existing software licensing and subscription entitlements sufficient to operate the equipment described in this RFP on its standardized platform. Bidders shall not include, price or invoice software licensing or subscription services for that equipment.

Where a manufacturer's ordering process requires licensing to appear on a quotation, the bidder shall list it at \$0.00 with the notation "District-furnished licensing, not invoiced." Licensing lines will be excluded from evaluation and from any resulting purchase order.

For informational purposes, and to ensure all bidders have equal information: for proposals based on the District's current platform, the manufacturer provides an order-entry mechanism that allows any authorized partner holding the manufacturer's applicable commerce certification to exclude licensing from a hardware quotation by referencing the District's existing agreement. The District does not require bidders to hold any manufacturer certification, does not grant account access to any bidder, and takes no position on how a bidder processes its own order.

Reference specifications and equivalency

Manufacturer model numbers appearing in this RFP and its attachments are reference designations used to convey required capability. They are not a requirement to supply that manufacturer. The District will consider any product that meets or exceeds the minimum technical requirements listed in this RFP, and will accept equivalent solutions.

Bidders proposing products other than the reference models shall provide manufacturer datasheets, plus a written deviations list identifying anything that does not meet the stated specifications.

Alternate proposals: licensing and total cost

Bidders proposing products other than the reference models shall separately identify and price all software licensing, subscription and management platform costs required to operate the proposed equipment.

The District will evaluate proposals on total cost to the District, including hardware, installation, licensing, subscription, management platform, and any transition or interoperability cost identified by the bidder. Where a proposal requires the District to purchase licensing it does not currently hold, that cost will be included in the total cost comparison. Where a proposal allows the District to use licensing it already holds, no licensing cost will be attributed.

Investing in this equipment is vital to maintaining a resilient network infrastructure that can adapt to our future needs and support our strategic goals.

Project Vision: The primary goal of this RFP is to create a network infrastructure that supports the growing technological needs of IDEA Public Schools while ensuring continuity and reliability. Bidders are expected to propose innovative and resilient solutions that deliver high performance at a competitive cost, adhering to E-Rate guidelines.

IDEA Public Schools is committed to fostering a competitive bidding process that emphasizes cost-effectiveness, network performance, and future scalability. Vendors are encouraged to present their best solution to ensure IDEA's ability to deliver high-quality education supported by state-of-the-art network infrastructure.

Bidders should ensure that their proposals meet all technical, design, and pricing specifications outlined in the RFP while providing clear evidence of their ability to deliver the required services efficiently and within budget.

PART II – SCOPE AND SPECIFICATIONS OF THE PROPOSAL

Proposal Specifications: The following describes the service and performance requirements that the successful Respondent(s) will be required to meet. IDEA will use objective criteria specified in this solicitation to review Proposals and may make multiple awards if deemed in the best interest of IDEA, at its sole discretion. The anticipated spending and total contract value will depend on the scope of services and needs identified during the evaluation process and may vary based on the number of awards issued.

Although various factors will be considered for award, price will be primary and the highest weighted factor during the evaluation.

Any contract award issued as a result of this RFP does not guarantee any minimum amount of service or payment. IDEA will not issue a Purchase Order (P.O.) until a campus or department initiates a request for the goods and/or services described in this RFP. A Vendor/Contractor shall not perform services for IDEA without the issuance of a P.O. or Contract Agreement. A Vendor/Contractor will be compensated, with the submission of proper supporting documentation, by IDEA for goods and/or services satisfactorily provided and/or performed in accordance with the Agreement requirements and this RFP.

Technical Specifications and Deliverables:

Any specific make, model, or manufacturer references identified in this RFP and its attachments are provided solely to describe the minimum technical, functional, compatibility, and performance requirements of IDEA. Pursuant to E-Rate program rules, proposals will be accepted for the exact items specified or for functionally equivalent products from any manufacturer. Proposed equivalent solutions must be fully interoperable with the IDEA's existing network environment or include all additional hardware, software, licensing, labor, and implementation necessary to provide equivalent functionality without additional cost to the IDEA.

Proposed solutions that require additional infrastructure modifications, separate management platforms, increased administrative overhead, substantial staff retraining, or additional costs to achieve equivalent functionality will be evaluated as part of the Technical & Functional Suitability and Total Cost of Ownership criteria. Such factors may adversely impact a Respondent's evaluation score.

IDEA reserves the sole right to determine whether a proposed solution is functionally, technically, and operationally equivalent to the specified equipment.

Vendors submitting functionally equivalent solutions must:

- Clearly identify the proposed make/model.
- Demonstrate how the proposed solution meets or exceeds the technical and functional requirements.
- Confirm that the proposed equipment and services are eligible under the E-Rate program's Category Two rules.

