PART I – CURRENT CONDITIONS/BACKGROUND

Introduction: IDEA Greater Cincinnati, Inc. ("IDEA") is an Ohio nonprofit corporation and a tax-exempt organization pursuant to the Section 501(c)(3) of the Internal Revenue Code. Pursuant to Title 33 of the Ohio Revised Code and its Contract for Charter with the Thomas B. Fordham Foundation, IDEA is an open-enrollment charter

school, governmental entity, and public school. IDEA prepares Ohio students from underserved communities for success in college and life. IDEA serves students located in the Cincinnati area.

IDEA serves primarily low-income students in underserved areas of both rural and urban communities. Over 80% of IDEA students are considered low-income and one of every three students is the first in their family to go to college. Since the first graduating class in 2007, nearly 100% of seniors have been accepted and matriculated to a college or university every year. Thanks to a rigorous path to college IDEA students attend selective universities throughout the country, win national awards and scholarships, and complete college at a rate six times the national average for low-income students.

Note: While IDEA's program, curriculum, and mission has been replicated to serve students in other states, this Request for Proposals and any subsequent contract is only for goods or services provided to IDEA's Ohio based charter schools and campuses.

Project Background: IDEA Greater Cincinnati, Inc operates a growing network of public charter schools serving students and staff across multiple locations. As cloud services, digital learning, and remote connectivity continue to expand, IDEA requires a modern, cloud-first security architecture that provides consistent protection across campuses, users, applications, and cloud resources.

IDEA Greater Cincinnati, Inc seeks proposals from qualified vendors to provide a comprehensive Firewall as a Service (FWaaS) solution, including implementation, licensing, support, and maintenance throughout the E-Rate contract period. The proposed solution must meet or exceed the organization's Zero Trust Architecture requirements and align with the principles outlined in NIST Special Publication 800-207 or an equivalent Zero Trust framework.

The selected FWaaS platform must provide centralized security policy management, identity-aware access controls, advanced threat prevention, secure web and DNS filtering, application visibility and control, secure Internet access, and comprehensive monitoring and reporting. The solution should integrate seamlessly with IDEA's existing network and security infrastructure while simplifying operations through unified management and automation.

Project Vision: IDEA's vision is to establish a secure, resilient, and scalable Zero Trust security platform that delivers consistent, enterprise-grade protection regardless of user location. The solution must support future organizational growth, maintain high availability, satisfy regulatory and E-Rate requirements, and provide a long-term technology partnership that advances IDEA's educational mission while protecting its students, staff, and critical information assets.

FACTORS FOR DISQUALIFICATION:

A Proposal must be deemed **non-responsive** and disqualified from further consideration for reasons including, but not limited to, the following:

- Unauthorized contact by the Service Provider with the Applicant regarding this Solicitation, except as expressly permitted.
- Proposal is received after the stated submission deadline.
- Proposal fails to meet one or more mandatory requirements of this Solicitation.
- Proposal is not signed by an individual authorized to bind the Respondent.
- Proposal fails to include all required Conditions of Service and/or Terms Agreement.
- Proposal includes generic or encyclopedic price lists or a solution generated by an artificial intelligence system that does not specifically address the requirements of this Solicitation.
- Respondent fails to provide pricing for required installation services when identified as **"must"** in this Solicitation. If installation services are not provided directly by the Respondent, the Proposal must identify the third-party provider(s) that will perform the required installation services.

- Respondent fails to demonstrate possession of a valid **Service Provider Identification Number (SPIN)** at the time the Proposal is submitted.
- Respondent fails to provide pricing for **all required locations** identified in this Solicitation. Proposals that omit pricing for one or more required locations will be deemed non-responsive and will not be considered for award.

PART II – SCOPE AND SPECIFICATIONS OF THE PROPOSAL

Proposal Specifications: The following outlines the minimum service and performance requirements that the successful Respondent(s) must meet. Requirements may extend beyond those listed if necessary to support IDEA's needs. Proposals will be evaluated using the objective criteria specified in this solicitation, and IDEA will award vendor(s), at its sole discretion if determined to be in the district's best interest.

Any contract award issued as a result of this RFP does not guarantee any minimum amount of service or payment. IDEA will not issue a Purchase Order (P.O.) until a campus or department initiates a request for the goods and/or services described in this RFP. A Vendor/Contractor shall not perform services for IDEA without the issuance of a P.O. or Contract Agreement. A Vendor/Contractor will be compensated, with the submission of proper supporting documentation, by IDEA for goods and/or services satisfactorily provided and/or performed in accordance with the Agreement requirements and this RFP.

Vendor may not commence services or work relating to the Agreement prior to placement of coverage. Vendor shall keep the required insurance coverage in effect at all times during the term of the Agreement, and any subsequent extensions.