Awarded Respondent(s) Responsibilities:

- a) Ensuring compliance with E-Rate filing and documentation
- b) Providing regular updates on project progress
- c) Responding promptly to installation and configuration issues
- d) No price increases will be permitted during the term of the agreement
- e) Project documentation deliverables will be provided within one month of installation and configuration of network equipment/deliverables.
- f) By submitting a proposal on the requested services herein, the vendor certifies its proposed services and/or products comply with Part 47 Section 54.9 and 54.10 of the FCC rules which prohibits the sale, provision, maintenance, modification, or other support of equipment or services provided or manufactured by Huawei, ZTE, or any other covered company posing a national security threat to the integrity of communications networks or the communications supply chain. See <https://www.usac.org/about/reports-orders/supply-chain/> for more details.
- g) As required by 47 CFR §54.511(b) all bids in response to this RFP must offer the lowest corresponding price (LCP) which is defined as the lowest price that a service provider charges to nonresidential customers who are similarly situated to a particular E-Rate applicant (school, library, or consortium) for similar services. See <https://www.usac.org/E-Rate/service-providers/step-2-responding-to-bids/lowest-corresponding-price/> for more details.

Key Requirements for Bidders

- a) **Pricing:** Proposals are requested for the makes/models specified in Attachment K: Proposed Pricing (or equivalent). Offers containing alternative makes/models are required to submit product specifications and documentation to establish that the equipment is equivalent to the requested solution. The applicant will be the arbiter of whether the proposed solution is functionally and technically equivalent to the requested solution.

Performance Requirements:

- a) The specifications included above are minimum basic requirements.

IDEA may choose to renew this contract for one (1) additional one-year renewal term.** IDEA shall provide written notice to the selected Vendor(s) at least thirty (30) days in advance of expiration informing Vendor of IDEA's intent to renew, non-renew, amend the Agreement, or terminate. If the Vendor is unable to renew the

contract, the Vendor shall provide IDEA with written notice according to the instructions provided in the renewal notice.

Equipment is required to be available for installation beginning July 1, 2027. If the proposed equipment cannot be delivered or made available by this date, respondents shall indicate this in their proposal and provide an estimated delivery timeline.

Insurance Requirements:

IDEA Public Schools, as a governmental entity, retains all immunities and protections afforded under applicable law. Nothing in this RFP shall be construed as requiring IDEA to maintain insurance coverage for the benefit of the Vendor. The insurance requirements set forth below apply solely to the Vendor's obligations under any resulting contract. As a governmental unit as defined by Texas Civil Practice and Remedies Code § 101.001, IDEA has immunity from liability and suit except to the extent such immunity is waived by the Texas Tort Claims Act, Chapter 101, Texas Civil Practice and Remedies Code.

The insurance coverage specified in this RFP is the minimum requirement, and these requirements do not lessen or limit the liability of the Vendor. The Vendor shall maintain, at its own expense, any additional kinds or amounts of insurance that it may deem necessary to cover its obligations and liabilities under this RFP and Agreement.

Vendor shall keep in full force and effect the following minimum limits of insurance (or higher):

- i) General Liability: Vendor shall maintain Commercial General Liability Insurance, including coverage for bodily injury, property damage, and contractual liability, with the following minimum limits: \$1,000,000 per occurrence and \$2,000,000 general aggregate. - ii) Professional Liability: If the Contractor performs licensed professional services, the Contractor shall maintain professional liability insurance for licensed professionals performing work pursuant to this Agreement in an amount not less than \$1,000,000.00 per occurrence covering the licensed professionals' errors and omissions. Such policy shall name the School as an Additional Insured and include a Waiver of Subrogation Clause.
- iii) Automobile Insurance: The contractor shall maintain comprehensive automobile liability insurance to protect against claims for bodily injury and/or property damage arising out of the Contractor's use of any owned, hired, and or non/owned vehicle, with minimum limits of liability of \$1,000,000.00 combined single limit, per accident. Such policy shall name the School as an Additional Insured and include a Waiver of Subrogation Clause.
- iv) Cyber Liability and Technology Professional Liability Errors and Omissions: Vendor shall maintain coverage appropriate to Vendor's/Contractor's work under this Agreement, with limits not less than \$2,000,000 per occurrence. Coverage shall be sufficiently broad to respond to the duties and obligations undertaken by Vendor in this Agreement and shall include, but not be limited to, claims involving infringement of intellectual property, copyright, trademark, invasion of privacy violations, information theft, release of private information, extortion, and network security. The policy shall provide coverage for breach response costs as

well as regulatory fines and penalties, as well as credit monitoring expenses with limits sufficient to respond to these obligations. - v) Workers’ Compensation: Vendor shall obtain and maintain Workers’ Compensation Insurance in an amount consistent with statutory benefits outlined in the Texas Workers’ Compensation Act.