Proposal must be received by the stated deadline and be determined by IDEA to be responsive by materially satisfying all mandatory requirements of this RFP. IDEA reserves the right to reject any Proposal determined to be non-responsive and to exclude such Proposal from further evaluation. Only responsive Proposals will be evaluated and scored in accordance with the criteria set forth below.

Competitive Selection and Proposal Evaluation

Consistent with E-Rate program requirements, the price of the E-Rate eligible products and/or services shall be the single most heavily weighted evaluation factor. However, award will be made to the responsive and responsible Offeror whose Proposal is determined to provide the best overall value to IDEA after consideration of all published evaluation criteria.

Proposals will be evaluated based on criteria deemed to be in IDEA's best interest, as reflected in the evaluation criteria below. IDEA may request any or all Vendors to provide an oral presentation or participate in interviews to clarify or elaborate on their Proposal. Upon completion of presentations, interviews, or discussions, Vendors may be requested to revise any or all portions of their Proposal.

Best and Final Offer Process (BAFO)

IDEA reserves the right to request Best and Final Offers (BAFOs) with one or more Vendors. The BAFO process allows Vendors to submit a revised Proposal based on further clarification, negotiation, or adjustment to the terms initially proposed. The proposal(s) will be re-scored post-BAFO response. IDEA will provide instructions and deadlines for BAFO submissions if this process is initiated. BAFOs must be received by the date/time provided during discussions/negotiations, or the originally submitted proposal will be used for further evaluation and award recommendation.

IDEA's Board will make the final decision on whether, and to whom, a contract is awarded.

IDEA reserves the right to reject any use of Vendor terms and conditions of any kind, including web links to any online terms and conditions, or requiring the use of the Offeror's form of agreement.

Proposals will be scored according to the following rubric:

Evaluation Criteria	Weight (Points)	Description
Cost of E-Rate Eligible Products and/or Services	30	Respondent's proposed price of E-Rate eligible products and/or services.
Technical & Functional Suitability	28	The extent to which the proposed goods or services meet IDEA's needs. This includes, but is not limited to technical specifications, functional requirements, and service expectations as outlined in the RFP.
Reputation & Reliability	12	Respondent's demonstrated reliability and reputation as evidenced by past performance, industry references, third-party evaluations, overall standing in the marketplace, and previous working relationship with other K-12 public charter schools.
Total Cost of Ownership	10	Total long-term cost to acquire the Respondent's goods and/or services. This includes the total ineligible cost to IDEA for acquiring and maintaining the proposed goods and/or services throughout the full duration of the agreement.
Terms & Conditions	10	Respondent's proposed contract terms and conditions.
Completeness of Proposal	5	Evaluators will ensure that all required elements of the proposal have been included and meet the specified submission guidelines.

Service Response & Support Capability	5	Evaluation will be based on the Respondent's demonstrated ability to provide timely support, troubleshooting, and onsite technical assistance. Respondents must submit a service response plan detailing response times, escalation procedures, and support resources.
Total Possible Score	100	

Explanation of Evaluation Criteria:

Cost of E-Rate Eligible Products and/or services (30 Points): Respondent's proposed pricing for all E-Rate eligible products and/or services from *Attachment O – Proposed Pricing*. Evaluators will assess competitiveness, reasonableness, and alignment with project requirements. Proposals that clearly separate eligible and ineligible costs and demonstrate cost efficiency will receive higher scores. The following formula will be used to calculate the points: $(\text{Lowest Cost} \div \text{Cost of Proposal Being Evaluated}) \times \text{Maximum Cost Points Available}$.

Technical & Functional Suitability (28 Points): Evaluators will assess how well the proposed goods and/or services meet IDEA Public Schools' technical, functional, and operational requirements. This evaluation includes, but is not limited to, compliance with the technical specifications, functional capabilities, implementation approach, compatibility with IDEA's operating environment, and service expectations outlined in this Solicitation.

Evaluators may also consider the operational impact, implementation effort, total cost of ownership, and any additional infrastructure, management systems, administrative effort, or implementation costs required to support a proposed equivalent solution.

Note: Pursuant to E-Rate program requirements, proposals will be accepted for the exact products specified or for functionally equivalent products from any manufacturer. Any proposed equivalent solution must meet the functional and technical requirements of this Solicitation. Proposed equivalent solutions should identify any additional infrastructure, software, licensing, management platforms, implementation activities, or other components required for deployment. These factors will be considered during the evaluation of Technical & Functional Suitability and Total Cost of Ownership. However, a Proposal will not be deemed non-responsive solely because it utilizes a different architecture, management platform, or technical approach than IDEA's existing environment.