Each insurance policy to be furnished by the successful Vendor shall include “IDEA Public Schools” as a certificate holder, as Additional Named Insured, and include a Waiver of Subrogation Clause. Please note a certificate of insurance showing named insured is not adequate to establish this status or fulfill this requirement.

Additionally, each insurance policy shall, by endorsement to the policy, include a statement that a notice shall be given to IDEA by certified mail thirty (30) days prior to cancellation or upon any material changes to coverage.

Vendor may not commence services or work relating to the Agreement prior to placement of coverage. Vendor shall keep the required insurance coverage in effect at all times during the term of the Agreement, and any subsequent extensions.

However, the respondent must provide documentation that demonstrates how their solution is equivalent to what is specified. This applies to all sections of this RFP.
- IDEA reserves the right to request Best and Final Offers (BAFOs) with one or more Vendor(s). The BAFO process allows Vendor(s) to submit a revised Proposal based on further clarification, negotiation, or adjustment to the terms initially proposed. The proposal(s) will be re-scored post-BAFO response. IDEA will provide instructions and deadlines for BAFO submissions if this process is initiated. BAFOs must be received by the date/time provided during discussions/negotiations, or the originally submitted proposal will be used for further evaluation and award recommendation.
- IDEA reserves the right to waive any irregularities or informalities in the proposals received.
- IDEA reserves the right to award all, part, or none of the services set forth in this procurement. This procurement does not obligate the Applicant until a valid agreement and/or valid Purchase Order is executed.

- The vendor(s) submission is subject to open records requests and, as such, the records will be released in accordance with those policies. Vendor(s) are encouraged to mark pages as “Proprietary” or “Confidential” as appropriate, but the entire submission may not be marked as such. Identifying information as “Proprietary” or “Confidential” does not guarantee that the information will not be released, but it will be considered in determining whether the information is required to be released in accordance with the open records policies. Generally, pricing is not exempt from being publicly released.

PART IV – EVALUATION CRITERIA

In accordance with IDEA policy, award(s) of a contract(s) resulting from this RFP will be made to the responsible Vendor(s) whose Proposal(s) is/are determined to be most advantageous to IDEA. To qualify for evaluation, a Proposal must be submitted on time and must materially satisfy all mandatory requirements of this RFP.

Competitive Selection and Proposal Evaluation

Following the evaluation of proposals, IDEA reserves the right to request clarifications, conduct discussions, and request best and final offers (BAFOs) from responsive respondents when determined to be in IDEA's best interest and consistent with applicable procurement requirements. Negotiations may include pricing, technical approaches, scope, implementation schedules, contract terms, or other elements of the Proposal. Any negotiations conducted will not alter the requirement that the price of E-Rate eligible products and/or services remain the primary evaluation factor in accordance with FCC and USAC requirements. Award will not necessarily be made to the lowest-priced Proposal but to the Proposal determined to be most advantageous to IDEA based upon the published evaluation criteria.

Best and Final Offer Process (BAFO)

If necessary, IDEA reserves the right to enter into a BAFO process with one or more Vendors. The BAFO process allows Vendors to submit a revised Proposal based on further clarification, negotiation, or adjustment to the terms initially proposed. IDEA will provide instructions and deadlines for BAFO submissions if this process is initiated.

IDEA's Board will make the final decision on whether, and to whom, a contract is awarded.

Non-responsive or disqualified Proposals will not be eligible for award consideration. Reasons for being deemed non-responsive or disqualified include, but are not limited to, failing to meet proposal requirements, receiving the Proposal after the posted deadline, failure to sign the Proposal, and/or failure to include one or more Conditions of Service/Term Agreement.

IDEA reserves the right to reject any use of Vendor terms and conditions of any kind, including web links to any online terms and conditions, or requiring the use of the Offeror's form of agreement.

Proposals will be scored according to the following rubric:

Evaluation Criteria	Weight (Points)	Description
Cost of E-Rate eligible Products and/or services	30	Respondent's proposed price of E-Rate <u>eligible</u> products and/or services.

Technical & Functional Suitability	26	The extent to which the proposed goods or services meet IDEA's needs. This includes, but is not limited to technical specifications, functional requirements, and service expectations as outlined in the RFP.
Reputation & Reliability	14	Respondent's demonstrated reliability and reputation as evidenced by past performance, industry references, third-party evaluations, overall standing in the marketplace, and previous working relationship with other K-12 public charter schools.
Total Cost of Ownership	10	Total long-term cost to acquire the Respondent's goods and/or services. This includes the total <u>ineligible</u> cost to IDEA for acquiring and maintaining the proposed goods and/or services throughout the full duration of the agreement.
Terms & Conditions	10	Respondent's proposed contract terms and conditions.
Completeness of Proposal	5	Evaluators will ensure that all required elements of the proposal have been included and meet the specified submission guidelines.
Service Response & Support Capability	5	Evaluation will be based on the Respondent's demonstrated ability to provide timely support, troubleshooting, and onsite technical assistance. Respondents must submit a service response plan detailing response times, escalation procedures, and support resources.
Total Possible Score	100	

Explanation of Evaluation Criteria:

Eligible Costs (30 Points): Respondent's proposed pricing for all E-Rate *eligible* products and/or services from **Attachment K – CAT 2 Phase 2 Price Sheet**. Evaluators will assess competitiveness, reasonableness, and alignment with project requirements. Proposals that clearly separate eligible and ineligible costs and demonstrate cost efficiency will receive higher scores.

The following formula will be used to calculate the points: (Lowest Cost ÷ Cost of Proposal Being Evaluated) × Maximum Cost Points Available.

Technical & Functional Suitability (26 Points): Evaluators will assess how well the proposed goods and/or services meet IDEA's needs. This includes, but is not limited to technical specifications, functional requirements, and service expectations as outlined in the RFP. Emphasis will be placed on the solution's ability to fulfill core needs, offer value-added features, and integrate effectively within IDEA's existing infrastructure or operations.

Note: Pursuant to E-Rate program rules, proposals will be accepted for the exact items specified or for functionally equivalent products from any manufacturer. Any proposed equivalent solution must be fully compatible with IDEA's existing network infrastructure and capable of being deployed *without* requiring the replacement of existing supporting hardware, software, licensing, management platforms, or other infrastructure components not included in the Respondent's proposal. Proposed solutions that require additional infrastructure upgrades, introduce separate management systems, increase administrative overhead, require significant retraining, or result in additional costs to achieve equivalent functionality may receive lower scores under the Technical & Functional Suitability and Total Cost of Ownership evaluation criteria.

Reputation & Reliability (14 Points): Evaluators will consider the Respondent's demonstrated reliability and reputation based on the references provided within each proposal. This may include, but is not limited to, third-

party industry benchmarks, independent analyst reports, documented past performance, and overall professional standing in the marketplace. The evaluation will also reflect the Respondent's proven track record in delivering high-quality goods and/or services relevant to the scope of this RFP, as demonstrated through past performance and relevant experience. Evaluators will score this from Attachment I - Reference Sheet.

Total Cost of Ownership (10 Points): Total long-term cost to acquire the vendor's goods and/or services. Evaluators will assess the total *ineligible* cost to IDEA over the full term of the agreement, including but not limited to all applicable fees such as implementation, licensing, support, maintenance, and renewal costs. Respondents must provide a complete and transparent cost breakdown of eligible versus ineligible costs in their RFP responses. Proposals with incomplete, unclear, or inconsistent pricing may receive reduced scores, as evaluators must be able to accurately determine the full financial impact to IDEA. Evaluators will score this from Attachment K - Proposed Pricing.

The following formula will be used to calculate the points: $(\text{Lowest Cost} \div \text{Cost of Proposal Being Evaluated}) \times \text{Maximum Cost Points Available}$.

Terms & Conditions (10 Points): Respondent's proposed contract terms and conditions. When evaluating the Respondent's proposed contract terms and conditions, several key criteria will be considered: the initial commencement date and renewal options, service availability, bandwidth increase terms, early termination clause, and price stability. Each of these elements is essential in assessing the overall suitability of the Respondent's proposal. A well-structured contract that effectively addresses these criteria can offer the necessary stability and flexibility while ensuring service continuity. **The offeror agrees to IDEA's General & Supplemental Terms and Conditions and provides, in writing, any exceptions to any of the terms on Attachment M – Deviations and Exceptions.**

Completeness of Proposal (5 Points): Proposals will be evaluated on the inclusion of all required elements in accordance with the submission guidelines. This criterion assesses whether the Respondent has followed all instructions, provided full and responsive answers to every section of the RFP, and demonstrated the ability to meet all stated requirements.

Service Response & Support Capability (5 Points): Evaluation will be based on the Respondent's demonstrated ability to provide timely support, troubleshooting, and onsite technical assistance. Respondents must submit a service response plan detailing response times, escalation procedures, and support resources. Preference will be given to Respondents that can provide onsite support within 72 **business hours** of notification and demonstrate the capacity to consistently meet those service levels. Evaluation will be based on the proposed response times and support capabilities, not the geographic location of the Respondent's offices or personnel.

Any deliveries not made in full are subject to a delay of payment by IDEA. Items shipped to the incorrect location by the Vendor/Contractor will be the responsibility of the Vendor/Contractor to correct. The Vendor/Contractor will be required to cover shipping charges to ship the items to the correct location. IDEA will only deliver the items to the correct location if there was an incorrect shipping address listed on the contract or Purchase Order. A packing slip is required with each shipment.