Reputation & Reliability (12 Points): Evaluators will consider the Respondent's demonstrated reliability and reputation based on the references provided within each proposal. This may include, but is not limited to, third-party industry benchmarks, independent analyst reports, documented past performance, and overall professional standing in the marketplace. The evaluation will also reflect the Respondent's proven track record in delivering high-quality goods and/or services relevant to the scope of this RFP, as demonstrated through past performance and relevant experience as referenced in *Attachment M – Reference Sheet*.

Total Cost of Ownership (10 Points): Total long-term cost to acquire the vendor's goods and/or services. Evaluators will assess the total ineligible cost to the district over the full term of the agreement, including but not limited to all applicable fees such as implementation, licensing, support, maintenance, and renewal costs from *Attachment O – Proposed Pricing*. Respondents must provide a complete and transparent cost breakdown of eligible versus ineligible costs in their RFP responses. Proposals with incomplete, unclear, or inconsistent pricing may receive reduced scores, as evaluators must be able to accurately determine the full financial impact to the district. The following formula will be used to calculate the points: $(\text{Lowest Cost} \div \text{Cost of Proposal Being Evaluated}) \times \text{Maximum Cost Points Available}$.

Terms & Conditions (10 Points): Respondent's proposed contract terms and conditions. When evaluating the Respondent's proposed contract terms and conditions, several key criteria will be considered: the initial commencement date and renewal options, service availability, bandwidth increase terms, early termination clause, and price stability. Each of these elements is essential in assessing the overall suitability of the Respondent's proposal. A well-structured contract that effectively addresses these criteria can offer the

necessary stability and flexibility while ensuring service continuity. **The offeror agrees to IDEA's General & Supplemental Terms and Conditions and provides, in writing, any exceptions to any of the terms on Attachment Q – Deviations and Exceptions.**

Completeness of Proposal (5 Points): Proposals will be evaluated on the inclusion of all required elements in accordance with the submission guidelines. This criterion assesses whether the Respondent has followed all instructions, provided full and responsive answers to every section of the RFP, and demonstrated the ability to meet all stated requirements.

Service Response & Support Capability (5 Points): Evaluation will be based on the Respondent's demonstrated ability to provide timely support, troubleshooting, and onsite technical assistance. Respondents must submit a service response plan detailing response times, escalation procedures, and support resources. Preference will be given to Respondents that can provide onsite support within **72 business hours** of notification and demonstrate the capacity to consistently meet those service levels. Evaluation will be based on the proposed response times and support capabilities, not the geographic location of the Respondent's offices or personnel.

PART V – GENERAL TERMS AND CONDITIONS ACKNOWLEDGEMENT

Any attempted assignment of this Agreement by Vendor/Contractor shall be null and void. Any violation or failure to disclose any conflicts of interest shall be grounds for IDEA to take action as permitted by law including termination of any Agreement, declaring any Agreement void or other action IDEA determines to be in the best interest of IDEA.

Contractual Relationship: Nothing herein shall be construed as creating the relationship of employer or employee between

IDEA and the Vendor/Contractor or between IDEA and the Vendor's/Contractor's employees. IDEA shall not be subject to any obligation or liabilities of the Vendor/Contractor or its employees incurred in the performance of the contract and order unless otherwise herein authorized. Neither the Vendor/Contractor nor its employees shall be entitled to any of the benefits established for IDEA employees, nor be covered by IDEA's Workers' Compensation Program.

Confidentiality- Name or Information Use: Vendor/Contractor, and any person acting on its behalf or affiliated with the Vendor/Contractor, shall not use IDEA's name, trademarks, logos or other information in any public manner or media (including, but not limited to press releases, promotions, advertisements, solicitations, website, blog, video, or social media) without prior written approval of IDEA. Written authorization may be refused or granted at IDEA's sole discretion.

Debarment and Suspension: Neither Vendor/Contractor nor any of its officer, directors, owners, members, employees or agents is listed on the General Services Administration's List of Parties Excluded from Federal Procurement or Nonprocurement Programs in accordance with E.O. 12549 and E.O. 12689—Debarment and Suspension. Any deliveries not made in full are subject to a delay of payment by IDEA. Items shipped to the incorrect location by the Vendor/Contractor will be the responsibility of the Vendor/Contractor to correct. The Vendor/Contractor will be required to cover shipping charges to ship the items to the correct location. IDEA will only deliver the items to the correct location if there was an incorrect shipping

address listed on the contract or Purchase Order. A packing slip is required with each shipment.