Enforcement: If the Agreement is for services, it is acknowledged and agreed that Vendor's/Contractor's services to IDEA are unique, which gives Vendor/Contractor a peculiar value to IDEA and for the loss of which IDEA cannot be reasonably or adequately compensated in damages. Accordingly, Vendor/Contractor acknowledges and agrees that a breach by Vendor/Contractor of the provisions hereof will cause IDEA irreparable injury and damage. Vendor/Contractor therefore expressly agrees that IDEA shall be entitled to injunctive and/or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement, but only if IDEA is not in breach of this Agreement.

Entire Agreement: The written Agreement resulting from this RFP as well as these standard terms and conditions (and any procurement documents from IDEA) contains the entire agreement of the Parties concerning the subject matter described therein, and there are no other promises or conditions in any other agreement, whether oral or written, concerning the subject matter described herein. These General Terms and Conditions supersede any prior, contemporaneous, or related written or oral agreements between the parties concerning the subject matter described herein or in the Agreement.

In the event this Agreement is cancelled by IDEA pursuant to this section, IDEA shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount or the cost incurred by Vendor/Contractor in providing such impermissible gratuities.

E-Rate Gift Rule Compliance: Vendor acknowledges and agrees to comply with all FCC E-Rate gift restrictions, including 47 CFR § 54.503(d), and certifies that neither Vendor nor its representatives will offer, provide, solicit, or accept gifts, meals, entertainment, travel, or anything of value in violation of E-Rate program requirements.

THE PROVISIONS OF THIS SECTION WILL NOT BE CONSTRUED TO ELIMINATE OR REDUCE ANY OTHER INDEMNIFICATION OR RIGHT WHICH ANY IDEA INDEMNITEE HAS BY LAW OR EQUITY. ALL PARTIES WILL BE ENTITLED TO BE REPRESENTED BY COUNSEL AT THEIR OWN EXPENSE. VENDOR'S/CONTRACTOR'S OBLIGATIONS CONTAINED IN THIS SECTION SURVIVE TERMINATION OR EXPIRATION OF THIS AGREEMENT AND CONTINUE ON INDEFINITELY, AND CANNOT BE WAIVED OR VARIED.

The Texas Health and Human Services Commission Form 1903, Child Support Certification, must be completed legibly, either handwritten or typed. A duly authorized representative, preferably the duly authorized representative identified, must sign this form. Failure to complete this form pursuant to this and other instruction shall disqualify the Vendor/Contractor from providing goods and/or services to IDEA. See **Attachment I** contained herein.

Inspection: Prior to acceptance of any goods and/or services and continuing for a period of thirty (30) days after IDEA's first use of the goods and/or services, IDEA reserves the absolute right to inspect, test, and reject all goods and/or services, in whole or in part, furnished by Vendor/Contractor, to ensure that they comply with the Agreement and/or PO. This right shall exist even if payment has already been made by IDEA to the Vendor/Contractor. Goods or services which, in the sole opinion of IDEA, fail to conform to the required specification(s) or standard(s) may be considered non-conforming. In such event that goods and/or services are considered non-conforming, IDEA may return such goods and/or services at Vendor's/Contractor's risk and expense for replacement or

correction, in which case Vendor/Contractor shall use best efforts to replace any non-conforming goods and/or services. IDEA may also accept the non-conforming goods and/or services subject to an equitable price reduction if mutually agreed to among the parties.

Interpretation of Evidence: No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in a contract. Acceptance or acquiescence in a course of performance rendered under a contract shall not be relevant to determine the meaning of the contract even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in the Contract, the definition contained in the Code is to control.

Law of State to Govern: This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Texas (without regard to the conflicts or choice of law principles). The Parties irrevocably consent to the jurisdiction of the State of Texas and agree that any court of competent jurisdiction sitting in Hidalgo County, Texas, shall be an appropriate and convenient place of venue to resolve any dispute with respect to this Agreement. In connection with IDEA's defense of any suit against and/or IDEA's prosecution of any claim, counterclaim or action to enforce any of its rights and/or claims under this Agreement, which IDEA prevails as to all or any portion of its defense(s), claims, counterclaims, and actions, IDEA shall be entitled to recover its actual attorneys' fees and expenses incurred in defending such suit and/or in prosecuting such claim or action.

Limitations: THE PARTIES ARE AWARE THAT THERE ARE CONSTITUTIONAL AND STATUTORY LIMITATIONS ON THE AUTHORITY OF IDEA (A PUBLIC SCHOOL SYSTEM AND GOVERNMENTAL ENTITY) TO ENTER INTO CERTAIN TERMS AND CONDITIONS OF THE AGREEMENT, INCLUDING, BUT NOT LIMITED TO, THOSE TERMS AND CONDITIONS RELATING TO LIENS ON IDEA'S PROPERTY; DISCLAIMERS AND LIMITATIONS OF WARRANTIES; DISCLAIMERS AND LIMITATIONS OF LIABILITY FOR DAMAGES; WAIVERS, DISCLAIMERS AND LIMITATIONS OF LEGAL RIGHTS, REMEDIES, REQUIREMENTS AND PROCESSES; LIMITATIONS OF PERIODS TO BRING LEGAL ACTION; GRANTING CONTROL OF LITIGATION OR SETTLEMENT TO ANOTHER PARTY; LIABILITY FOR ACTS OR OMISSIONS OF THIRD PARTIES; PAYMENT OF ATTORNEYS' FEES; DISPUTE RESOLUTION; INDEMNITIES; AND CONFIDENTIALITY (COLLECTIVELY, THE "LIMITATIONS"), AND TERMS AND CONDITIONS RELATED TO THE LIMITATIONS WILL NOT BE BINDING ON IDEA EXCEPT TO THE EXTENT AUTHORIZED BY THE LAWS AND CONSTITUTION OF THE STATE OF TEXAS.

Modifications: The contract may only be modified, altered, or changed by a written agreement signed by both IDEA and Vendor/Contractor and their duly authorized agents.

No Arbitration: Disputes involving this Agreement, including the breach or alleged breach thereof, may not be submitted to binding arbitration, but must, instead, be submitted to non-binding mediation or heard in a court of competent jurisdiction in the State of Texas sitting in Hidalgo County, Texas.

Non-Appropriation/Funding Out: This Agreement is conditioned upon continued funding and appropriation and allotment of funds by the Texas State Legislature and/or the Texas Education Agency pursuant to IDEA's open-enrollment charter. This Agreement is further conditioned on continued allocation of funds by IDEA's Board. If the Legislature and/or the Texas Education Agency fails to appropriate or allot the necessary funds, or the Board fails to allocate the necessary funds at the end of IDEA's fiscal year, then IDEA will issue written notice to Vendor/Contractor and IDEA may terminate this Agreement without further duty or obligation hereunder.

No Waiver of Immunity: NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, VENDOR/CONTRACTOR ACKNOWLEDGES, STIPULATES, AND AGREES THAT NOTHING IN THIS AGREEMENT SHALL BE CONSTRUED AS A WAIVER OF ANY DEFENSE AVAILABLE TO IDEA, INCLUDING BUT NOT LIMITED TO ANY SOVEREIGN, STATUTORY, AND/OR GOVERNMENTAL IMMUNITY AVAILABLE TO IDEA UNDER APPLICABLE LAW.

Payment Terms: Unless a prompt payment discount with a payment term of at least ten (10) days is offered and accepted by IDEA, payment terms shall be thirty (30) days net from date of acceptance or receipt of a properly prepared and submitted invoice, whichever is later. In accordance with the Board's accounts payable policy, to receive payment for goods provided and/or services rendered, the Vendor/Contractor must submit a separate invoice, in duplicate, for each purchase order that includes the following:

- a. Fully identifies the Vendor/Contractor, including the Vendor's/Contractor's authorized representative, and said identifying information conforms to that on the purchase order issued by IDEA to the Vendor/Contractor and/or the Agreement.
- b. Includes an invoice number and date.
- c. Is addressed to IDEA Public Schools, including the proper mailing address for accounts payable and the address to which goods and/or services were delivered.
- d. References the purchase order number issued.
- e. Delineates in sufficient detail the goods and/or services provided to IDEA, including the quantity and unit price of the goods and/or services, and the date that the goods were delivered or the services were rendered.

Payment will not be remitted until all goods provided and/or services rendered are inspected and confirmed received by IDEA.

Prices: IDEA accepts Vendor's/Contractor's price(s) as recorded on Vendor's/Contractor's Proposal and reserves the right to cancel the Agreement if the prices are to be increased without a properly negotiated and executed amendment to the Agreement.

Product Recall: Vendor/Contractor shall notify IDEA immediately if a product recall is instituted on any good and/or service Vendor/Contractor has delivered or if Vendor/Contractor discovers or becomes aware of any defect in quality or other deficiency in the delivered goods and/or services. This requirement shall survive payment and acceptance of the goods and/or services.

Purchase Order Required: Orders/requests may be submitted by telephone, fax, email, or mail. No valid orders/requests will be submitted without an IDEA approved purchase order.

Record Keeping: Vendor shall retain all records related to this Agreement, including but not limited to procurement documents, bids, contracts, invoices, installation records, delivery records, correspondence, and supporting documentation, for a minimum of ten (10) years following the last date of service provided under the applicable E-Rate funding year. Such records shall be made available upon request to IDEA Public Schools, the Universal Service Administrative Company (USAC), the Federal Communications Commission (FCC), or other authorized governmental entities. Vendor shall ensure that the same retention obligations apply to any subcontractors and successors in interest.