Enforcement: If the Agreement is for services, it is acknowledged and agreed that Vendor's/Contractor's services to IDEA are unique, which gives Vendor/Contractor a peculiar value to IDEA and for the loss of which IDEA cannot be reasonably or adequately compensated in damages. Accordingly, Vendor/Contractor acknowledges and agrees that a breach by Vendor/Contractor of the provisions hereof will cause IDEA irreparable injury and damage. Vendor/Contractor therefore expressly agrees that IDEA shall be entitled to injunctive and/or other equitable relief in any court of competent jurisdiction to prevent or otherwise restrain a breach of this Agreement, but only if IDEA is not in breach of this Agreement.

Entire Agreement: The written Agreement resulting from this RFP as well as these standard terms and conditions (and any procurement documents from IDEA) contains the entire agreement of the Parties concerning the subject matter described therein, and there are no other promises or conditions in any other agreement, whether oral or written, concerning the subject matter described herein. These General Terms and Conditions supersede any prior, contemporaneous, or related written or oral agreements between the parties concerning the subject matter described herein or in the Agreement.

Equal Opportunity: Vendor/Contractor shall comply with E.O. 11246—Equal Employment Opportunity, as amended by E.O. 11375—Amending Executive Order 11246 Relating to Equal Employment Opportunity, and as supplemented by regulations at 41 CFR Part 60—Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.

Execution: This Agreement may be executed in multiple counterparts, each of which shall be deemed an original, and all of which, when taken together, shall constitute one and the same instrument.

Formation and Good Standing: Vendor/Contractor represents and warrants that it is legally formed, validly existing and/or registered to conduct business in Ohio, and to the extent applicable, in good standing under the laws of Ohio and of the state of its formation. Vendor/Contractor represents and warrants that it is duly qualified and registered to do business in Ohio with the Ohio Secretary of State and understands that remaining in good standing with Ohio is a condition of the Agreement.

General Warranty: Vendor/Contractor represents and warrants to IDEA that the goods and/or services shall perform at a level as intended, are fit for use for their intended purpose, and shall substantially conform in accordance with the specifications stated in the Agreement, in compliance and conformance with any applicable law or ordinance and will be performed in a good, professional, and workmanlike manner. Further, they shall be fit for ordinary use with no material defects, provided that all use of the goods and/or services is for the purposes and in the environment for which they were designed and in accordance with such specifications.

Gratuities: IDEA may, by written notice to Vendor/Contractor, cancel this Agreement without liability to IDEA if it is determined by IDEA that gratuities, in the form of entertainment, gifts, or otherwise, were offered or given by

Vendor/Contractor (or any agent or representative of Vendor/Contractor) to any director, officer or employee of IDEA (or to any immediate family member or business associate of an IDEA employee, officer or director under Ohio law), unless there is an express written statutory exception for same. In the event this Agreement is cancelled by IDEA pursuant to this section, IDEA shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount or the cost incurred by Vendor/Contractor in providing such impermissible gratuities.

Indemnification: VENDOR/CONTRACTOR WILL INDEMNIFY, PROTECT, DEFEND, AND HOLD HARMLESS IDEA AND ITS BOARD, MEMBERS, OFFICERS, AGENTS, CONSULTANTS, AND REPRESENTATIVES (COLLECTIVELY THE "IDEA INDEMNITEES") IN THEIR OFFICIAL AND INDIVIDUAL CAPACITIES FROM AND AGAINST ALL DAMAGES, LOSSES, LIENS, CAUSES OF ACTION, SUITS, JUDGMENTS, EXPENSES, AND OTHER CLAIMS OF ANY NATURE, KIND, OR DESCRIPTION, INCLUDING ATTORNEYS' FEES INCURRED IN INVESTIGATING, DEFENDING, OR SETTLING ANY OF THE FOREGOING BY ANY PERSON OR ENTITY, ARISING OUT OF, CAUSED BY, OR RESULTING FROM VENDOR'S/CONTRACTOR'S PERFORMANCE UNDER OR BREACH OF THIS AGREEMENT AND THAT ARE CAUSED IN WHOLE OR IN PART BY ANY ACT OR OMISSION, INCLUDING ANY NEGLIGENT ACT, NEGLIGENT OMISSION, OR WILLFUL MISCONDUCT OF VENDOR/CONTRACTOR, ANYONE DIRECTLY EMPLOYED BY VENDOR/CONTRACTOR, OR ANYONE FOR WHOSE ACTS VENDOR/CONTRACTOR MAY BE LIABLE. THE PROVISIONS OF THIS SECTION WILL NOT BE CONSTRUED TO ELIMINATE OR REDUCE ANY OTHER INDEMNIFICATION OR RIGHT WHICH ANY IDEA INDEMNITEE HAS BY LAW OR EQUITY. ALL PARTIES WILL BE ENTITLED TO BE REPRESENTED BY COUNSEL AT THEIR OWN EXPENSE. VENDOR'S/CONTRACTOR'S OBLIGATIONS CONTAINED IN THIS SECTION SURVIVE TERMINATION OR EXPIRATION OF THIS AGREEMENT AND CONTINUE ON INDEFINITELY, AND CANNOT BE WAIVED OR VARIED.