Rights to Inventions Made Under a Contract or Agreement: The Vendor/Contractor acknowledges and agrees that any intellectual property, processes, procedures or product developed in furtherance of a contract between the Vendor/Contractor and IDEA belongs to IDEA as work-for-hire and all rights are reserved by IDEA and/or the federal government in accordance with applicable federal law.

Severability: In the event that any provision of this Agreement is found to be invalid, illegal, or unenforceable in any jurisdiction, then in lieu of such invalid, illegal, or unenforceable provision there shall be added automatically as a part of this Agreement a valid, legal, and enforceable substitute provision that most nearly reflects the original intent of the Parties, and all provisions hereof shall remain in full force and effect and shall be liberally construed in order to carry out the intentions of the Parties hereto as nearly as may be possible. Such invalidity, illegality, or unenforceability shall not affect any other provisions contained in this Agreement.

Tax Exempt: IDEA is tax-exempt. Vendor/Contractor shall not include taxes on any Proposal, contract, PO, or invoice. IDEA

will provide a tax exemption certificate to Vendor/Contractor upon request.

Termination: IDEA reserves the right to terminate all or any part of the undelivered portion of any order resulting from the Agreement with thirty (30) days written notice upon default by the Vendor/Contractor, for delay or nonperformance by the Vendor/Contractor, or if it is deemed in the best interest of IDEA, for convenience.

Texas Public Information Act: Vendor/Contractor acknowledges that IDEA is a public school subject to requests for information under the Texas Public Information Act ("TPIA"), Chapter 552, Texas Government Code. Under the TPIA, there are exceptions to requests for disclosure which include, but are not limited to, information confidential by law and certain commercial information and trade secrets. The Texas Attorney General's office makes the final determination whether or not requested information is to be disclosed on a case-by-case basis after reviewing the materials and assertions against disclosure. If proprietary information is requested, the TPIA requires IDEA to provide written notice to the party whose proprietary information may be subject to the request, and that party may also submit information to the Texas Attorney General to establish that disclosure of the information would cause substantial competitive harm.

Unsatisfactory Performance by Vendor Staff: If any person employed by Vendor/Contractor fails or refuses to carry out the services detailed in this Agreement or is, in the opinion of IDEA's designated representative(s), incompetent, unfaithful, intemperate, or disorderly, or uses threatening or abusive language to an IDEA student, parent, or representative, or if otherwise unsatisfactory, he or she shall be removed from the work under this Agreement immediately and shall not again provide services to IDEA except upon consent of IDEA's representative(s).

PART VI - SUPPLEMENTAL TERMS AND CONDITIONS

Buy America Act: If the source of funds identified on **page 5 - Funding Type** for this RFP and resulting Agreement is federal funds, IDEA has a preference to procure goods, products, or materials produced in the United States (2 CFR § 200.322).

Confidential and/or Proprietary Information: The vendor acknowledges that it may have access to or create (alone or with others) confidential and/or proprietary information that is valuable to IDEA. For purposes of this Agreement, "Confidential Information" shall include but not be limited to:

 - a. Information available to the public through no wrongful act of the receiving party.

- b. Information that has been published.
- c. Information required in response to subpoena, court order, court ruling, or by law.

Vendor agrees that it will not, at any time during or after the termination of this Agreement, use or disclose any Confidential Information or trade secrets of IDEA to any person or entity for any purpose whatsoever without the prior written consent of IDEA, unless and except as otherwise required by applicable federal or state law or court order. Vendor agrees to release to IDEA all records and supporting documentation related to the Services provided under this Agreement upon completion of the Term hereof.

Identity Theft Protection: If Vendor will be storing employee or student data as part of the services under the Agreement, the following provisions apply:

1. Vendor agrees to maintain the confidentiality of “personal identifying information” and “sensitive personal information,” as those terms are defined in Texas Business & Commerce Code § 522.002 by implementing reasonable data security procedures, controls, and safeguards to ensure that such information is protected. Vendor agrees that “personal identifying information” and “sensitive personal information” will be collected only as necessary and in conjunction with this Agreement and will be restricted in its distribution and accessibility such that only authorized representatives of Vendor who have agreed to maintain the confidentiality of the data may access it. Such information will be properly secured by the use of safeguards such as secure file storage, firewall protection, complex password protection, secure operating systems, anti-virus software, locked physical files and backups, data encryption, and other technology tools. When necessary, “personal identifying information” and “sensitive personal information” will be disposed of through secure means, such as shredding paper files and erasing electronic files.
2. Vendor will not bear responsibility for safeguarding information that is (i) publicly available; (ii) that is not “personal identifying information” or “sensitive personal information”; (iii) that is obtained by Vendor from third parties without restrictions on disclosure and is not obviously “personal identifying information” or “sensitive personal information”; or (iv) is required to be disclosed by order of a court or other governmental entity.
3. Vendor stipulates that this Agreement does not convey ownership of “personal identifying information” or “sensitive personal information” provided by IDEA under this Agreement.
4. If Vendor becomes aware of a disclosure or security breach concerning any “personal identifying information” or “sensitive personal information” covered by this Agreement, Vendor shall immediately notify IDEA and take immediate steps to limit and mitigate the damage of such security breach to the greatest extent possible. If there is a