Inspection: Prior to acceptance of any goods and/or services and continuing for a period of thirty (30) days after IDEA's first use of the goods and/or services, IDEA reserves the absolute right to inspect, test, and reject all goods and/or services, in whole or in part, furnished by Vendor/Contractor, to ensure that they comply with the Agreement and/or PO. This right shall exist even if payment has already been made by IDEA to the Vendor/Contractor. Goods or services which, in the sole opinion of IDEA, fail to conform to the required specification(s) or standard(s) may be considered non-conforming. In such event that goods and/or services are considered non-conforming, IDEA may return such goods and/or services at Vendor's/Contractor's risk and expense for replacement or correction, in which case Vendor/Contractor shall use best efforts to replace any non-conforming goods and/or services. IDEA may also accept the non-conforming goods and/or services subject to an equitable price reduction if mutually agreed to among the parties.

Interpretation of Evidence: No course of prior dealings between the parties and no usage of the trade shall be relevant to supplement or explain any term used in a contract.

Acceptance or acquiescence in a course of performance rendered under a contract shall not be relevant to determine the meaning of the contract even though the accepting or acquiescing party has knowledge of the performance and opportunity for objection. Whenever a term defined by the Uniform Commercial Code is used in the Contract, the definition contained in the Code is to control.

Law of State to Govern: This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of Ohio (without regard to the conflicts or choice of law principles). The Parties irrevocably consent to the jurisdiction of the State of Ohio and agree that any court of competent jurisdiction sitting in Hamilton County, Ohio, shall be an appropriate and convenient place of venue to resolve any dispute with respect to this Agreement. In connection with IDEA's defense of any suit against and/or IDEA's prosecution of any claim, counterclaim or action to enforce any of its rights and/or claims under this Agreement, which IDEA prevails as to all or any portion of its defense(s), claims, counterclaims, and actions, IDEA shall be entitled to recover its actual attorneys' fees and expenses incurred in defending such suit and/or in prosecuting such claim or action.

Limitations: THE PARTIES ARE AWARE THAT THERE ARE CONSTITUTIONAL AND STATUTORY LIMITATIONS ON THE AUTHORITY OF IDEA (A PUBLIC SCHOOL AND GOVERNMENTAL ENTITY) TO ENTER INTO CERTAIN TERMS AND CONDITIONS OF THE AGREEMENT, INCLUDING, BUT NOT LIMITED TO, THOSE TERMS AND CONDITIONS RELATING TO LIENS ON IDEA'S PROPERTY; DISCLAIMERS AND LIMITATIONS OF WARRANTIES; DISCLAIMERS AND LIMITATIONS OF LIABILITY FOR DAMAGES; WAIVERS, DISCLAIMERS AND LIMITATIONS OF LEGAL RIGHTS, REMEDIES, REQUIREMENTS AND PROCESSES; LIMITATIONS OF PERIODS TO BRING LEGAL ACTION; GRANTING CONTROL OF LITIGATION OR SETTLEMENT TO ANOTHER PARTY; LIABILITY FOR ACTS OR OMISSIONS OF THIRD PARTIES; PAYMENT OF ATTORNEYS' FEES; DISPUTE RESOLUTION; INDEMNITIES; AND CONFIDENTIALITY (COLLECTIVELY, THE "LIMITATIONS"), AND TERMS AND CONDITIONS RELATED TO THE LIMITATIONS WILL NOT BE BINDING ON IDEA EXCEPT TO THE EXTENT AUTHORIZED BY THE LAWS AND CONSTITUTION OF THE STATE OF OHIO.

Modifications: The contract may only be modified, altered, or changed by a written agreement signed by both IDEA and Vendor/Contractor and their duly authorized agents.

No Arbitration: Disputes involving this Agreement, including the breach or alleged breach thereof, may not be submitted to binding arbitration, but must, instead, be submitted to non-binding mediation or heard in a court of competent jurisdiction in the State of Ohio sitting in Hamilton County, Ohio.

Non-Appropriation/Funding Out: This Agreement is conditioned upon continued funding and appropriation and allotment of funds by the Ohio General Assembly and/or the continued operation of IDEA as a public community school pursuant to Ohio Revised Code Chapter 3314 and pursuant to the School's charter contract. This Agreement is further conditioned on continued allocation of funds by the School's Board of Directors (the "Board"). If the Legislature fails to appropriate or allot the necessary funds, or the charter is

suspended or terminated by the sponsor, then the School will issue written notice to Contractor and the School may terminate this Agreement without further duty or obligation hereunder.

No Waiver of Immunity: NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT, VENDOR/CONTRACTOR ACKNOWLEDGES, STIPULATES, AND AGREES THAT NOTHING IN THIS AGREEMENT SHALL BE CONSTRUED AS A WAIVER OF ANY DEFENSE AVAILABLE TO IDEA, INCLUDING BUT NOT LIMITED TO ANY SOVEREIGN, STATUTORY, AND/OR GOVERNMENTAL IMMUNITY AVAILABLE TO IDEA UNDER APPLICABLE LAW.

Payment Terms: Unless a prompt payment discount with a payment term of at least ten (10) days is offered and accepted by IDEA, payment terms shall be thirty (30) days net from date of acceptance or receipt of a properly prepared and submitted invoice, whichever is later. In accordance with the Board's accounts payable policy, to receive payment for goods provided and/or services rendered, the Vendor/Contractor must submit a separate invoice, in duplicate, for each purchase order that includes the following:

- a) Fully identifies the Vendor/Contractor, including the Vendor's/Contractor's authorized representative, and said identifying information conforms to that on the purchase order issued by IDEA to the Vendor/Contractor and/or the Agreement.
- b) Includes an invoice number and date.
- c) Is addressed to IDEA Greater Cincinnati, Inc., including the proper mailing address for accounts payable and the address to which goods and/or services were delivered.
- d) References the purchase order number issued.
- e) Delineates in sufficient detail the goods and/or services provided to IDEA, including the quantity and unit price of the goods and/or services, and the date that the goods were delivered or the services were rendered.

Payment will not be remitted until all goods provided and/or services rendered are inspected and confirmed received by IDEA.

Prices: IDEA accepts Vendor's/Contractor's price(s) as recorded on Vendor's/Contractor's Proposal and reserves the right to cancel the Agreement if the prices are to be increased without a properly negotiated and executed amendment to the Agreement.

Product Recall: Vendor/Contractor shall notify IDEA immediately if a product recall is instituted on any good and/or service Vendor/Contractor has delivered or if Vendor/Contractor discovers or becomes aware of any defect in quality or other deficiency in the delivered goods and/or services. This requirement shall survive payment and acceptance of the goods and/or services.

Purchase Order Required: Orders/requests may be submitted by telephone, fax, email, or mail. No valid orders/requests will be submitted without an IDEA approved purchase order.

Record Keeping: It is the responsibility of Vendor/Contractor to maintain such records as are required by law, IDEA, or as are prescribed by the professional and generally accepted standards of the appropriate state agency. The books and records related to the contract shall be maintained by Vendor/Contractor, and IDEA shall have the right to inspect

and review such records at reasonable times upon request by IDEA.

Rights to Inventions Made Under a Contract or Agreement:

The Vendor/Contractor acknowledges and agrees that any intellectual property, processes, procedures or product developed in furtherance of a contract between the Vendor/Contractor and IDEA belongs to IDEA as work-for-hire and all rights are reserved by IDEA and/or the federal government in accordance with applicable federal law.

Severability: In the event that any provision of this Agreement is found to be invalid, illegal, or unenforceable in any jurisdiction, then in lieu of such invalid, illegal, or unenforceable provision there shall be added automatically as a part of this Agreement a valid, legal, and enforceable substitute provision that most nearly reflects the original intent of the Parties, and all provisions hereof shall remain in full force and effect and shall be liberally construed in order to carry out the intentions of the Parties hereto as nearly as may be possible. Such invalidity, illegality, or unenforceability shall not affect any other provisions contained in this Agreement.

Tax Exempt: IDEA is tax-exempt. Vendor/Contractor shall not include taxes on any Proposal, contract, PO, or invoice. IDEA will provide a tax exemption certificate to Vendor/Contractor upon request.

Termination: IDEA reserves the right to terminate all or any part of the undelivered portion of any order resulting from the Agreement with thirty (30) days written notice upon default by the Vendor/Contractor, for delay or nonperformance by the Vendor/Contractor, or if it is deemed in the best interest of IDEA, for convenience.

Ohio Public Records and Open Meetings Laws:

Vendor/Contractor acknowledges that IDEA is a public school subject to requests for information under the Ohio Public Records and Open Meetings law ("Sunshine Law"). Under the Sunshine Law, there are exceptions to requests for disclosure which include, but are not limited to, information confidential by law and certain commercial information and trade secrets.