“breach of system security” where “sensitive personal information” is breached, both as defined in sections 521.002 and 521.053 of the Texas Business & Commerce Code, Vendor shall proceed with notification requirements as required therein. The Parties agree that any breach of the privacy and/or confidentiality obligations set forth in this Section may, at IDEA’s sole discretion, result in IDEA’s immediately terminating this Agreement without financial penalty.

Payment and Performance Bonds: If required pursuant to Texas Government Code Chapter 2253 related to performing public works, and prior to commencing any work pursuant to this Agreement or any Purchase Order, the Vendor shall provide Payment and Performance bonds equal to the total cost of the approved project. This shall be at the sole cost and expense of the Vendor.

Privacy of Employee or Student Data: When educational records and Student Data will be utilized under the Agreement, or Employee data may be involved, the following provisions apply, and Vendor will enter into a Data Sharing Agreement provided by IDEA:

1. **General Guidelines.** The Parties acknowledge and agree that certain federal and state laws protect the privacy interests of students and parents with regard to educational records maintained by IDEA, including, without limitation, the Family Educational Rights and Privacy Act (“FERPA”), 20 USC § 1232g. IDEA has determined that Vendor has a legitimate educational interest in the educational records, as that term is defined under FERPA, of IDEA’s students who receive the services, and that Vendor is the agent of IDEA solely for the purpose of providing services under this Agreement. Vendor and its personnel shall maintain the confidentiality of Student Data, as defined below, and comply with the requirements of FERPA and all other applicable law with respect to the privacy of Student Data. Vendor’s/Contractor’s obligations under this Section shall survive the termination or expiration of this Agreement.
2. **Definition of “Student Data”:** “Student Data” includes all Personally Identifiable Information (“PII”) and other non-public information and includes, but is not limited to, student data, metadata, and user content.
3. **Collection and Use of Student Data:** Vendor will only collect Student Data necessary to fulfill its duties as outlined in this Agreement. Vendor will use Student Data only for the purpose of fulfilling its duties and providing services under this Agreement, and for improving services under this Agreement. Vendor is prohibited from mining Student Data for any purposes other than those agreed to by the parties. Data mining or scanning of user content for the purpose of advertising or marketing to students or their parents is prohibited.
4. If Vendor has access to Employee PII, it shall protect PII and follow the same data protection and privacy standards as applied for Student Data.

5. **Data De-Identification:** Vendor may use de-identified Student or Employee Data for product development, research, or other purposes. De-identified Student or Employee Data will have all direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Vendor agrees not to attempt to re-identify de-identified Student or Employee Data and not to transfer de-identified Student or Employee Data to any party unless that party agrees not to attempt re-identification.
6. **Marketing and Advertising:** The vendor will not use any Student Data to advertise or market to students or their parents.
7. **Modification of Terms of Service:** Vendor will not change how Student or Employee Data are collected, used, or shared under the terms of this Agreement in any way without advance notice to and consent from IDEA.
8. **Student Data Sharing:** Student Data cannot be shared with any additional parties without prior written consent of IDEA, except as required by law.
9. **Access and Transfer or Destruction:** Any Student or Employee Data held by the Vendor will be made available to IDEA upon request by IDEA. Vendor will ensure that all Student or Employee Data in its possession and in the possession of any subcontractors or agents to which Vendor may have

transferred Student or Employee Data are destroyed or transferred to IDEA when the Student or Employee Data is no longer needed for its specified purpose, at the request of IDEA.

10. **Rights and License In and To Student or Employee Data:** The Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of IDEA, and that Vendor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in this Agreement. This Agreement does not give Vendor any rights, implied or otherwise, to Student or Employee Data, content, or intellectual property, except as otherwise expressly stated in this Agreement. This includes the right to sell or trade Student or Employee Data.
11. **Security Controls:** Vendor will store and process Student or Employee Data in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to secure Student or Employee Data from unauthorized access, disclosure, and use. Vendor will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. IDEA must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. IDEA must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. IDEA must report all suspected or reported violations to the Federal awarding agency.
5. Contract Work Hours and Safety Standards Act.