Unsatisfactory Performance by Vendor Staff: If any person employed by Vendor/Contractor fails or refuses to carry out the services detailed in this Agreement or is, in the opinion of IDEA's designated representative(s), incompetent, unfaithful, intemperate, or disorderly, or uses threatening or abusive language to an IDEA student, parent, or representative, or if otherwise unsatisfactory, he or she shall be removed from the work under this Agreement immediately and shall not again provide services to IDEA except upon consent of IDEA's representative(s).

PART VI - SUPPLEMENTAL TERMS AND CONDITIONS

Buy America Act: If the source of funds identified in **Funding Type on page 5** for this RFP and resulting Agreement is federal funds, IDEA has a preference to procure goods, products, or materials produced in the United States (2 CFR § 200.322).

Confidential and/or Proprietary Information: The vendor acknowledges that it may have access to or create (alone or with others) confidential and/or proprietary information that is valuable to IDEA. For purposes of this Agreement, "Confidential Information" shall include but not be limited to:

- a) Information relating to IDEA's financial, regulatory, personnel, or operational matters.
- b) Information relating to IDEA's clients, customers, beneficiaries, suppliers, donors, employees, volunteers, sponsors, or business associates and partners.
- c) Trade secrets, know-how, inventions, discoveries, techniques, processes, methods, formulae, ideas, technical data and specifications, testing, methods, research and development activities, and computer programs and designs.
- d) Contracts, product plans, sales and marketing plans, and business plans.
- e) All information not generally known outside of IDEA's business, regardless of whether such information is in written, oral, electronic, digital, or other form, and regardless of whether the information originates from IDEA or its agents.
- f) The term "Confidential Information" does not include the following:
 - i. Information available to the public through no wrongful act of the receiving party.
 - ii. Information that has been published.
 - iii. Information required in response to subpoena, court order, court ruling, or by law.

Vendor agrees that it will not, at any time during or after the termination of this Agreement, use or disclose any Confidential

Information or trade secrets of IDEA to any person or entity for any purpose whatsoever without the prior written consent of IDEA, unless and except as otherwise required by applicable federal or state law or court order. Vendor agrees to release to IDEA all records and supporting documentation related to the Services provided under this Agreement upon completion of the Term hereof.

Federal Funds: As disclosed in **Funding Type on page 4**, the source of funds for this RFP and resulting Agreement is federal funds. Subsequently, the provisions stated in 2 CFR 200.326 and Appendix II to 2 CFR 200 are applicable. See **Attachment K** for details of these provisions.

Identity Theft Protection: If Vendor/Contractor will be storing employee or student data as part of the services under the Agreement, the following provisions apply:

- a) Vendor/Contractor agrees to maintain the confidentiality of "personal identifying information" and "sensitive personal information," as those terms are defined in Ohio Revised Code § 3319.321 and the Family Educational Rights and Privacy Act 20 U.S.C. 1232g by implementing reasonable data security procedures, controls, and safeguards to ensure that such information is protected and not subject to re-disclosure. Vendor/Contractor agrees that "personal identifying information" and "sensitive personal information" will be collected only as necessary and in conjunction with this Agreement and will be restricted in its distribution and accessibility such that only authorized representatives of Vendor/Contractor who have agreed to maintain the confidentiality of the data may access it. Such information will be properly secured by the use of safeguards such as secure file storage, firewall protection, complex password protection, secure operating systems, anti-virus software, locked physical files and backups, data

encryption, and other technology tools. When necessary, “personal identifying information” and “sensitive personal information” will be disposed of through secure means, such as shredding paper files and erasing electronic files.

- b) Vendor/Contractor will not bear responsibility for safeguarding information that is (i) publicly available; (ii) that is not “personal identifying information” or “sensitive personal information”; (iii) that is obtained by Vendor/Contractor from third parties without restrictions on disclosure and is not obviously “personal identifying information” or “sensitive personal information”; or (iv) is required to be disclosed by order of a court or other governmental entity.
- c) Vendor/Contractor stipulates that this Agreement does not convey ownership of “personal identifying information” or “sensitive personal information” provided by IDEA under this Agreement. Upon termination of this Agreement, all personally identifiable information shall be immediately returned to IDEA.
- d) If Vendor/Contractor becomes aware of a disclosure or security breach concerning any “personal identifying information” or “sensitive personal information” covered by this Agreement, Vendor/Contractor shall immediately notify IDEA and take immediate steps to limit and mitigate the damage of such security breach to the greatest extent possible. If there is a “breach of system security” where “sensitive personal information” is breached Vendor/Contractor shall proceed with notification requirements as required therein. The Parties agree that any breach of the privacy and/or confidentiality obligations set forth in this Section may, at IDEA’s sole discretion, result in IDEA’s immediately terminating this Agreement without financial penalty.

Privacy of Employee or Student Data: When educational records and Student Data will be utilized under the Agreement, or Employee data may be involved, the following provisions apply, and Vendor will enter into a Data Sharing Agreement provided by IDEA:

- a) **General Guidelines.** The Parties acknowledge and agree that certain federal and state laws protect the privacy interests of students and parents with regard to educational records maintained by IDEA, including, without limitation, the Family Educational Rights and Privacy Act (“FERPA”), 20 USC § 1232g. IDEA has determined that Vendor has a legitimate educational interest in the educational records, as that term is defined under FERPA, of IDEA’s students who receive the services, and that Vendor is the agent of IDEA solely for the purpose of providing services under this Agreement. Vendor and its personnel shall maintain the confidentiality of Student Data, as defined below, and comply with the requirements of FERPA and all other applicable law with respect to the privacy of Student Data. Vendor’s/Contractor’s obligations under this Section shall survive the termination or expiration of this Agreement.
- b) **Definition of “Student Data”:** “Student Data” includes all Personally Identifiable Information (“PII”) and other non-public information and includes, but is not limited to, student data, metadata, and user content.
- c) **Collection and Use of Student Data:** Vendor will only collect Student Data necessary to fulfill its duties as

outlined in this Agreement. Vendor will use Student Data only for the purpose of fulfilling its duties and providing services under this Agreement, and for improving services under this Agreement. Vendor is prohibited from mining Student Data for any purposes other than those agreed to by the parties. Data mining or scanning of user content for the purpose of advertising or marketing to students or their parents is prohibited.

- d) If Vendor has access to Employee PII, it shall protect PII and follow the same data protection and privacy standards as applied for Student Data.
- e) **Data De-Identification:** Vendor may use de-identified Student or Employee Data for product development, research, or other purposes. De-identified Student or Employee Data will have all direct and indirect personal identifiers removed. This includes, but is not limited to, name, ID numbers, date of birth, demographic information, location information, and school ID. Furthermore, Vendor agrees not to attempt to re-identify de-identified Student or Employee Data and not to transfer de-identified Student or Employee Data to any party unless that party agrees not to attempt re-identification.
- f) **Marketing and Advertising:** Vendor will not use any Student Data to advertise or market to students or their parents.
- g) **Modification of Terms of Service:** Vendor will not change how Student or Employee Data are collected, used, or shared under the terms of this Agreement in any way without advance notice to and consent from IDEA.
- h) **Student Data Sharing:** Student Data cannot be shared with any additional parties without prior written consent of IDEA, except as required by law.
- i) **Access and Transfer or Destruction:** Any Student or Employee Data held by the Vendor will be made available to IDEA upon request by IDEA. Vendor will ensure that all Student or Employee Data in its possession and in the possession of any subcontractors or agents to which Vendor may have transferred Student or Employee Data are destroyed or transferred to IDEA when the Student or Employee Data is no longer needed for its specified purpose, at the request of IDEA.
- j) **Rights and License In and To Student or Employee Data:** The Parties agree that all rights, including all intellectual property rights, shall remain the exclusive property of IDEA, and that Vendor has a limited, nonexclusive license solely for the purpose of performing its obligations as outlined in this Agreement. This Agreement does not give Vendor any rights, implied or otherwise, to Student or Employee Data, content, or intellectual property, except as otherwise expressly stated in this Agreement. This includes the right to sell or trade Student or Employee Data.
- k) **Security Controls:** Vendor will store and process Student or Employee Data in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to secure Student or Employee Data from unauthorized access, disclosure, and use. Vendor will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. Vendor will also have a written incident response plan, to include prompt notification of IDEA in the event of a security or privacy incident, as well as best practices for responding to a breach of PII. Vendor agrees to share its incident response plan upon request.

Contracts for more than the simplified acquisition threshold currently set at \$250,000 must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms and provide for such sanctions and penalties as appropriate.
2. Termination for Cause and Convenience. All contracts in excess of \$10,000 must address termination for cause and for convenience by IDEA including the manner by which it will be affected and the basis for settlement.
3. Equal Employment Opportunity. Except as otherwise provided under 41 CFR 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR 60–1.3 must include the equal opportunity clause provided under 41 CFR 60–1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR 1964–1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
4. Davis-Bacon Act. When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by IDEA must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141–3144, and 3146–3148) as supplemented by Department of Labor regulations (29 CFR 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. IDEA must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. IDEA must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR 3, “Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States”). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. IDEA must report all suspected or reported violations to the Federal awarding agency.
5. Contract Work Hours and Safety Standards Act. Where applicable, all contracts awarded by IDEA in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
